The Complete Story of Sadako Sasaki Masahiro Sasaki,Sue DiCicco,2020-04-07
Independent Publisher Book Award (IPPY) Winner **Middle School Book of the Year-- Northern Lights Book Awards** **Skipping Stones Honor Award Winner** For the first time, middle readers can learn the complete story of the courageous girl whose life, which ended through the effects of war, inspired a worldwide call for peace. In this book, author Sue DiCicco and Sadako's older brother Masahiro tell her complete story in English for the first time--how Sadako's courage throughout her illness inspired family and friends, and how she became a symbol of all people, especially children, who suffer from the impact of war. Her life and her death carry a message: we must have a wholehearted desire for peace and be willing to work together to

achieve it. Sadako Sasaki was two years old when the atomic bomb was dropped on her city of Hiroshima at the end of World War II. Ten years later, just as life was starting to feel almost normal again, this athletic and enthusiastic girl was fighting a war of a different kind. One of many children affected by the bomb, she had contracted leukemia. Patient and determined, Sadako set herself the task of folding 1000 paper cranes in the hope that her wish to be made well again would be granted. Illustrations and personal family photos give a glimpse into Sadako's life and the horrors of war. Proceeds from this book are shared equally between The Sadako Legacy NPO and The Peace Crane Project.

Then she must face the hardest race of her life—the race against time. Based on a true story, *Sadako and the Thousand Paper Cranes* celebrates the courage that makes one young woman a heroine in Japan. [The] story speaks directly to young readers of the tragedy of Sadako's death and, in its simplicity, makes a universal statement for 'peace in the world.' –The Horn Book The story is told tenderly but with neither a morbid nor a sentimental tone: it is direct and touching. –BCCB
