*Blood Spilled for Freedom* GAR OLSON, 2014-02-05 Governments around the world were realizing the disproportionate advantages Great Britain were taking by imposing trade restriction on the American colonies. These restrictions

were also affecting their economies in a negative way. British have made it known they want a piece of us. Our defiance of their demands to pay portions of our profit to them had the British Royal Navy looking for us. We will be at war with England in the near future but not until our spineless Congress arms a Navy, as per the Constitution we adopted, to be governed by and following the language of the Constitution. Captain Thomas Williams was exercising his Economic independence but other than his efforts, free trade did not exist in the United States. Captain Williams did not recognize Great Britain as having any rights of legislation over America. America cannot be just a service economy with an expanding government subservient to the British. We need to allow the development of new small businesses that can succeed and employ those who need to work. We can only achieve this by removing all the mountains of British rules and regulations that have been killing entrepreneurs off. Government must allow the economy to grow; not create more Socialism. I want to put a stop to this American. What is his name and what is his vessel? Sir, the name of the American vessel is Tossea and the name of the ship's captain is Thomas Williams. Blood Spilled for Freedom by Gar Olson Historical Fiction: The factious story of Captain Thomas Williams (1776-1815) is fun, informative, emotional, and adventurous.

**Las noches que te debo** Emily Delevigne, 2023-10-23 Me llamo Rain Sheridan y he tenido que tragarme mi orgullo y regresar a Nantucket, mi hogar, después de diez años sin pisar la isla. Me hice la promesa de no volver tras la muerte de mi padre, pero la salud de mi madre ha empeorado y sé que mi hermana no puede encargarse de todo. Sin embargo, nada me había preparado para que en mi primera noche en la isla me encontrase con Zack Levine, un empresario alto y de ojos azules con el que he terminado pasando una ardiente noche de pasión. A pesar de que ambos deseamos más, me he intentado hacer a la idea de que esto ha sido solo una aventura. Pero ahora no puedo dejar de pensar en él... Me llamo Zack Levine y soy uno de los empresarios más ricos de Nantucket. Soy dueño de varios restaurantes y del mejor hotel de la isla. Las mujeres han dejado de ser importantes en mi vida y solo me centro en mi trabajo. O eso pensaba hasta que hace nada coincidí con Rain Sheridan. Sabía que había estado fuera más de diez años y que no debía liarme con ella, pero la química sexual que hay entre nosotros fue incontenible e hizo que pasáramos una noche mágica juntos. Nos dijimos que sería eso, una noche y nada más, pero yo siempre consigo todo lo que quiero, y ahora la quiero a ella.

**Trinidad de Sangre** Iana Matei, 2014-03-01 El infierno del tráfico sexual y las mafias de prostitución, una nueva forma de esclavitud. Los países de la Europa del Este son los principales proveedores de chicas de la Unión europea. Se calcula que unas 300.000 jóvenes trabajan como prostitutas. La mayoría han sido vendidas por mafias de

tráfico sexual. Todo esto sucede ante nuestros ojos, en nuestras calles, bares, aparcamientos, carreteras... Oficialmente, autoridades, jueces y políticos están en contra de esta deplorable situación. Sin embargo, la realidad nos dice que pocos son los traficantes sexuales que han sido condenados. Iana Matei, rumana, empieza a colaborar como psicóloga para una ONG que se ocupa de menores en situaciones de precariedad. Un día, la policía le entrega a dos adolescentes que vienen del mundo de la prostitución forzada y así empieza a especializarse en el tráfico sexual hasta crear su propio centro de acogida y apoyo a las víctimas. A lo largo de la narración descubre y denuncia la violencia, la venta de personas, y diferencia entre la prostitución voluntaria y el tráfico sexual. Analiza las redes mafiosas que trafican con mujeres desde Rumanía hacia toda Europa: Italia, España, Alemania, Holanda... con el beneplácito (vista gorda) de las instituciones policiales y políticas. Refleja estadísticas en las que se cita a España como primer país de desarrollo de la esclavitud sexual (referencia explícita a la Casa de Campo de Madrid). Su objetivo no es sólo ayudar a los cientos de mujeres que pasan por su casa refugio, sino perseguir y denunciar a los cabecillas de las mafias, puesto que es la única posibilidad de erradicar esta plaga que se extiende como el aceite.

**Puerto Rico** Jorell Meléndez-Badillo,2024-04-02 A panoramic history of Puerto Rico from pre-Columbian times to today Puerto Rico is a Spanish-speaking territory of the United States with a history shaped by conquest and resistance. For centuries, Puerto Ricans have crafted and negotiated complex ideas about nationhood. Jorell Meléndez-Badillo provides a new history of Puerto Rico that gives voice to the archipelago's people while offering a lens through which to understand the political, economic, and social challenges confronting them today. In this masterful work of scholarship, Meléndez-Badillo sheds light on the vibrant cultures of the archipelago in the centuries before the arrival of Columbus and captures the full sweep of Puerto Rico's turbulent history in the centuries that followed, from the first indigenous insurrection against colonial rule in 1511—led by the powerful chieftain Agüeybaná II—to the establishment of the Commonwealth in 1952. He deftly portrays the contemporary period and the intertwined though unequal histories of the archipelago and the continental United States. Puerto Rico is an engaging, sometimes personal, and consistently surprising history of colonialism, revolt, and the creation of a national identity, offering new perspectives not only on Puerto Rico and the Caribbean but on the United States and the Atlantic world more broadly.
