A Colorful Life Melissa Storm,2015-05-01 A handsome stranger. A whirlwind trip to India. A life forever changed. For Daly English, life is a series of one disappointment after another. Rather than dealing with the fallout, she locks herself in her studio and works tirelessly toward completing her art school portfolio. Unfortunately, fate isn't done with Daly quite yet. Time and time again, a handsome stranger refuses to be ignored, forcing her to come to grips with the loss she's been harboring for years and to trust herself to love again. Their whirlwind romance transports her from the drab Midwest straight to the bold and colorful capital city of India where a slew of quirky characters cast a stark contrast to her world at home. Will Daly continue to fade into the background of her own life, or will her journey transform her into exactly who she needs to be? A Colorful Life: Drawn in Broken Crayon weaves a tale of friendship, ambition, and adventure while illustrating that sometimes what we want least is what we need most.

Artists flock here, not just for wealth and fame, but for revolutionary color. Yet artist Giorgione “Zorzo” Barbarelli’s career hangs in the balance. Competition is fierce, and his debts are piling up. When Zorzo hears a rumor of a mysterious new pigment, brought to Venice by the richest man in Europe, he sets out to acquire the color and secure his name in history. Winning a commission to paint a portrait of the man’s wife, Sybille, Zorzo thinks he has found a way into the merchant’s favor. Instead he finds himself caught up in a conspiracy that stretches across Europe and a marriage coming apart inside one of the floating city’s most illustrious palazzi. As the water levels rise and the plague creeps ever closer, an increasingly desperate Zorzo isn’t sure whom he can trust. Will Sybille prove to be the key to Zorzo’s success or the reason for his downfall? Is This America? Ron Eyerman,2015-09-01 From police on the street, to the mayor of New Orleans and FEMA administrators, government officials monumentally failed to protect the most vulnerable residents of New Orleans and the Gulf Coast during the Katrina disaster. This violation of the social contract undermined the foundational narratives and myths of the American nation and spawned a profound, often contentious public debate over the meaning of Katrina’s devastation. A wide range of voices and images attempted to clarify what happened, name those responsible, identify the victims, and decide what should be done. This debate took place in forums ranging from mass media and the political arena to the arts and popular culture, as various narratives emerged and competed to tell the story of Katrina. Is This America? explores how Katrina has been constructed as a cultural trauma in print media, the arts and popular culture, and television coverage. Using stories told by the New York Times, New Orleans Times-Picayune, Time, Newsweek, NBC, and CNN, as well as the works of artists, writers, musicians, filmmakers, and graphic designers, Ron Eyerman analyzes how these narratives publicly articulated collective pain and loss. He demonstrates that, by exposing a foundational racial cleavage in American society, these expressions of cultural trauma turned individual experiences of suffering during Katrina into a national debate about the failure of the white majority in the United States to care about the black minority.

The Apple Orchard Susan Wiggs,2014-05-01 #1 New York Times bestselling author Susan Wiggs brings readers into the lush abundance of Sonoma County, in a story of sisters, friendship and the invisible bonds of history that are woven like a spell around us. Tess Delaney makes a living returning stolen treasures to their rightful owners. She loves illuminating history, filling the spaces in people's hearts with stories of their family legacies. But Tess's own history is filled with gaps: a father she never met, and a mother who spent more time traveling than with her daughter. Then Dominic Rossi arrives on the doorstep of the San Francisco shop Tess hopes to buy, and he tells her that the grandfather she never knew is in a coma. Tess has been named in his will to inherit half of Bella Vista, a hundred-acre apple orchard in the magical Sonoma town called Archangel. The rest is willed to Isabel Johansen. A half sister she hadn't heard of. Isabel is everything Tess isn't: all softness to Tess's hard angles, warm and nurturing where Tess is tightly wound. But against the rich landscape of Bella Vista, with Isabel and Dominic by her side, Tess begins to discover a world filled with the simple pleasures of food and family, of the warm earth beneath her bare feet. A world where family comes first and the roots of history run deep. Wiggs tells a layered, powerful story of love, loss, hope and redemption. — Kirkus, starred review
