**The Story of S.** Annalisse Mayer, 2001-06-17 What if.....? After the death of JFK, Jr., the press was flooded with mesmerizing pictures of him, not to mention some rather lurid tabloid articles. The author found herself drawn into repeated, obsessive fantasies of what knowing him or having a romance with him might have been like. Ultimately, she found herself writing down one of her fantasies as a novel. She changed the names to make clear that this is entirely a work of fiction, her own fantasies, not actually about the real people who inspired her writing. She wove in her own life experiences: her son's Asperger's Syndrome, home birth, and information from a suicide prevention course. She also could not resist drawing in some pet political issues, for instance regarding abortion, pesticide spraying, and drug legalization. The result is an eminently readable romance and psychological study, which should enthrall any woman of a certain age who fantasizes about younger celebrities or anyone who is interested in Asperger's Syndrome.

**Embodied Literacies** Kristie S. Fleckenstein, 2003 Embodied Literacies: Imageword and a Poetics of Teaching is a response to calls to enlarge the purview of literacy to include imagery in its many modalities and various facets. Kristie S. Fleckenstein asserts that all meaning, linguistic or otherwise, is a result of the transaction between image and word. She implements the concept of imageword—a mutually constitutive fusion of image and word—to reassess language arts education

and promote a double vision of reading and writing. Utilizing an accessible fourfold structure, she then applies the concept to the classroom, reconfiguring what teachers do when they teach, how they teach, what they teach with, and how they teach ethically. Fleckenstein does not discount the importance of text in the quest for literacy. Instead, she places the language arts classroom and teacher at the juncture of image and word to examine the ways imagery enables and disables the teaching of and the act of reading and writing. Learning results from the double play of language and image, she argues. Helping teachers and students dissolve the boundaries between text and image, the volume outlines how to see reading and writing as something more than words and language and to disestablish our definitions of literacy as wholly linguistic. *Embodied Literacies: Imageword and a Poetics of Teaching* comes at a critical time in our cultural history. Echoing the opinion that postmodernity is a product of imagery rather than textuality, Fleckenstein argues that we must evolve new literacies when we live in a culture saturated by images on computer screens, televisions, even billboards. Decisively and clearly, she demonstrates the importance of incorporating imagery—which is inextricably linked to our psychological, social, and textual lives—into our epistemologies and literacy teaching.

**Pikachu's Global Adventure** Joseph Tobin, 2004-01-15 Initially developed in Japan by Nintendo as a computer game, Pokémon swept the globe in the late 1990s. Based on a narrative in which a group of children capture, train, and do battle with over a hundred imaginary creatures, Pokémon quickly diversified into an array of popular products including comic books, a TV show, movies, trading cards, stickers, toys, and clothing. Pokémon eventually became the top grossing children's product of all time. Yet the phenomenon fizzled as quickly as it had ignited. By 2002, the Pokémon craze was mostly over. *Pikachu's Global Adventure* describes the spectacular, complex, and unpredictable rise and fall of Pokémon in countries around the world. In analyzing the popularity of Pokémon, this innovative volume addresses core debates about the globalization of popular culture and about children's consumption of mass-produced culture. Topics explored include the origins of Pokémon in Japan's valorization of cuteness and traditions of insect collecting and anime; the efforts of Japanese producers and American marketers to localize it for foreign markets by muting its sex, violence, moral ambiguity, and general feeling of Japaneseness; debates about children's vulnerability versus agency as consumers; and the contentious question of Pokémon's educational value and place in school. The contributors include teachers as well as scholars from the fields of anthropology, media studies, sociology, and education. Tracking the reception of Pokémon in Japan, the United States, Great Britain, France, and Israel, they emphasize its significance as the first

Japanese cultural product to enjoy substantial worldwide success and challenge western dominance in the global production and circulation of cultural goods. Contributors. Anne Allison, Linda-Renée Bloch, Helen Bromley, Gilles Brougere, David Buckingham, Koichi Iwabuchi, Hirofumi Katsuno, Dafna Lemish, Jeffrey Maret, Julian Sefton-Green, Joseph Tobin, Samuel Tobin, Rebekah Willet, Christine Yano

**The Cobra and the Key** Sam Shelstad, 2023-10-10 Sam Shelstad's brilliantly funny, slightly

unhinged creative writing guide is *How Fiction Works* by James Wood meets *Pale Fire* by Vladimir Nabokov. To the untrained eye, Sam Shelstad may look a lot like a Value Village cashier who shares an apartment with his Uncle Herman and has just emerged from a failed relationship with a woman forty years his senior whom he met at his mother's book club. But Sam is a successful novelist—or will be soon, he's certain. The manuscript of his debut novel, *The Emerald*, is currently on the desk of a celebrated indie publisher. While he waits to hear back, he's hard at work on two ambitious writing projects. The first is the Molly novel, a fictional rendering of Sam's newly defunct relationship. The second is a guide for aspiring fiction writers like yourself. The two have much to teach one another, and much to teach you. Drawing on examples from the work of greats like George Orwell, Henry James, F. Scott Fitzgerald, Alice Munro, Kazuo Ishiguro, Clarise Lispector, and Sam Shelstad, *The Cobra and the Key* takes the novice through aspects of character, detail, plot, style, point of view, dialogue, and meaning. Before long, you'll be ready to print off your first draft and embark on revisions. Then it's time to learn some of the tricks of the publishing biz. Having just been threatened with legal action by his soon-to-be publisher for stalking said publisher's son via Instagram, Sam knows a thing or two about that too. Are you ready to get serious about your writing?

*Windswept by Love* Darahas Palakollu, 2023-01-21 July 03, 2018. They met for the first time. As life went on, Mumbai witnessed their bond growing day by day. Rainy August evenings and long winter nights stood with them as they would not leave each other at any moment. As autumn left and spring arrived, they would see how they both grew fond of each other. He never even left her for a second as she would make sure that he never left. All those long evenings, he walked with her hands twirled around his arms. The calm breeze in Powai caressed them softly. When he hugged her, he would find a world that fit into his arms. When she smiled, he looked into her eyes, only to get lost in them. In the fast-paced MBA course, they found peace and solace in each other. She perfected him and completed him in all possible ways. Two dissimilar poles, an extrovert, and an introvert, an

exuberant one and a calmer one, met each other complementing and balancing their personalities. Every day, as he would leave her at the door of her place and walk away, just like every day, he felt the same pounding in his heart, just like every day. At least nine more hours to see her again, and he was walking back to his place to live out that time in eternity and darkness. This repeated every single day involuntarily. Join their journey, filled with little moments of togetherness, capturing their first moments together, how they grew together, their inner turmoil, and how they loved to be in each other's company. Witness their memories together in Mumbai and how their relationship evolves. Their first movie together, first photo, visit Marine Drive, stuck in rain moments, long winter nights, and many more await to be unraveled.
