The Day the Sea Went out and Never Came Back Margot

Sunderland,2017-06-14 This is a story for children who have lost someone they love. Eric is a sand dragon who loves the sea very much. Each day, he watches it going out and coming back. His sea is beautiful indeed to him. But one day, the sea goes out and does not come back. Eric waits and waits, but it does not come back. So he falls on the sand in terrible pain. It feels to him as if he has lost everything. After many bleak days, Eric sees a little wild flower. It is dying. Eric knows he must save it. He finds water. More and more flowers appear and so Eric starts to make a beautiful rock pool garden. And as he does, he finds the courage to feel the full pain of his loss, instead of closing his heart. He realises that his memories of his precious sea are like a special kind of treasure in his mind, a treasure he will never lose. The titles in this extraordinary series are a vital resource. Nine practical guidebooks, each with an accompanying beautifully illustrated storybook, have been written to help children (aged 4-12) think about and connect with their feelings. These guides and stories enable teachers, parents and professionals to recognise the unresolved feelings behind a child's behaviour and to respond correctly to help. East Side Story Nick Marino,2023-11-07 A sly, sentimental, and wickedly funny memoir about growing up at the local fair. The PNE

(Pacific National Exhibition) is a Vancouver tradition, an annual fair started in 1910 that is famous for its farm animals, dog trick shows, and amusement park highlighted by Canada's oldest wooden roller coaster still in existence. In 1980, when Nick Marino was twelve years old, he started working at the PNE and quickly learned that there was more to the fair than winning stuffed animals and eating mini donuts. He had to contend with belligerent bosses, unhinged carnies, and teenage hustlers. In this funny, charming memoir of fair life, Marino revisits the "wild west" of the city's East Side, home to the PNE, sharing stories from his six summers working at the fair, where arcade bouncers went on midnight roller coaster rides, riots broke out at concerts, and local kids helped themselves to everything. With beguiling and at times poignant humor, he pulls back the curtain on the culture of carnivals and fairs, an unpredictable and eternally young world of players, scammers, and dreamers. *East Side Story* is the latest addition to the Robin's Egg Books series, which features some of the freshest, smartest, and above all, funniest writing on a variety of culturally relevant subjects. Titles in the imprint are curated and edited by comedian, playwright, and author Charles Demers.
