The Absolutely True Story of la Befana Paolo Mazzucato, 2021-11-09 Part rumor, part folklore and part magical invention, the classic origin story of the Italian Befana and her Christmas Epiphany visit to all children, naughty and nice, is presented here in a colorfully illustrated storybook. Told from an...unusual point of view, myth meets reality as we learn how things actually happened that fateful night when three wise guys, or...wise men, came searching for a newborn baby king and got a warm bowl of homemade minestrone instead. Unwilling at first to disrupt her evening plans, the old Befana sends her three visitors on their way, only to realize later that her chance to be part of a greater story of hope in the world is disappearing fast, like slices of freshly-baked panettone at Christmas dinner. Only her own journey that night to deliver her gifts and treats helps her realize that the hope for a better world of peace and love lives in every child. A playful reimagining of a traditional, Italian tale, told through warmth, humor and a few delicious, Italian recipes.

Little Red Reading Hood Lucy Rowland, 2018-01-25 Whilst leaving footpaths should never be done, Straying from stories is all sorts of fun! Little Red Reading Hood loves reading books and making up stories of her own. When she meets a cunning wolf while on her way to the library, he convinces her to stray from the path and read for a little while. But hasn't she read this in a story before? Perhaps it's time she came up with a new ending . . . This is a contemporary and fun take on the classic fairy tale, Little Red Riding Hood, created by an incredible picture book partnership. With a playful rhyming story by Lucy Rowland and Ben Mantle's entertaining illustrations, Little Red Reading Hood will inspire children, and adults, about the magic of books and reading.

Adopting the Beat of Phrase: An Psychological Symphony within **Cestita&sorty**

In a world used by screens and the ceaseless chatter of fast conversation, the melodic elegance and mental symphony developed by the prepared term frequently fade in to the back ground, eclipsed by the persistent noise and disturbances that permeate our lives. But, situated within the pages of **Cestita&sorty** a wonderful fictional value full of raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, that charming masterpiece conducts readers on an emotional trip, well unraveling the concealed songs and profound affect resonating within
