100 Christmas Wishes New York Public Library, 2018-10-16 A treasure trove of vintage Christmas cards, *100 Christmas Wishes* is the perfect holiday treat from the New York Public Library. Every year as the days grow shorter, amidst the holly, cookies, and carols there is another timeless holiday tradition—sending and receiving Christmas cards to and from those you love. *100 Christmas Wishes* is a collection of vintage holiday cards, all from the archives of the New York Public Library. The Library houses one of the greatest collections of early Christmas postcards from around the world with thousands of cards depicting every imaginable holiday scene. Archivists selected one hundred of the best cards from the extensive collection to share in *100 Christmas Wishes*. From the elegant, gilded Santa Clauses and statuesque angels, to yuletide still lifes, tumbling tots and puppies with bows round their necks, each card is a beautiful celebration of the holiday season. The book also includes six perforated postcards with reproductions of the designs so you too can share a vintage Christmas wish with friends and family on your list. As Rosanne Cash, a patron and friend of the Library as well as a devoted fan of Christmas cards, says in her introduction “This collection of early Christmas postcards, housed for a century in the New York Public Library archives, distills those abiding wishes for the holidays from revelers from long ago and faraway, in a wish for peace, joy, magic, bounty, family, and for light to be shone ‘round the world at Christmas, past and future.”

From All of Us to All of You The Disney Christmas Card Jeff Kurtti, 2018-10-02 One of the nicest things about the holiday season is exchanging greetings with our many friends, for these messages from all over the world represent the true spirit of Christmas in many different ways. -Walt Disney Imagine how special that greeting might be if sent by none other than Walt Disney! Early in the history of the Walt Disney Studios, annual Christmas themed greeting cards were created, their designs and illustrations by such legendary Disney Studio artists as Tom Wood, Hank Porter, Bob Moore, Mary Blair, John Hench, and Paul

Wenzel. Over eight decades, the artists also fashioned annual seasonal art for merchandise and advertisements, and in support of motion pictures, television programs, and the Disney Parks and Resorts. From *All of Us to All of You: The Disney Christmas Card* features beloved characters and moments from these rarely seen and seldom-published examples of vintage Disney imagery. Gift-wrapped and sparkling in the spirit of the season, this one-of-a-kind collection of familiar, festive, fun, and feeling holiday art shines a light on a remarkable body of work and the people who created it, all while celebrating that most wonderful time of the year.

Little does he know that this simple card will have a profound impact on the lives of several individuals. The card finds its way to a cozy little village where it is purchased by the kind-hearted Miss Delia, who immediately falls in love with its beautiful design. Upon receiving the card, she decides to send it to her friend, the wealthy Mrs. Wheeler, who lives in a grand mansion in the city. When the card arrives at Mrs. Wheeler's home, it catches the eye of the lonely and reclusive Mr. Austin, a boarder in the house. Intrigued by its charm, he secretly borrows the card to admire it in solitude. As he gazes at the card, memories of happier times flood his heart, and he begins to rediscover the joy and warmth of the Christmas season. Meanwhile, back in the village, Miss Delia's brother, Donald, a struggling artist, comes across a duplicate of the Christmas card in a shop. Inspired by its beauty and meaning, he decides to create his own version of the card and sends it to his sweetheart, Rosamond. The card becomes a symbol of their love and dreams for a bright future together. As the
