Christmas Wishes Debbie Macomber,2012-06-15 CHRISTMAS LETTERS is a fine companion to a glass of eggnog.—Publishers Weekly Katherine O'Connor (known as K.O.) adores her five-year-old twin nieces—and strongly objects to her sister's plans to dispense with Christmas. Zelda is following the theories of child psychologist Wynn Jeffries, author of The Free Child (and, as it happens, K.O.'s neighbor). K.O. is particularly horrified by his edict to bury Santa under the sleigh, and she's out to prove that Wynn and his ideas are full of...snow. He's not going to ruin her nieces' Christmas! Too bad the guy's so darned attractive.... RAINY DAY KISSES is a delightful romantic comedy at Christmas—or any other time of year! Seventeen years ago Susannah Simmons was a career girl who knew nothing about babies. But after babysitting her infant niece, Michelle, Susannah learned that one determined—and screaming—baby can make the corporate world look like...child's play. Thank goodness for her charming neighbor Nate Townsend. Now he's her charming husband, and Susannah's a mother as well as an aunt. And every Christmas Eve, Michelle tells her cousins how their mom met their dad—a story in which she plays a starring role!

Emily's Christmas Wish Pam Weaver,2015-10-28 A heart-warming short story, Emily's Christmas Wish is a delightful festive read exclusive to eBook from Pam Weaver, author of Blue Moon. Emily Farrent should be looking forward to Christmas at home with her parents in London; instead she lies petrified under her bed. Ushered away from a horrendous scene at her family home, Emily is taken to a nearby children's home. Since witnessing an attack on her mother, she hasn't uttered a word, and now the other children are making her life miserable. With her father missing and her mother fighting for her life, Emily's only hope lies in the hands of a woman she's never met . . . Susan Marley faces a bleak Christmas on her own in Worthing. The families she usually spends the holiday with are all busy doing other things this year. She can share some of the joys of the season whilst looking after their children, but this only serves to exacerbate her own loneliness. Will Emily ever be reunited with her family again? Or is she, like Susan, destined to be all alone for Christmas?

Christmas Wishes John Culbertson,2018-12-06 Fourteen-year-old Katrina Brush dreams of going on a family Christmas vacation with her mom and dad to the Rocky Mountains in Colorado. Every year they plan the trip, and every year it gets canceled because they cannot afford it. This year looks to be different. Katrina knows that magic is in the air and not even a blizzard is going to prevent them from having a Christmas they will never forget. In the end, more than just Katrina's wish may end up coming true. This family-friendly short story focuses on lessons that revolve around the importance of family love, sacrifice, and acceptance and is rated G so the whole family can share in the fun.

Christmas Wishes Joseph Moore,2004-08-01 Evil Deeds is a work of fiction that seeks to present a character study that focuses on the elements of human drama and experience. This is a tale of a farmer who makes the ultimate sacrifice to save his farm and his family. The narrator of the story, the farmer's son, is portrayed as a family-oriented man who is deeply aware and appreciative of the differences that his loved ones have made in his life, particularly his father. Flashback reveals his father to be a hard working and dedicated man whose family has a history of attachment to the farm. When a wealthy landowner from Florida deploys the ruthless Mr. Turner to secure the farm for his own purposes, they begin a series of harassment techniques, with the help of the county taxman. When it becomes apparent that these men will stop at nothing to gain the farm, his father is driven to frustration and ultimately to murder. After dispatching the two antagonists, he is taken into custody and further intrigue prevents the truth from becoming known at this point. The trial is harsh and results in a heart attack for the defendant, and the family must endure the loss of their father, along with their hardship that their farm has suffered, due to the intervention of their enemies. The book seeks to underscore important observations in human nature and also the devotion that it's characters feel for one another. These citizens inhabit a world where security is earned through hard work, and the injustices served upon them draw them closer together. While the actions of their father draws scorn from some, those who have been bullied by the land grabbers stand up to applaud his actions, and the truth is finally revealed. The multifaceted characterizations that I have endeavored to create in this book form the core of the story, and the book strives to introduce the elements of commitment and loyalty that may be intrinsic to positive family relationships. The reader is sure to enjoy this family saga and it's entanglement with surprise and mystery.
