Ed the Happy Clown Chester Brown,2021-04-22 A long-out-of-print classic by a master of underground comics In the late 1980s, the idiosyncratic Chester Brown (author of the much-lauded Paying For It and Louis Riel) began writing the cult classic comic book series Yummy Fur. Within its pages, he serialized the groundbreaking Ed the Happy Clown, revealing a macabre universe of parallel dimensions. Thanks to its wholly original yet disturbing story lines, Ed set the stage for Chester Brown to become a world-renowned cartoonist. Ed the Happy Clown is a hallucinatory tale that functions simultaneously as a dark roller-coaster ride of criminal activity and a scathing condemnation of religious and political charlatanism. As the world around him devolves into madness, the eponymous Ed escapes variously from a jealous boyfriend, sewer monsters, the Royal Canadian Mounted Police, and a janitor with a Jesus complex. Brown leaves us wondering, with every twist of the plot, just how Ed will get out of this scrape. The intimate, tangled world of Ed the Happy Clown is definitively presented here, repackaged with a new foreword by the author and an extensive notes section, and, as with every Brown book, astonishingly perceptive about the zeitgeist of its time.

Tall Tales of A Short Clown Barry Lubin,2015-03-09 Tall Tales of a Short Clown is the story of Barry Lubin, whose alter ego, Grandma, became one of the most successful clowns in American history, and was named The World's Funniest Grandma in Germany. Barry has entertained well over a hundred million people in circus rings, stadiums, arenas, on stage, in festivals, in films, and on television as the funny little carpetbagger with a mischievous view of the world. Barry is undoubtedly the only person to have achieved the combination of performing a running headstand onto a whoopee cushion on stage at Carnegie Hall, eating well over 10,000 bagels, and managing to piss off Ringo Starr, Meryl Streep, Gene Kelly, and Bruce Springstein as well as being inducted into the International Clown Hall of Fame. Tall Tales of a Short Clown follows Barry's journey from Emerson College dropout to Clown College graduate, from his early failures on the Greatest Show on Earth to his induction into the Ring of Fame, the highest honor in clowning and in circus. He reveals his struggles with drug abuse and alcoholism and his journey into sobriety, his bout with thyroid cancer and his triumphant return to the ring, and his love affair with audiences on six continents over five decades, to earn his place as one of the most beloved clowns in history.

Clown Eater Stories From the Attic,2020-10-20 Some people are scared of clowns. It's a real phobia. I read once that it's something about their smiles, the painted grins are just a little too wide and whatever it is in our

heads that recognizes faces, gets twitchy. It isn't wired to see a smile, or a mouth that wide, without instantly thinking of teeth, seeing the threat of a mouth that wide as something with the potential to bite, or even to consume. Of course, that's ridiculous. Most of the time. I'm not scared of clowns. I've worked with enough of them, metaphorically at least, to have developed an immunity. The only literal clown I ever worked with wasn't frightening either, but the thing that scared him, the thing that clowns are scared of, well, that I am scared of too. It's the reason I no longer do what I did and why my hair stands on end at the tinkling sound of bells. Of course, there had always been strange ones. Over her many years Jackie Garner has exemplified everything a clown can aspire to be. She has been relentlessly hilarious in performance. She has been incredibly giving and sharing to other performers whom she has inevitably inspired. She has touched the hearts of so many people in medical and social hardship. Now she is sharing her stories in book form. It may have a ‘price’ on the outside but the inside (like Jackie herself) is invaluable! —David Bartlett (Mr. Rainbow the Clown), an award-winning clown, author, stage producer, and performer For decades, Jackie has shared love and laughs that encourage the heart. I’ve seen this happen with large crowds and with single individuals and I’ve experienced it myself. She is a rich example of one who ‘clowns from the heart.’ This is her calling. This is her life. And this is her gift... and we are all better because of her. —Randy Christensen, a master clown, past president of World Clown Association, instructor at clown training camps around the world, and children’s church pastor 1

City of Clowns Daniel Alarcón,2015-11-03 A gorgeously rendered graphic novel of Daniel Alarcón’s story *City of Clowns*. From the author of *The King Is Always Above the People*, which was longlisted for the 2017 National Book Award for Fiction. Oscar “Chino” Uribe is a young Peruvian journalist for a local tabloid paper. After the recent death of his philandering father, he must confront the idea of his father’s other family, and how much of his own identity has been shaped by his father’s murky morals. At the same time, he begins to chronicle the life of street clowns, sad characters who populate the violent and corrupt city streets of Lima, and is drawn into their haunting, fantastical world. This remarkably affecting story by Daniel Alarcón was included in his acclaimed first book, *War by Candlelight*, and now, in collaboration with artist Sheila Alvarado, it takes on a new, thrilling form. This graphic novel, with its short punches of action and images, its stark contrasts between light and dark, truth and fiction, perfectly corresponds to the tone of Chino’s story. With the city of Lima as a character, and the bold visual language from the story, *City of Clowns* is moving, menacing, and brilliantly vivid.
