The tree is glittering with marvellous decorations and topped by the most beautiful Christmas angel ever! But when a fierce, hot summer storm hits the park, the tree is ruined and the poor angel is toppled from her branch! **The Little Christmas Ornament** Sharon Contillo,2014-09-09 Imagine a mysterious world inside a real Christmas tree where the ornaments, tree and lights come to life! *The Little Christmas Ornament* is an exciting adventure about the secret lives of Christmas ornaments. But it's no secret that all ornaments anxiously await that big day every year when they'll hang on the Christmas tree. And if they're lucky, they'll get to hang front and center. After all, the sole purpose of an ornament is to be seen so it can bring Christmas spirit to its family. When the mom's beloved childhood ornament, Lo, is forced from the most coveted front and center spot on the tree by a crass, trendy ornament, Holly, things turn very badly for Lo. Once the leader of the tree, with old outdated ways, she is now banished to deepest darkest places within it. Lo tries to rally her allies to overtake Holly and regain her spot. But their bickering and infighting has caused more chaos and crowding on the tree, frustrating the Dad with relentless upkeep. He plots to throw out all the ornaments, twisted lights and real tree in favor of a steely, soulless metal tree that doesn't require any fuss or bother. The ornaments' only hope for survival is to win the neighborhood Christmas tree contest. But the rivalry between Lo and Holly spoils everything, leaving the tree in shambles just as the guests arrive to cast their votes on Christmas Eve. Exasperated, the Dad tosses the real tree and ornaments to the curb, replacing it with the spiritless metal tree that eerily rotates and squeaks in the corner of the room. Lo and Holly find themselves stranded outside and separated from the other ornaments. They are forced to team up to find their way home and get the real tree and ornaments back in the house in time for Christmas morning to bring Christmas spirit back to their family.

*Creative Christmas Tree Decorations* Carolyn Bell,2012 Decorating the tree is an opportunity to gather with family, children and friends to adorn the branches with dazzling decorations. These small, yet significant details provide the backdrop to the approaching festivities and set the style and feel of your Christmas, whether traditional or modern. And what decorations can better sum up the individual spirit of Christmas than those you have made yourself? Whether you want sparkling baubles glistening on every branch, or a country-style angel to top the tree, this book shows you how to make original adornments to personalize your tree with style. Packed with practical projects, there is something here for everyone's taste and budget: delicate silver snowflakes cut from shiny paper, edible gingerbread figures, gilded baubles and a classic golden star are just a few of the ideas for seasonal decorations the whole family will enjoy.

*Snowstorms & Sleigh Bells* Kelley Armstrong,2021-11-16 A Victorian time-travel holiday novella It's a Victorian Christmas at Thorne Manor, and Rosalind Courtenay is staying far, far away from the door that leads to the twenty-first century. It took her four years to get back home, and she's never going near the time stitch again. But her five-year-old son has other plans, and Rosalind finds herself plunged back into the modern world, where she decides to face her fears and give her family the holiday gift of a lifetime. Once again, Fate has other ideas, sending a blizzard to derail Rosalind's cautious planning and toss them all into a whirlwind of savage snowstorms, spectral sleigh bells and, perhaps, a Christmas ghost or two.

*Christmas Decorations* Jane Newdick,1996

*Women of the Storm* Emmanuel David,2017-10-16 Hurricanes Katrina and Rita made landfall less than four weeks apart in 2005. Months later, much of New Orleans and the Gulf Coast remained in tatters. As the region faded from national headlines, its residents faced a dire future. Emmanuel David chronicles how one activist group confronted the crisis. Founded by a few elite white women in New Orleans, Women of the Storm quickly formed a broad coalition that sought to represent Louisiana's diverse population. From its early lobbying of Congress through its response to the 2010 BP oil spill, David shows how members' actions were shaped by gender, race, class, and geography. Drawing on in-depth interviews, ethnographic observation, and archival research, David tells a compelling story of collective action and personal transformation that expands our understanding of the aftermath of an historic American catastrophe.
