Golden Earrings Belinda Alexandra,2015-08-18 For fans of Colleen McCullough, Kate Morton, and Lucinda Riley, a powerful saga of family, love, honor, and betrayal set in historical Barcelona and romantic Paris, from the author of Tuscan Rose. “You who judge me: come! Let me tell you a story...” Paloma Batton is the granddaughter of Spanish refugees who fled Barcelona after the Civil War. A disciplined student attending the school of the Paris Opera Ballet, Paloma lets little get in the way of her career until she receives a mysterious pair of golden earrings. She begins exploring her Spanish heritage and becomes fascinated by la Rusa, a woman who rose from poverty to become one of the great flamenco dancers of modern times before committing suicide. As Paloma begins to unravel the secrets of the past, she discovers more than one person who had good reason for wanting la Rusa dead—including Paloma’s own grandmother. Written with the same depth and emotion as Belinda Alexandra’s “rich, unforgettable saga” (Kimberly Freeman, author of Wildflower Hill) Tuscan Rose, Golden Earrings moves between two of the great cities of Europe: Barcelona in the lead-up to the Civil War and Paris in the 1970s. It is the story of two women and the extremes to which they are willing to go for love. And above all, it is a story of great passions—and great betrayals—where nothing is quite as it seems.

Curated Stories Sujatha Fernandes,2017-08-10 Storytelling has proliferated today, from TED Talks and Humans of New York to a plethora of story-coaching agencies and consultants. Heartbreaking accounts of poverty, mistreatment, and struggle may move us deeply. But what do they move us to do? And what are the stakes in the crafting and use of storytelling? In Curated Stories, Sujatha Fernandes considers the rise of storytelling alongside the broader shift to neoliberal, free-market economies. She argues that stories have been reconfigured to promote entrepreneurial self-making and restructured as easily digestible soundbites mobilized toward utilitarian ends. Fernandes roams the globe and returns with stories from the Afghan Women's Writing Project, the domestic workers movement and the undocumented student Dreamer movement in the United States, and the Misión Cultura project in Venezuela. She shows how the conditions under which certain stories are told, the tropes through which they are narrated, and the ways in which they are responded to may actually disguise the deeper contexts of global inequality. Curated stories shift the focus away from structural problems and defuse the confrontational politics of social movements. Not just a critical examination of the contemporary use of narrative and its wider impact on our collective understanding of pressing social issues, Curated Stories also explores how storytelling might be reclaimed to allow for the complexity of experience to be expressed in pursuit of transformative social change.

The History of Southern Women's Literature Carolyn Perry,Mary Weak-Baxter,2002-03-01 Many of America’s foremost, and most beloved, authors are also southern and female: Mary Chesnut, Kate Chopin, Ellen Glasgow, Zora Neale Hurston, Eudora Welty, Harper Lee, Maya Angelou, Anne Tyler, Alice Walker, and Lee Smith, to name several. Designating a writer as “southern” if her work reflects the region’s grip on her life, Carolyn Perry and Mary Louise Weak have produced an invaluable guide to the richly diverse and enduring tradition of southern women’s literature. Their comprehensive history—the first of its kind in a relatively young field—extends from the pioneer woman to the career woman, embracing black and white, poor and privileged, urban and Appalachian perspectives and experiences. The History of Southern Women’s Literature allows readers both to explore individual authors and to follow the developing arc of various genres across time. Conduct books and slave narratives; Civil War diaries and letters; the antebellum, postbellum, and modern novel; autobiography and memoirs; poetry; magazine and newspaper writing—these and more receive close attention. Over seventy contributors are represented here, and their essays discuss a wealth of women’s issues from four centuries: race, urbanization, and feminism; the myth of southern womanhood; preset images and assigned social roles—from the belle to the mammy—and real life behind the facade of meeting others’ expectations; poverty and the labor movement; responses to Uncle Tom’s Cabin and the influence of Gone with the Wind. The history of southern women’s literature tells, ultimately, the story of the search for freedom within an “insidious tradition,” to quote Ellen Glasgow. This teeming volume validates the deep contributions and pleasures of an impressive body of writing and marks a major achievement in women’s and literary studies.

Mathematizing Children's Literature Allison Hintz,Antony T. Smith,2023-10-10 Many teachers use traditional counting and shape books in math class. Sevyns Life: A Story About The First Black Billionaire Transgender Woman MarthaK Sayz,Ka'milla Harris,2024-04-06 This story provides an intriguing glimpse into the life of its protagonist, Sevyn, from her humble beginnings growing up in the Cabrini Green housing projects of Chicago all the way to her current status as a billionaire transgender businesswoman living in an opulent mansion in Dubai. The narrative seamlessly jumps between the present and flashes back to Sevyn's childhood, painting a picture of how she has risen from nothing to achieve immense success against all odds. From the very first chapter, the author establishes Sevyn as a strong, driven woman who hasn't let her past hold her back. We find her waking up beside her loving husband Rich in their sprawling Dubai estate, but even amid this life of luxury, the scent of coffee and bacon takes her back to memories of her grandmother's kitchen in Cabrini Green. These glimpses into Sevyn's childhood highlight the grit and resilience she developed early on, traits that would serve her well on her journey. Despite everything she endured growing up in such an impoverished environment, she has never stopped believing in herself or her ability to make her dreams a reality. After reconnecting with memories of her family and upbringing over breakfast, Sevyn begins to open up to Rich about her history, hinting at secrets from her past that will alter their understanding of who she is. This sets the stage for what is sure to be a revealing tale of Sevyn's journey of self-discovery and empowerment. I'm eager to learn more about the obstacles she had to overcome to reach her current position of wealth and influence. Her determination to keep striving despite facing adversity serves as an inspiration. That night, Sevyn has another taping of her show "SS Diaries," though she neglects practicing her monologue as ghosts from her past resurface. Through the description of her silhouette dancing in the mirror fragments cast by the chandelier, the author builds an evocative sense of the inner turmoil Sevyn feels as her demons emerge. But she is able to channel her memories of poverty and homelessness into finding her voice, and delivers a passionate speech touching on themes of perseverance that resonates with her massive global audience. After filming, Sevyn and Rich retreat to the secret cellar chamber of their mansion, where in addition to cannabis and music, they keep priceless works of art, family portraits, and evidence of their philanthropic ambitions. Sevyn's successful career has clearly provided rich material comforts, but her history still haunts her as she gazes at photos reminding her of harsher times. Rich remains devotedly by her side, supporting her through the resurfacing of painful recollections. Their loving relationship, established family, and hopes for the future offer rays of light amid the shadows of Sevyn's past that continue emerging. I'm left wanting to know more about the specific hardships she faced and how she was finally able to overcome them. Her journey seems sure to inspire with its message of empowerment and achieving the impossible through grit, resilience and an unbreakable spirit. The author provides vivid sensory details that transport the reader directly into Sevyn's lavish yet conflicted world. From the scents and sounds that transport her back to her childhood, to the reflection of her quivering form in the mirrors as trauma resurfaces, one can feel the visceral experience of Sevyn's memories and emotions. The interweaving of flashbacks with the present day also builds engaging dramatic tension, making me eager to watch as more of Sevyn's history is revealed piece by piece. Both Sevyn and Rich come across as complex, multilayered characters, and I appreciate the glimpses into Rich's background and support of Sevyn that help balance the focus on her experiences. Their caring partnership serves as a strong foundation that clearly played a role in helping Sevyn achieve all she has. Her determination to keep growing in her philanthropy work despite struggles with her past shows an evolved character who wants to use her platform to help others facing similar adversity. In summary, this novel introduction draws the reader deeply into Sevyn's intriguing world through vivid sensory storytelling and bits of mystery surrounding her past. Both the present-day scenes of luxury and the historical flashes back to harder times feel richly realized. Sevyn emerges as a compelling protagonist whose journey of perseverance through challenge upon challenge promises to hold inspiration. I look forward to seeing how the author continues to peel back the layers on Sevyn's history while advancing the engaging plotlines of her marriage, career, and philanthropic ambitions. This shows great promise as a story of empowerment and overcoming the odds through grit and resilience.

All Made Up Rae Nudson,2021-07-13 A fascinating journey through history and culture, examining how makeup affects self-empowerment, how people have used it to define (and defy) their roles in society, and why we all need to care There is a history and a cultural significance that comes with wearing cat-eye-inspired liner or a bold red lip, one that many women feel to this day, even if we don't realize exactly why. Increasingly, people of all genders are wrestling with what it means to be a woman living in a patriarchy, and part of that is how looking like a woman—whatever that means—affects people's real lives. Through the stories of famous women like Cleopatra, Empress Wu, Madam C. J. Walker, Elizabeth Taylor, and Marsha P. Johnson, Rae Nudson unpacks makeup's cultural impact—including how it can be used to shape a personal or cultural narrative, how often beauty standards align with whiteness, how and when it can be used for safety, and its function in the workplace, to name a few examples. Every woman has had to make a very personal choice about her relationship with makeup, and consciously or unconsciously, every woman knows that the choice is never entirely hers to make. This book also holds space for complicating factors, especially the ways that beauty standards differ across race, class, and culture. Engaging and informative, All Made Up will expand the discussion around what it means to participate in creating your own self-image.

Soccer Stories Donn Risolo,2010-01-01 Arguably the world's most popular sport, soccer has its own colorful lore, still little known in a nation only now beginning to give the game its due. This book offers the perfect opportunity to catch up on soccer's rich history and to discover some of the funniest, most ironic, outlandish, and tragic stories ever to come out of the world of sports. Taking readers as far afield as the Faeroe Islands, Thailand, Madagascar, Belarus, Bhutan, and the North Pole, the selections in Soccer Stories range from the strange (Brazilian players paid in cattle by their cash-strapped club) to the wild (the Mexican prison warden who threw open all the cell doors in celebration of a World Cup victory) to the comical (the referee who ejected himself). Here is the plane crash that wiped out the Italian team on the eve of its fifth straight national championship; the spiteful African club that scored 149 goals against itself in one game; and the youngster who banked a shot into the goal off a passing seagull. As lively as it is informative, Soccer Stories will engage fans of all levels.

Last Stories and Other Stories William T. Vollmann,2015-07-21 Supernaturally tinged stories from William T. Vollmann, author of the National Book Award winner Europe Central Watch for Vollmann's new work of nonfiction, No Immediate Danger, coming in April of 2018 In this magnificent new work of fiction, his first in nine years, celebrated author William T. Vollmann offers a collection of ghost stories linked by themes of love, death, and the erotic. A Bohemian farmer's dead wife returns to him, and their love endures, but at a gruesome price. A geisha prolongs her life by turning into a cherry tree. A journalist, haunted by the half-forgotten killing of a Bosnian couple, watches their story, and his own wartime tragedy, slip away from him. A dying American romances the ghost of his high school sweetheart while a homeless salaryman in Tokyo animates paper cutouts of ancient heroes. Are ghosts memories, fantasies, or monsters? Is there life in death? Vollmann has always operated in the shadowy borderland between categories, and these eerie tales, however far-flung their settings, all focus on the attempts of the living to avoid, control, or even seduce death. Vollmann's stories will transport readers to a fantastical world where love and lust make anything possible.
