There's a new contender for feistiest girl in fiction, and her name is Swiv. -USA Today, Best Books of the Year Toews is a master of dialogue. -New York Times Book Review, Editors' Choice A revelation. -Richard Russo NPR Best Books of the Year * Shortlisted for the Scotiabank Giller Prize * Writers' Trust Fiction Prize Finalist * Indie Next Pick * Amazon Editors' Pick * Apple Book of the Month From the bestselling author of Women Talking and All My Puny Sorrows, a compassionate, darkly humorous, and deeply wise novel about three generations of women. “You're a small thing,” Grandma writes, “and you must learn to fight.” Swiv's Grandma, Elvira, has been fighting all her life. From her upbringing in a strict religious community, she has fought those who wanted to take away her joy, her independence, and her spirit. She has fought to make peace with her loved ones when they have chosen to leave her. And now, even as her health fails, Grandma is fighting for her family: for her daughter, partnerless and in the third term of a pregnancy; and for her granddaughter Swiv, a spirited nine-year-old who has been suspended from school. Cramped together in their Toronto home, on the precipice of extraordinary change, Grandma and Swiv undertake a vital new project, setting out to explain their lives in letters they will never send. Alternating between the exuberant, precocious voice of young Swiv and her irrepressible, tenacious Grandma, Fight Night is a love letter to mothers and grandmothers, and to all the women who are still fighting-painfully, ferociously- for a way to live on their own terms.

The Graduate When Benjamin Braddock graduates from a small Eastern college and moves home to his parents' house, everyone wants to know what he's going to do with his life. Embittered by the emptiness of his college education and indifferent to his grim prospects -- grad school? a career in plastics? -- Benjamin falls haplessly into an affair with Mrs. Robinson, the relentlessly seductive wife of his father's business partner. It's only when beautiful coed Elaine Robinson comes home to visit her parents that Benjamin, now smitten, thinks he might have found some kind of direction in his life. Unfortunately for Benjamin, Mrs. Robinson plays the role of protective mother as well as she does the one of mistress. A wondrously fierce and absurd battle of wills ensues, with love and idealism triumphing over the forces of corruption and conformity.

Tribe Sebastian Junger,2016-05-24 We have a strong instinct to belong to small groups defined by clear purpose and understanding--tribes. This tribal connection has been largely lost in modern society, but regaining it may be the key to our psychological survival. Decades before the American Revolution, Benjamin Franklin lamented that English settlers were constantly fleeing over to the Indians-but Indians almost never did the same. Tribal society has been exerting an almost gravitational pull on Westerners for hundreds of years, and the reason lies deep in our evolutionary past as a communal species. The most recent example of that attraction is combat veterans who come home to find themselves missing the incredibly intimate bonds of platoon life. The loss of closeness that comes at the end of deployment may explain the high rates of post-

traumatic stress disorder suffered by military veterans today. Combining history, psychology, and anthropology, Tribe explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning. It explains the irony that-for many veterans as well as civilians-war feels better than peace, adversity can turn out to be a blessing, and disasters are sometimes remembered more fondly than weddings or tropical vacations. Tribe explains why we are stronger when we come together, and how that can be achieved even in today's divided world.
