**The Christmas Box** Richard Paul Evans, 2012-10-09 A special anniversary edition of the unforgettable Christmas classic that has touched the hearts of millions of readers: "the most popular holiday tale since Tiny Tim" (Newsweek). Since *The Christmas Box* was first published, more than eight million people around the world have been touched by its magic. It is a holiday classic that is as beloved in our time as *A Christmas Carol* was in Dickens's. This special 20th Anniversary Edition contains a new Introduction by the author, explaining how this personal tribute to his children, intended for just a few family members and friends, became a worldwide phenomenon that brings inspiration and healing to everyone who reads it. As he reiterates his intention to remind families of the preciousness of their love for each other, Evans explains how *The Christmas Box* has also helped children who have no families find love and hope. The miracle of *The Christmas Box* springs from its timeless message that knows no season.

*The Christmas Candle* Max Lucado, 2006 Every twenty-five years the candlemaker in the small town of Gladstone is visited by an angel who grants a Christmas miracle, but the townspeople witness the abundance of God's love in 1864 thanks to a misstep by Chandler Edward Haddington.

*Just Say Noel* David Comfort, 1995-11 Fresh for the holidays, this hilarious and warm-hearted review of the top holiday stories of the last two millennia (with a special focus on Christmas Present) sparkles with dozens of shiny, new Christmas tales and tidbits, including vital stats on eating, shopping and other manifestations of the Christmas spirit, the Santa controversy, and much more.

*Reclaiming Christmas* Ginger Jurries, 2013-12-05 Are you tired of the materialistic craziness of Christmas

celebrations? Instead of relishing the wonder and joy of the holy holiday, we stumble through in a commercial haze, feeling exhausted and ready for it all to be mercifully finished. Is there an alternative to this commercial dilemma? Happily there is! What we need is not only permission to reclaim our sacred season, but also creative ideas for peace-filled, stress-free, and meaningful celebrations. A plethora of delightful and diverse ideas can help your family not only to anticipate the season but also to grow closer through Advent and enjoy the holy season in a more meaningful, other-centered way.

The chief executive of a Seattle-based high-tech company, Monica Banks is a workaholic who has closed herself off to any kind of home life, family, or love. Then one snowy Christmas Eve, she discovers a ghost in her office computer. The ghost is none other than Ebenezer Scrooge. Awakened by a bright and lonely eight-year-old girl named Tina using the password "Humbug," Scrooge is ready and willing to take his turn as a Christmas spirit. But he finds that the world has changed a lot since his day, and though he knows that the spirit of love, generosity, and forgiveness is eternal, it will take more than a little tech support for him to convince Monica before the morning

light. "Reading Scarborough is a joy."—Anne McCaffrey

**Twas the Night before Christmas (Original illustrations by Jessie Willcox Smith)** Clement Clarke

Moore,2013-09-05 This carefully crafted ebook: "Twas the Night before Christmas (Original illustrations by Jessie Willcox Smith)" is formatted for your eReader with a functional and detailed table of contents. The poem, which has been called arguably the best-known verses ever written by an American, is largely responsible for some of the conceptions of Santa Claus from the mid-nineteenth century to today. Prior to the poem, American ideas about St. Nicholas and other Christmastide visitors varied considerably. On Christmas Eve night, while his wife and children sleep, a man awakens to noises outside his house. Looking out the window, he sees St. Nicholas in an air-borne sleigh pulled by eight reindeer. After landing his sleigh on the roof, the saint enters the house through the chimney, carrying a sack of toys with him. The man watches Nicholas filling the children's Christmas stockings hanging by the fire, and laughs to himself. They share a conspiratorial moment before the saint bounds up the chimney again. As he flies away, Saint Nicholas wishes everyone a Happy Christmas to all, and to all a good night. Clement Clarke Moore ( 1779 - 1863) was an American Professor of Oriental and Greek Literature, as well as Divinity and Biblical Learning, at the General Theological Seminary of the Protestant Episcopal Church. Located on land donated by the Bard of Chelsea himself, the seminary still stands today on Ninth Avenue between 20th and 21st Streets, in an area known as Chelsea Square. Moore's connection with that institution continued for over twenty-five years. He is the author of the yuletide poem A Visit from St. Nicholas, which later became famous as 'Twas the Night Before Christmas.

**Christmas at Thompson Hall** Anthony Trollope,1893

Thompson Hall, redolent of plum-pudding and mince-pie, green of holly, warmed by omnipotent Victorian fireplaces, awaits the arrival of Mr. and Mrs. Brown from the south of France. But they may never make it to Thompson Hall. The story opens in Paris at Le Grand Hotel, where Mr. Brown is down with a throat-condition - he is unable to travel to England. Only Mrs. Brown is quite determined they will go on. So begins a Christmas tale complicated and simple, pathetic and farcical, embarrassing, - even risqué, though of course it could be read aloud to an assembled Victorian family.

The Christmas Angel Thomas Kinkadee, Katherine Spencer, 2005 As the town of Cape Light prepares for the Christmas holidays, Emily, the town mayor, stumbles upon an abandoned baby girl, who could provide her with a second chance at motherhood, but the infant ignites tensions between Emily and her husband, Dan, who does not want the responsibility of raising another child.

These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their

work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Christmas. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. In conclusion, the ability to download Christmas has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide.
