A Mother for Choco Keiko Kasza,1996-03-19 Family is about love no matter how different parents and children may be, adopted or not. Choco wishes he had a mother, but who could she be? He sets off to find her, asking all kinds of animals, but he doesn't meet anyone who looks just like him. He doesn't even think of asking Mrs. Bear if she's his mother-but then she starts to do just the things a mommy might do. And when she brings him home, he meets her other children-a piglet, a hippo, and an alligator-and learns that families can come in all shapes and sizes and still fit together. Keiko Kasza's twist on the Are you my mother? theme has become one of the most highly recommended stories about adoption for children.

Chocolate City Chris Myers Asch,George Derek Musgrove,2017-10-17 Monumental in scope and vividly detailed, Chocolate City tells the tumultuous, four-century story of race and democracy in our nation's capital. Emblematic of the ongoing tensions between America's expansive democratic promises and its enduring racial realities, Washington often has served as a national battleground for contentious issues, including slavery, segregation, civil rights, the drug war, and gentrification. But D.C. is more than just a seat of government, and authors Chris Myers Asch and George Derek Musgrove also highlight the city's rich history of local activism as Washingtonians of all races have struggled to make their voices heard in an undemocratic city where residents lack full political rights. Tracing D.C.'s massive transformations--from a sparsely inhabited plantation society into a diverse metropolis, from a center of the slave trade to the nation's first black-majority city, from Chocolate City to Latte City--Asch and Musgrove offer an engaging narrative peppered with unforgettable characters, a history of deep racial division but also one of hope, resilience, and interracial cooperation.

Move into More Choco De Jesús, 2018-04-24 Abundant life. Does that describe the life you're living now? Or do words like busy, overwhelming, disappointing, or exhausting come to mind instead? Today, more than ever, we long for satisfaction in our lives and fulfillment in our faith but come up empty. We are lacking, and that hole can't be filled by money, prestige, or stuff. Pastor Choco, author of Move into More, knows what it feels like to want more from life. Raised by a single mother after his alcoholic father left, he grew up as a poor Puerto Rican kid in Humboldt Park, one of Chicago's toughest neighborhoods. He grew up never having enough. However, God had so much more for him. Pastor Choco rose to become senior pastor of New Life Covenant Church (one of Chicago's fastest-growing churches) and one of TIME magazine's 100 Most Influential People in the World. In Move into More, with conviction and earnestness, Pastor Choco explains that God has promised a life of more—joyful contentment that comes from living passionately with a purpose—to anyone who follows him in obedience. It's not who you are, he says, it's what Jesus can do if you will let him. Choco breaks down popular-yet-untrue thinking that God's "more" is about wealth or material possessions, fame or power, and shows readers that God's more is far better than anyone could ever imagine. If you're willing to Move into More, your eyes will be opened to the all-powerful, all-loving God who wants more for you than you can imagine in your wildest dreams. When you follow Him faithfully and obediently, you will find peace in your problems, rest in your weariness, order in circumstantial chaos, and joy in trials. Don't settle for less than God has for you—it's time to Move into More!
