Clowns John H. Towsen, 1976 The clown was not invented by a single individual, nor is he exclusively a product of Western civilisation. Instead he has been perpetually rediscovered by society because - as fool, jester, and trickster - he meets compelling human needs. -- pg. 4.

101 Amazing Facts about Clowns Jack Goldstein, 2017-05-30 From ancient Egypt to the modern-day circus, the role of the clown can be traced throughout history. This fascinating book takes the reader on a journey through the ages, explaining how clowns such as the whiteface and auguste came to be. You'll read about history's best-loved performers such as Joseph Grimaldi, the father of modern clowning, and learn about the origin of terms used today such as the 'clown alley'. If you want to know

why blue make-up is supposed to bring bad luck, and who the literary world's first ever killer clown was, then this is the book for you.

The Clown Egg Register Luke Stephenson, Helen Champion, 2018-03-20 Step right up for the Greatest Book on Earth! For more than 70 years, Clowns International—the oldest established clowning organization—has been painting the faces of its members on eggs. Each one is a record of a clown's unique identity, preserving the unwritten rule that no clown should copy another's look. This mesmerizing volume collects more than 150 of these portraits, from 1946 to the modern day, accompanied by short personal histories of many of the clowns. Here are Tricky Nicky, Taffy, Bobo, Sammy Sunshine, the legendary Emmett Kelly, and Jolly Jack, clowning since 1977 and still performing today with a penguin puppet named Biscuit. A treasure just like the eggs it enshrines, *The Clown Egg Register* is an extraordinary archive of images and lives of the men and women behind the make-up.

Emmett Kelly Donald McManus,2014-07-01 In the early 1900s, the circus was one of the most popular forms of entertainment in America, and one of the most popular circus acts was the clown. White-faced clowns in bright costumes made adults and children laugh with their silly antics. When the Great Depression caused many Americans to lose their jobs, Emmett Kelly decided to be a different type of clown—a sad-faced clown who reminded people of their struggles, but still made them laugh. His clown character, Weary Willie, inspired people to keep going during hard times. Because his clown character made people laugh and helped them with their troubles, Emmett Kelly became the most famous clown in the world.

Clown ,2013

The Many Lives of Scary Clowns Ron Riecki,2022-05-16 The frightening yet comic clown is one of the best and most enduring characters in literature, theater, television, and film. Across the centuries, from Shakespeare's Porter in Macbeth to Edgar Allan Poe's Hop-Frog, or Stephen King's Pennywise, horror and comedy have blended to create the perfect recipe for entertainment. This volume gives an in-depth analysis of the clown horror genre, including essays by revered horror scholars such as Kevin Wetmore, Dale Bailey, Kim Hester Williams, Jennifer K. Cox, and Joanna Parypinski. Their essays cover topics such as nostalgia, race, class, and new portrayals of the scary clown as zombies or phantoms. It also offers interviews with actors and directors working in the clown horror genre: Eoghan McQuinn (Stitches), Kevin Kangas (Fear of Clowns), and Jaysen Buterin (Kill Giggles). Some of fiction's most terrifying creations--like the Killer Klowns, Captain Spaulding, Art the Clown, Krusty,

Frowny, the Joker, and Twisty--jig through these pages of analysis and deconstruction, asking what these many iterations of scary clowns have to say about our society and its fears.

The Creeping Clown Jessica Gunderson, 2018-08 Josh is terrified of clowns, and the news that someone dressed as a clown in a neighboring town has been kidnapping children does not help, especially after the kidnapper escapes custody; so when he encounters a threatening clown at the House of Horrors at the amusement park he panics--but will he be able to save himself, much less rescue a little girl who is lost in the hall of mirrors?

The Art of Clowning E., Eli Simon, 2012-04-23 The Art of Clowning is the first book on clowning technique and offers a step-by-step process for actors and other theatrical enthusiasts to discover their inner clown. This fun and accessible guide expands on theories and exercises to help students and beginners develop solo and group performances. Now with even more ways to find your inner clown!

Clown Kristen Dabrowski, 2006 Love. It's a beautiful, magical thing. Unless you're a clown. Pippa is a big shoe-wearing, polka-dot loving clown looking for love. But how can you be sexy wearing a red

nose?

Jingle the Christmas Clown Tomie dePaola, 2021-10-05 Staying behind when their circus moves on, a young clown and a troupe of baby animals put on a special Christmas Eve show for an Italian village too poor to celebrate the holiday.

Mr. Grump and the Clown Brian Way, 2012-03-29 Brian Way 2m / 2f / 50 minutes / maximum audience, 200 With the help of costumes from a magic box, the cast become characters in the story of the clown who lost his laugh, his amazing adventures in recovering it, and the eventual return of laughter and gaiety to Grump Castle, which has been a miserable place ever since Mr. Grump also lost his laugh.

Clown Fatale Victor Gischler, 2014-07 They abandon their dilapidated travelling circus to try and make their fortune. But they quickly find out that to prove themselves in the world of big-contract killers, they must co-operate or face the consequences - not something they are always prepared to do. **Clown Fatale** is escapist fun at its absolute finest, filled with high-octane action sequences, daring disguises and buckets of face-paint. Gischler's creation is seedy, violent and unforgiving, but never fails to be stylish and colourful.
