Welding with Children Tim Gautreaux,2009-01-06 A master storyteller's triumphant, moving collection about lost souls, found love, and rediscovered tradition Tim Gautreaux returns to the form that won him his first fans, with tales of family, sin, and redemption: from a man who realizes his grandchildren are growing up without any sense of right or wrong, and he's to blame; to a camera repairman who uncovers a young woman's secret in the undeveloped film she brings him; to a one-armed hitch-hiker who changes the life of the man who gives her a ride. Each one a small miracle of storytelling and compassion, these stories in *Welding with Children* are a joyous confirmation of Tim Gautreaux's rare and generous talent.

Kanahena Susan L Roth,2012-10-01 A Cherokee woman recounts to the young girl beside her the legend of the tricky Terrapin, who gets into a great deal of trouble with Bad Wolf and the Other Wolves over a little Kanahena, a cornmeal dish, and must use his wits to save himself.

Coyote in Love Mindy Dwyer,2014-05-01 In many Native American stories of creation, Coyote proudly takes his place as the ultimate trickster, the mischievous hero whose lessons may even include painful lessons for the unwary. Mindy Dwyer's retelling of a Northwest coyote legend allows readers young and old to meet that same colorful and wily creature, but this time made vulnerable himself by love. *Coyote in Love* is a tale of love and the way things came to be. Children will be entranced as they hear of the antics of Coyote as he sings to the heavens in pursuit of the love of a star. They'll also learn from the Old Ones how a lake with never-ending depth and the bluest waters of Oregon's Crater Lake was formed by a flood of tears from heartbroken Coyote. This appealing legend is matched by the bright, whimsical watercolor images of Coyote.

The Reluctant Hero Adam Alexander Haviaras,2021-10-28 Long ago, when gods and heroes walked the earth in triumph and tragedy, true love and epic deeds were set among the stars... In the city of ancient Corinth, Bellerophon grew up in the corridors of the palace, haunted by his father's gruesome death, and distrusted and ignored by the rest of his own family. He now spends his life in the shadows of society, and that is how he prefers it. However, the Gods of Olympus have something more in mind for him. After a violent incident in the mountains, Bellerophon is banished from his home

for all time. His path leads him to the court of an aged king in Tiryns where he is welcomed at first, but due to the spiteful queen, he is wrongly accused of another crime in a world that seems endlessly cruel. Dejected and uncaring of what happens to him and his hateful life, Bellerophon is sent across the sea to the court of King Iobates of Lykia. At the urging of his seer, the king welcomes Bellerophon as an honoured guest in his home, until he discovers the reason for his arrival. Seeking a way to be rid of Bellerophon, without violating the sacred laws of Zeus, King Iobates commands that he complete three impossible tasks to prove his innocence or bring about his death. With the world set against him, Bellerophon welcomes his imminent end. That is, until he meets the king's daughter, Philonoe, the only person who has ever believed in him, and whose father has kept a dark secret from for many years. With the Gods and Lykia's princess on his side, can Bellerophon prove his innocence and help save Lykia and its people? Will he finally accept the fate that the Gods have pressed upon him? Or will he succumb to the despair and hopelessness that have dogged him all of his life? Only by facing his deepest fears and a creature more terrible than any other of the Gods' creation can Bellerophon truly succeed and become the hero he is meant to be... The Reluctant Hero is an epic retelling of the story of Bellerophon and the Chimera from Greek mythology. It is the fourth book in the Mythologia fantasy series by best-selling and award-winning author and historian, Adam Alexander Haviaras. If you enjoy books by Madeline Miller, Stephen Fry, Natalie Haynes or Jennifer Saint then you will love the Mythologia series.
