*Veiled Gurus* Colleen M. Yim, 2008 This work examines the social reality of a Hindu woman's involvement in the transmission of religious knowledge. The two-year ethnographic study traces the steps of Dalit women in an urban village in New Delhi, India, in which Dr. Yim explores the mother's role in life cycle rituals, festivals, vrats (ritual fasts), and daily life. In this study, Yim attempts to bridge the gap between the word of religious texts and the reality of the women's lives. Despite the tradition of religious texts to overlook the role of women as teachers, this study found that women are the primary agents of religious knowledge transmission. The Dalit women in this study convey their erudition through informal education, such as observation; worship; imitation; and family responsibilities. The implications of this study are not only to validate informal education as an effective means of teaching, but to confirm the central role Hindu women have in the transmission of religious knowledge to their children.

**Myriad Hues Collection of Untold Stories** Smita Rao, 2021-07-08 The collection of short stories in this book is mainly developed on incidents and happenings in real life, which the author has expanded or given shape to with her imagination. India is a vast country with different castes, creeds and culture but still bound by a unique oneness. For a writer, the material available for short stories is unlimited. Our hopes, aspirations and ambitions play an important role in our lives. If any one of these is thwarted, either we submit and suffer or rebel. The stories reflect these emotions. The author has attempted to bring out the real characters of people in her stories, and each one has a moral. She says, "I have lived my life with all my principles intact in spite of facing difficulties. I hope my readers will also learn something from the stories and face life's ups and downs with moral courage."

**Radhayan** Harsha V. Dahejia, 2019-03-23 About the Book Of all the mythic characters in the Hindu pantheon none is more enigmatic and evocative than Radha. Appearing for the first time in Jayadeva's Gita Govinda, where she is the ultimate beloved, she traverses political dynasties, royal ateliers and social barriers to emerge as a consort of Krishna. Brought alive by poets, developing a colourful presence in the hands of painters, dancing through prosceniums and acquiring a lyrical life through songs, both classical and popular, Radha is present in homes and havelis, celebrated by the the samajika and the rasika, has a presence in temples and roadside shrines as a symbol of pure and eternal love. And yet there are so many questions about her life; poets differ in their portrayals of her, historians argue, dancers claim her through their interpretations and for the common person she is now a shringara rasa nayika and now a goddess. But Radha stands steadfastly alone refusing to be bound down by poets or potters, dancers or singers. Harsha V. Dehejia weaves an enchanting story of Radha with a multicoloured thread, where myth blends into history and fiction challenges reality and Radha emerges in all her poetic glory in this spellbinding story. Vijay Sharma and his team of artists bring Radha colourfully alive with miniature paintings, for it is there rather than sculpture that Radha resides. She is essentially kavyamaya, her origins are in the minds of poets, it is there that she grows, dallies and evolves. And while her voice is heard in songs and her footsteps resonate with dancers, it is in miniature paintings, through line and colour, that Radha comes alive as a multidimensional, many-nuanced paragon of love. This is Radhayan. About the Author Harsha V. Dehejia has a double doctorate, one in medicine and other in ancient Indian culture, both from Mumbai University. He is also a member of the Royal College of Physicians of London, Glasgow and Canada all by examination. He is a practising Physician and Professor of Indian Studies at Carleton University in Ottawa, Canada. His main interest is in Indian

aesthetics.

**Chandni Chowk** Swapna Liddle,2017-01-06 What we know today as Chandni Chowk was once a part of one of the greatest cities of the world--the imperial city established by the Mughal emperor Shahjahan in the seventeenth century, and named after him--Shahjahanabad. This is the story of how the city came to be established, its grandeur as the capital of an empire at its peak, and its important role in shaping the language and culture of North India. It is also the story of the many tribulations the city has seen--the invasion of Nadir Shah, the Revolt of 1857, Partition. Today, Shahjahanabad has been subsumed under the gigantic sprawl of metropolitan Delhi. Yet it has an identity that is distinct. Popularly known as Chandni Chowk, its name conjures up romantic narrow streets, a variety of street food and exotic markets. For Shahjahanabad is still very much a living city, though the lives of the people inhabiting it have changed over the centuries. Dariba Kalan still has rows of flourishing jewellers' shops; Begum Samru's haveli is now Bhagirath Palace, a sprawling electronics market, and no visit to Chandni Chowk is complete without a meal at Karim's, whose chefs use recipes handed down to them through the ages for their mouth-watering biriyani and kebabs. Swapna Liddle draws upon a wide variety of sources, such as the accounts of Mughal court chroniclers, travellers' memoirs, poetry, newspapers and government documents, to paint a vivid and dynamic panorama of the city from its inception to recent times.

**Enakshi Sings** Celia Jon,2013-05-16 In August 2009, Sheela Jon came to Nepal and met a 3 year old blind girl in the main government orphanage. Her niece picked the little girl up, and the workers told her not to pick her up as she has 'bad karma' as she is blind. She came back in 2010 and met the little girl again, and had a strong calling to adopt her and bring her back to the UK. In September 2011, she embarked upon the long and arduous process of adoption under Nepalese law, battling with officials who considered her to be a woman with no standing and the little girl to be completely invisible. She discovered corruption and abuse, and finally her daughter's visa to the UK was refused, and she is still in Kathmandu waiting for the appeal to be heard.

*Demoting Vishnu* Anne T. Mocko,2016 This book examines how public ritual once placed kings at the privileged apex of Nepal's government, and how in the 21st century those same rituals stopped serving the king and turned instead to authorize party-based politicians. Ritual upheaval undermined the institutional logic of monarchy, and demonstrated that kingship was contingent/dispensable--
