The Christmas Tree Story Danny Mishek,2021-11 The Christmas Tree Story is a familiar journey in preparing for the holidays. Through busy schedules, unbreakable traditions and caloric overload, there is something calming and comforting about the Christmas Tree process. Each household embraces different approaches but all get comparable outcomes. The time shared with each other etches in memories of music, smiles, snacks and more. From buying the tree to fully decorating it. It builds upon one's impression from season to season which quickly becomes a lifetime event worth celebrating. May your tree stand as high as the snow at the North Pole. May your ornaments shine as bright as the stars in the sky. May the magic of the holiday touch you gently as a reminder that you are loved. Danny Mishek resides in Little Canada, MN (a suburb of St. Paul). He is married with four children and a curly dog - Darby. Danny enjoys golfing, gardening, beekeeping and red wine. While writing a book was never part of the plan, sharing stories and creating memories have always come naturally. From being a 3rd generation manufacturer to an author is quite the transformation for Mishek.
