Galveston Sean Stewart,2017-10-18 After magic and monsters re-enter the world, the island of Galveston splits into two sides: the normal half, and Carnival, an endless Mardi Gras where miracles abound. Terrific fun. — Publishers Weekly.

Mongolian English Dictionary Charles Bawden,2013-10-28 First Published in 1997. The quickest way to understand another culture is through its language. This is because language is a living thing, an everchanging system of words and meanings that mirrors the society that it describes and defines. The dictionary contains rather more than twenty-six thousand main entries and an uncounted number of subsidiary entries for the Mongolian language.

Mi Karnival of Papier-Mâché Kenny Attaway,2022-12-21 Mi Karnival of Papier-mâché is an honest, intelligent and unapologetic memoir chronicling the life and times of Miyor Paul Toussaint who throughout his conquest to become great never gives up hopes of not only become a fashion designer, but a better being along the journey. The-mâché novel follows the life and times of the starving

artist/fashion designer from his struggling in not so humble beginning in Haiti and finishing out the conquest in the great city of Paris, France. Aside from his journey out of Haiti into Paris to fulfil a lifelong dream, he must make peace with decisions and information unearthed and move his world towards change-including how to be a better friend The novel addresses the difficulties of becoming a welcomed black fashion designer, his on/off battles with various addictions (sex, drugs, and alcohol), but the world's sometimes ugly reflections with inspiring and make changes along the way. Papier-mâché also explores the island of Haiti's ongoing problems with being accepted by the rest of the world-as does Miyor. Astonishingly, regardless of the struggles and pains Miyor triumphs on and through the bright lights of Paris and beyond to become all there is to be- his way while on the road to the riches, ending with presenting to you with a ticket to his Karnival of mâché. a little messy, but presentable.

The Gathering Dark Christopher Golden,2018-06-21 The Gospel of Shadows enabled the Catholic

Church to control all manner of supernatural beings for centuries. When the book was destroyed – and the ruling body of the Church with it – it enabled the Shadows, the vampires of legend, to learn the hidden truth of their triple nature: part human, part demonic, part divine. But it also weakened the barriers that exist between the worlds, and now beings of pure evil are breaking through – creatures from other dimensions for which Hell is just a name. Peter Octavian, once a powerful Shadow, now restored to humanity, is the only man with sufficient knowledge to stop them. Aided by a earthwitch, a vampire and a priest, and calling on the magical forces of mother nature herself, Octavian stands between the Earth and apocalypse, as entire cities are plunged into the abyss.

The Change Room Karen Connelly, 2017-04-11 Happily married, great career, mother of two. What more could a woman possibly want? Enter *The Change Room*, by award-winning writer Karen Connelly, and find out. Eliza Keenan is the mother of two young sons, the owner of a flower studio that caters to the city's elite, and the loving wife of a deliciously rumpled math professor named Andrew. She's on the move from dawn until her boys are in bed, and after they're asleep she cleans her house. Her one complaint about her life is that the only time she has for herself is her twice-weekly swim in the local community centre pool, where sunlight shines in through a tall window and lights up the water in a way that reminds her of the year she spent as a footloose youth on an island in Greece. Then one morning into this life that is full of satisfactions of all kinds except sexual (because who has the time or the energy once the kids are asleep?) comes a tall, dark and lovely stranger, a young woman Eliza encounters at the pool and nicknames 'the Amazon.' The sight of this woman, naked in the change room, completely undoes Eliza, and soon the two of them are entangled in an affair that breaks all the rules, and threatens to capsize not only Eliza and her happy family, but her lover's

world, too. And yet the sex is so all-encompassing, so intimate, so true...how can it be bad? Be ready to be shaken up, woken up, scandalized and deeply stirred.
