The Charm Bracelet Viola Shipman,2016-03-22 Lose yourself to the magic of The Charm Bracelet. Through an heirloom charm bracelet, three women will rediscover the importance of family and a passion for living as each charm changes their lives. On her birthday each year, Lolly's mother gave her a charm, along with the advice that there is nothing more important than keeping family memories alive, and so Lolly's charm bracelet would be a constant reminder of that love. Now seventy and starting to forget things, Lolly knows time is running out to reconnect with a daughter and granddaughter whose lives have become too busy for Lolly or her family stories. But when Arden, Lolly's daughter, receives an unexpected phone call about her mother, she and granddaughter Lauren rush home. Over the course of their visit, Lolly reveals the story behind each charm on her bracelet, and one by one the family stories help Lolly, Arden, and Lauren reconnect in a way that brings each woman closer to finding joy, love, and faith. A compelling story of three women and a beautiful reminder of the preciousness of family, Viola Shipman's *The Charm Bracelet* is a keepsake you'll cherish long after the final page.

Charmed Bracelets Tracey Zabar,2004-09-01 The Eiffel Tower in miniature, a tiny silver teddy bear, or perhaps a platinum disk engraved with a date: Every charm on a bracelet has special meaning for its wearer: history on a wrist. Tracey Zabar, premier crafter of charm bracelets, explores the enduring appeal of these chic, sweet accessories in *Charmed Bracelets*. Beginning with the amulets and talismans of ancient times, she discusses the origins of charms, then showcases a selection of exuberant ornaments from the charm-crazed 1950s and concludes with present-day bracelets. *Charmed Bracelets* includes suggestions for selecting trinkets around a theme, be it foreign cities or favorite movies, and provides instructions on how to maintain the jewelry. Beyond embellishing a bracelet, Zabar also describes other clever applications for charms: to customize a dog collar, for example, or bedeck the ribbons on an exquisitely wrapped birthday present. A guide to buying charms completes this enchanting gift book. With her popular, vintage-influenced charm bracelets, jewelry designer TRACEY ZABAR has put a fresh new spin on a coveted family heirloom. An artist with degrees in photography and textiles, Zabar lives with her husband and four sons. This is her first book.
