The Weather and Climate of Chicago Henry Joseph Cox,John Howard Armington,1914

The Climate of Chicago (Classic Reprint) Henry Allen Hazen,2016-11-17 Excerpt from The Climate of Chicago The earliest meteorologic Observations that have been preserved were made at Fort Dearborn, near the lake shore, in July, 1832. This series was continued until December, 1836, when there is a gap up to December, 1856, excepting a few Observations at the Mechanics' Insti tute, in 1844. From January 1, 1858, to October, 1859, no records are on file, but since November, 1859, a continuous series of observations has been maintained down to the present time, with the exception of 14 days in October, 1871, which were lost in the great fire Of October 8 and 9. These remarks apply to Observations of temperature. For rainfall the records are not so complete. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Authors of the Storm Gary Alan Fine,2010-10-21 Whether it is used as an icebreaker in conversation or as the subject of serious inquiry, the weather is one of the few subjects that everyone talks about. Chicago Calamities Gayle Soucek,2010-11-29 Fire and flood, train wreck and tornado—a look at the many disasters Chicago has endured over the years, with photos and illustrations. The story of Chicago is often likened to that of a phoenix rising out of the ashes of the Great Fire. Yet that infamous event was only part of the destruction that has shaped Chicago's identity. This unique history explores the calamities that have befallen the Windy City, such as the 1954 killer water surge that swept in on a calm summer day; the 1967 tornado that ripped through rush hour traffic; the 1886 Haymarket Square riot that put Chicago on the anarchist map; and many other acts of nature and human folly. As you witness a fireproof theater burn, a flood rise up without rain, and one of the greatest maritime disasters occur within city limits, you'll gain a new appreciation for how this city has endured through unexpected tragedies and produced many unlikely heroes.

Storm's Fury Amy Wilson,Mary Stone,2021-01-06 Some storms destroy. Others clear a path. Military veteran Amelia Storm returns to her hometown of Chicago when her beloved police officer brother is killed in the line of duty. Now she is a special agent with the FBI. No longer a scared girl, she vows to avenge her brother and do what she can to end the city's deep wells of corruption. A television documentary puts a spotlight on a four-year-old kidnapping. Amelia and her colleagues in the Organized Crime Division know there's more to the girl's case than meets the eye. The twelve-year-old wasn't just abducted. She was targeted by a human trafficking ring. As Amelia falls deeper down the rabbit hole of Chicago's criminal hierarchy in search of the girl, she finds herself uncomfortably close to the people she left behind so long ago. This time, though, she won't run. Now, she is the storm that will unearth the city's long buried secrets. Or die trying. After all, she has nothing to lose. From the wickedly dark minds of Mary Stone and Amy Wilson comes *Storm's Fury*, book one of the Amelia Storm Series, where you'll be reminded that Mother Earth is wild, but humans are the most dangerous creatures. Both are hellbent on leaving the streets of Chicago, except the gang alliance won't let them. TEAGAN College is my one-way ticket out of this city. Joey's a criminal, born from violence. Street wars run through his veins. I'll do everything in my power to make this forced marriage fail. JOEY Once I find her, I'm fleeing the streets of Chicago. Most people think of me as a thug. A useless street fighter called Storm. I'd love nothing more than to get away from this life, but my old man has blackmailed me for as long as I can remember. Still, no one is talking, and every second counts if they hope to find them alive. As sinister secrets are unearthed, Amelia won't stop until she frees the innocent from the evil that lurks in the shadows of her beloved city. What she discovers hits a little too close to home. Was her brother involved? She needs to know, but some answers are better left unasked. From the dark minds of Mary Stone and Amy Wilson comes Storm's Peril, book two of the Amelia Storm Series, where you'll be tempted to peek through the curtains to be sure evil hasn't chosen you.
