Seeing that he has spent his entire existence binding the heartstrings of destined lovers; humans and demons alike, call him 'CUPID'. He never thought his Father had sanctioned a heart to be tied to his. That is until the day he was summoned to New Orleans by his brother; the Archangel MICHAEL... MICHAEL has been given the directive to contend with the most powerful Hoodoo Priestesses, in New Orleans. PANDORA! While he has been assigned to the Priestess, he summons his brother to deal with the demon, and humans, that are after her daughter...KAY! When he informs Chamuel that Kay is his 'sanctioned' mate the battles begin! With several battles on the front, the people of New Orleans Parish soon discover how wrong they were. They experience firsthand that 'Cupid' is so much more than a docile, diaper wearing, bow and arrow carrying caricature. They learn that he is not only Kay's mate and protector, but he is also a warrior and... THE ARCHANGEL CHAMUEL

Royal Birthright Lost Sephar Chamuel, 2018-10-02 These are Bible stories the way my grandmother told them. This is a fun and enjoyable read! You will laugh sometimes; you may cry sometimes. You will most certainly be captivated! She loved to share the Word of God in engaging, chronological stories, giving the Bible characters much more substance and personality than we get from just reading about them in the Bible. She believed in telling it all, with all the human failings, including immoral sex and extreme violence, because there is much of it in humanity. It was not her intent to titillate or include these in the stories for gratuitous embellishment. Rather it was her stand that no one has an excuse not to serve God, no matter what awful things they may have done; nor has a right to censor God's truths, no matter how uncomfortable they may be. The storylines validate that there are always opportunities to make better choices with God; and until time runs outrepentance, forgiveness and salvation remain on the table for all who will not out-rightly reject it. She lived a long and flawed life, but she remained throughout a shining example of faith, repentance and service to God. She loved her family dearly, and we miss her profoundly. We know she is absent from the body and present with the Lord, and we take great comfort in that. She would have loved the books! She was a great warrior for the cause of reuniting the royal family of God, and she left a courageous legacy to carry her standard. We strive to be as worthy. -Sephar Chamuel

The Archangels Lavar Cephus,2022-08-13 From the beauty of the Lord God, we have fourteen archangels, who also can be known as the Watchers. Archangel Michael is the head of the archangel militia, in command of God' army and his celestial soldiers who clash against the evil. Stories of angels and archangels are a part of our lives, whether we realize it or not. Over 80 percent of the world's population believes in angels, archangels, cherubim, and heavily ascended masters. Most people only know about the seven archangels, but in this book, we're going to tell you about the fourteen archangels of the angelic realm. The term archangel came directly from or is related to the Abrahamic religions. The word archangel is derived from a Greek term which means chief angels. Archangels are an extension of love, help, protection and assistance from God, the Creator, the source, the universe himself, to personify his infinite, expansive, stellar majesty, power, love, and grace. All of the archangels have special powers and gifts and abilities. They are all healers. They resonate at a very high vibration frequency and energy. In terms of rank, archangels are at the highest rank among all the angels for they are known to be the closest of the angels next to God. Archangels not only watch over us; they also watch over other angels, as well as the spiritual and other areas of the universal realms (like our very own real-life superheroes). In the canonical Bible, which the Protestants and the Catholics use, and in the Quran as well, there were two archangel named: Michael and Gabriel. In the book of Enoch, there were seven archangels. This was before the book of Enoch was removed from the Bible scriptures. The other five of the first seven are Raphael, Azrael, Chamuel, Ariel, and Jophiel. In this book, I will tell you about the first seven archangels and also the other seven, the Dominion archangels, and their powers and abilities and how to ask for help, guidance, protection, and assistance whenever you need it. It's like having your very own dream team of angels.

Foal and the Angels Foal, 2012-06-01 Foal and the Angels is about a journey to understand the great wisdom hidden behind life. Through a series of dreams and insightful messages that provide Foal with some pretty intensive lessons, the mystery of life unravels and he shares these spiritual discoveries with other seekers. One of the most important lessons Foal learns is how easy it is to look within for guidance: What I describe here is almost exactly how it happened, or at least how it was felt and registered in my mind. So is all of this true? I don't know. How could anyone possibly know? But genuine? Yes. It comes from the heart. The fine line between imagination and inspiration was unknowingly blurred into one of a bigger Truth, becoming a sort of thick pipeline between two different worlds. I experienced this from the inside out, living the fascinating and captivating dreams, being amazed at the beauty and wisdom of the messages. Nothing could be truer to me than this experience; nothing could be more real to me. It was an intensive course of wisdom, imparted through dreams, messages, and voices. I call it Angels School. Other poignant lessons Foal learns through his journey: The compassion you have, let it flow, and let it flow close before it goes far (from the Angel of Compassion). If you love me, you cannot but SEE me (from God). Turn ego into compassion, Foal (from Jesus Christ). It is the complete trust inside that makes the momentum and the impact (Archangel Chamuel). You shall deserve the joy you make, and you shall take merit for the happiness you build (Lord Michael). Whether you consider yourself a spiritual person or someone simply trying to figure it all out, the gentle messages and lessons in Foal and the Angels will inspire you to live a more authentic life.

The Crinkling on the Pie Phillip Leighton-Daly,2019-08-14 In the year 2050, probes are launched into deep space. Two dwarf planets orbiting around a sun are adjudged suitable for colonization. Just as the Quakers and Pilgrim Fathers established colonies in the New World, two religious sects, Greyce and Kaire, settle in space. Both sects originate from the great teacher Christos, but fifty years later, each has evolved to bear little resemblance to the other—a trajectory not lost on a dangerous, militant civilization that has been scanning and observing the planets. Envoys are dispatched with devious intentions of colonizing Greyce and Kaire. After the self-proclaimed prophet and leader of Greyce is lured by the glamorous envoys into their shuttlecraft, all the colony's parishioners quickly follow and vanish forever. Can Kaire resist this fate and progress toward a different future? The Crinkling on the Pie explores today's values of wealth, materialism, pleasure, youthfulness, and status through a fable set in space.
