**Storm Warning** Alex Winters, 2022-12-09 The only force stronger than the approaching hurricane was their hidden desire for one another... Beck Carlson is prepping for the approaching storm when a random voice offers to help. Beck is more than surprised. After all, he thought he was alone in the Purple Pelican condos, everyone else having evacuated in the advance of Hurricane Ellen. Instead, a handsome ginger waif, Ford Wilson, pokes his head out of his front door, limping along in a big plastic boot after a recent skateboard accident. Bruised and battered, he's been unable to prep for the hurricane. A native Floridian who's seen his share of storms, Beck takes pity on the sexy skater boy, sharing his own hurricane supplies and showing him the ropes as Ford hunkers down for his first Category 3 storm. After the two part ways for the duration, Beck feels bad, returning with fresh supplies and offering to weather the storm in Ford's condo. A nervous Ford gratefully accepts, locking them both inside for a

whirlwind romance as intense as the approaching storm, and just as dangerous... PUBLISHER NOTE: Contemporary Erotic M/M Romance. Suspense. 21,000 words. All characters depicted in this work of fiction are 18 years of age or older.

**Picnic in the Storm** Yukiko Motoya,2019-07-04 A housewife takes up bodybuilding and sees radical changes to her physique - which her workaholic husband fails to notice. A boy waits at a bus stop, mocking businessmen struggling to keep their umbrellas open in a typhoon - until an old man shows him that they hold the secret to flying. A woman working in a clothing boutique waits endlessly on a customer who won't come out of the fitting room - and who may or may not be human. A newlywed notices that her husband's features are beginning to slide around his face - to match her own. In these eleven stories, the individuals who lift the curtains of their orderly homes and workplaces are confronted with the bizarre, the grotesque, the fantastic, the alien - and, through it, find a way to liberation. Winner of the Kenzaburo Oe Prize, *Picnic in the Storm* is the English-language debut of one of Japan's most fearless young writers.

**Hungary and Other Emerging EU Countries in the Financial Storm** Júlia Király,2020-08-18 This book analyzes the banking crisis and the events surrounding it in Hungary and other emerging EU member countries in 2007-2013. Written by Júlia Király, a former policymaker, and the Deputy Governor of the Hungarian Central Bank at the time of the crisis, it also offers a firsthand account of the processes in and responses to the

financial crisis. While there is extensive literature on the crisis, most of it focuses on the US or the Eurozone, sometimes mentioning the “emerging world” in passing. However, Central and Eastern Europe experienced the crisis very differently than other emerging countries. In the pre-crisis years, the region in accession to the EU attracted abundant fresh capital, but the seemingly unconstrained global liquidity fuelled credit bubbles. After the Lehman crisis, capital rapidly fled these countries. In this part of the world, the recession proved to be much worse than elsewhere, with double-digit growth soon turning into a double-digit decline in GDP. Several countries had to turn to the IMF and the EU for stand-by credit. Based on her own inside experience as a top central banker, the author offers a personal yet professional analysis of the causes and consequences of the financial hurricane.
