Fashion 101 Erika Stalder,2008-05-01 Each year, we spend hours shopping and getting dressed, but do we ever think about what we're wearing? What's the name of the style of your shirt? Who invented your favorite jeans cut? Who made your baby-doll nightie famous? There is a story behind every piece of clothing and with Fashion 101 you'll learn those stories and more: Where did the miniskirt come from? Why has the military had a stronger influence on fashion than Audrey Hepburn? How do denim makers work those perfect whiskers into your worn-out jeans? Filled with tons of intriguing factoids about designers and celebrities, and more than 300 illustrations, Fashion 101 offers the total scoop on underwear, outerwear, accessories, and everything in between. With this crash course, you'll learn not only how to put together smarter looks, but also how to become a fashion expert in the process.

Encyclopedia of American Short Films, 1926-1959 Graham Webb,2020-07-13 Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

Decolonizing Psychology Sunil Bhatia,2018 In *Decolonizing Psychology: Globalization, Social Justice, and Indian Youth Identities*, Sunil Bhatia explores how the cultural dynamics of neo-liberal globalization shape urban Indian youth identities and, in particular, he articulates how Euro-American psychological science continues to prevent narratives of self and identity in non-Western nations from entering the broader conversation.

Dirty Colors Larissa Stawicki,2022-11-03 Who knows where the journey will lead before the first step is dared? With the attempt to break out of everyday life and throw ourselves into a world that is unknown to us, we started to America. We took our first steps on the Pacific Crest Trail and were drawn into a world that surpassed any idea of adventure. We discovered a world and with it ourselves. Stepped out of the comfort zone and into the unknown. Put aside expectations to face adventure head on. Walked, discovered the world around us and lost ourselves in it. Have found us, each other and life. Were allowed to experience what survival means and how far life can take you until we go further. Let yourself be taken on a journey into an enchanting world that changes everything.

The Color of Law Mark Gimenez,2006-08-29 In this riveting, unputdownable legal thriller, a partner at a prominent law firm is forced to choose between his enviable lifestyle and doing the right thing. Former college football star Scott Fenney has worked his way to the top of the heap at the Dallas firm of Ford Stevens. But when Clark McCall, wayward son of a Texas politician, gets himself murdered after a night of booze, drugs, and rough sex, Scott is assigned to defend the prime suspect, a heroine-addicted hooker named Shawanda Jones. The powers that be want her convicted—and Scott's future at the firm may depend on it. But unfortunately for Scott, Shwanada claims she's innocent, and he believes her.

The Fictionals and the Book Club Rebellion Preston Francis,2022-05-04 School has never been easy for Timothy Speare. He's had his share of strict teachers, bullies, mean girls, and stressful amounts of homework. If that's not enough, he and his two best friends are labeled as the Nerdy Trio by the whole school. But his junior year of high school might be his toughest yet after he learns a dark secret. Some of the students aren't real . . . They're Fictional. Coming from a world where fiction is fact, literature's greatest villains have banded together and have invaded our non-Fictional world. They may look like ordinary high school students, but in secret they are monsters, witches, and other villains in disguise with plans to take over the world. They may not be the most popular kids on campus, but the Nerdy Trio may be the only hope of stopping this true-to-life Fictional evil. They've read about heroes. Now the Nerdy Trio will learn what it means to be a hero when they step up to defend their world. Joining forces with a mysterious new girl, they will find magical items, face great danger, and learn about the dark history of their school—all in their mission to bring about the end of the Fictionals.

Nerds, Goths, Geeks, and Freaks Trevor Boffone,Cristina Herrera,2020-03-18 Winner of the Children's Literature Association's 2022 Edited Book Award Contributions by Carolina Alonso, Elena Avilés, Trevor Boffone, Christi Cook, Ella Diaz, Amanda Ellis, Cristina Herrera, Guadalupe García McCall, Domino Pérez, Adrianna M. Santos, Roxanne Schroeder-Arce, Lettycia Terrones, and Tim Wadham In *Nerds, Goths, Geeks, and Freaks: Outsiders in Chicanx and Latinx Young Adult Literature*, the outsider intersects with discussions of race, ethnicity, gender, and sexuality. The essays in this volume address questions of outsider identities and how these identities are shaped by mainstream myths around Chicanx and Latinx young people, particularly with the common stereotype of the struggling, underachieving inner-city teens. Contributors also grapple with how young adults reclaim what it means to be an outsider, weirdo, nerd, or goth, and how the reclamation of these marginalized identities expand conversations around authenticity and narrow understandings of what constitutes cultural identity. Included are analysis of such texts as *I Am Not*

Your Perfect Mexican Daughter, Shadowshaper, Swimming While Drowning, and others. Addressed in the essays are themes of outsiders in Chicanx/Latinx children's and young adult literature, and the contributors insist that to understand Latinx youth identities it is necessary to shed light on outsiders within an already marginalized ethnic group: nerds, goths, geeks, freaks, and others who might not fit within such Latinx popular cultural paradigms as the chola and cholo, identities that are ever-present in films, television, and the internet.

Color and the Moving Image Simon Brown, Sarah Street, Liz Watkins, 2013-10-28 This new AFI Film Reader is the first comprehensive collection of original essays on the use of color in film. Contributors from diverse film studies backgrounds consider the importance of color throughout the history of the medium, assessing not only the theoretical implications of color on the screen, but also the ways in which developments in cinematographic technologies transformed the aesthetics of color and the nature of film archiving and restoration. Color and the Moving Image includes new writing on key directors whose work is already associated with color—such as Hitchcock, Jarman and Sirk—as well as others whose use of color has not yet been explored in such detail—including Eric Rohmer and the Coen Brothers. This volume is an excellent resource for a variety of film studies courses and the global film archiving community at large.

Ice Angels Frieda Isbell, 2020-01-25 Tragedy often results when human beings and Angels try to interfere in God's work. ANGELS from another world have created a secret, hidden city, carved from the ice of the South Pole. They have been watching us and intervening in our lives for hundreds, perhaps thousands of years. Deeply religious and well intentioned, these attractive, human-like people are poised for future world domination. There plan becomes conflicted, however, when two adventurous American men get involved. ICE ANGELS is an epic tale of adventure, of treachery and forgiveness, of family and faith. Life seems ideal among the beautiful Angels of New Mene'ah. But is everything as it seems? DARK ANGELS, Part II of the story introduces the evil Lord Osaura, the high Holy Council leader who finally arrives after ninety-three years of travel through deep space. He plans to eliminate mankind on Earth by releasing the Blind Eye, the Dark Star, an unholy entity that destroys and absorbs life. The Mene'ahns had buried it here at Stonehenge, eleven thousand years ago. Lord Osaura and the Blind Eye must be destroyed if our planet is to survive.

Tall Tales and Short Shorts Adam J. Criblez, 2017-06-09 In basketball, just as in American culture, the 1970s were imperfect. But it was a vitally important time in the development of the nation and of the National Basketball Association. During this decade Americans suffered through the war in Vietnam and Nixon's Watergate cover-up (not to mention disco music and leisure suits) while the NBA weathered the arrival of free agency and charges that its players were "too black." Despite this turmoil, or perhaps because of it, the NBA evolved into a cultural phenomenon. Tall Tales and Short Shorts: Dr. J, Pistol Pete, and the Birth of the Modern NBA traces the evolution of the NBA from the retirement of Bill Russell in 1969 to the arrival of Larry Bird and Magic Johnson ten years later. Sandwiched between the youthful league of the sixties and its mature successor in the eighties, this book reveals the awkward teenage years of the NBA in the seventies. It examines the many controversies that plagued the league during this time, including illicit drug use, on-court violence, and escalating player salaries. Yet even as attendance dwindled and networks relegated playoff games to tape-delayed, late-night broadcasts, fans still pulled on floppy gray socks like "Pistol Pete" Maravich, emulated Kareem Abdul-Jabbar's sweeping skyhook, and grew out mushrooming afros à la "Dr. J" Julius Erving. The first book-length treatment of pro basketball in the 1970s, Tall Tales and Short Shorts brings to life the players, teams, and the league as a whole as they dealt with expansion, a merger with the ABA, and transitioning into a new era. Sport historians and basketball fans will enjoy this entertaining and enlightening survey of an often-overlooked time in the development of the NBA.

Reborn on the Run Catra Corbett, 2018-05-15 This is a story you'll love and never forget.—Christopher McDougall, author, Born to Run and Natural Born Heroes Aside from her rock star looks, Catra Corbett is a standout in the running world on her accomplishments alone. Catra is the first American woman to run over one hundred miles or more on more than one hundred occasions and the first to run one hundred and two hundred miles in the Ohlone Wilderness, and she holds the fastest known double time for the 425-miles long John Muir Trail, completing it in twelve days, four hours, and fifty-seven minutes. And, unbelievably, she's also a former meth addict. After two years of addiction, Catra is busted while selling, and a night in jail is enough to set her straight. She gives up drugs and moves back home with her mother, abandoning her friends, her boyfriend, and the lifestyle that she came to depend on. Her only clean friend pushes her to train for a 10K with him, and surprisingly, she likes it—and decides to run her first marathon after that. In Reborn on the Run, the reader keeps pace with Catra as she runs through difficult terrain and extreme weather, is stalked by animals in the wilderness, and nearly dies on a training run but continues on, smashing running records and becoming one of the world's best ultrarunners. Along the way she attempts suicide, loses loved ones, falls in love, has her heartbroken, meets lifelong friends including her running partner and dachshund TruMan, and finally faces the past that led to her addiction.

The Setback Cycle Amy Shoenthal, 2024-03-19 Forbes contributor Amy Shoenthal's revolutionary strategies for working through life's inevitable setbacks, supported by research and personal stories from today's most prolific founders, leaders, and experts. How do you know if you're going through a setback? And once you realize you're in one, how do you work through it? Some of the world's most prominent leaders attribute their setbacks to the reason they found success. Their lowest moments paved the way for their creative rebirth. Through the four phases of The Setback Cycle—Establish, Embrace, Explore, and Emerge—Amy Shoenthal guides readers on how to make sense of their experiences, gain clarity on what comes next, and move confidently into future endeavors. That framework, developed through research and conversations with scholars, psychologists, neuroscientists, and executive coaches is supported through the deeply personal stories of founders and leaders like fashion icons Stacy London and Norma Kamali, fitness instructors Robin Arzón and Kendall Toole, chef Palak Patel, non-binary beauty influencer Cyrus Veyssi, and inspirational founders like Cate Luzio, Erica Taylor, Amanda Goetz, and more. Whether you're stuck in a rut after a breakup or trying to navigate an unexpected professional transition, The Setback Cycle offers guidance on how to take yourself through your toughest moments and forge a stronger path forward.

Mixed: A Colorful Story Arree Chung, 2018-07-03 The reds, the yellows, and the blues all think they're the best in this vibrant, thought-provoking picture book from Arree Chung, with a message of acceptance and unity. In the beginning, there were three colors . . . Reds, Yellows, and Blues. All special in their own ways, all living in harmony—until one day, a Red says Reds are the best! and starts a color kerfuffle. When the colors decide to separate, is there anything that can change their minds? A Yellow, a Blue, and a never-before-seen color might just save the day in this inspiring book about color, tolerance, and embracing differences.

Active Measures Marc Cameron, 2019-11-26 OLD ENEMIES NEVER DIE Cuba and the United States are in talks to normalize relations, something the old guard on the Communist-controlled island has vowed to stop—by any means necessary. Zayda de la Guardia, a rogue general in the Cuban security services, has gotten his hands on a nuclear weapon left over from the Cold War. He plans to launch it on Miami, an attack that could kill millions. There's just one thing standing in his way: special agent Jericho Quinn and his team have traveled undercover to Cuba to unravel de la Guardia's plot before it ignites a nuclear holocaust. Thrown into a secret prison, pursued by assassins, and trapped on the tiny island during one of the worst hurricanes of the century, Quinn and his crew must survive a trial by fire to prevent an international confrontation that would make the Cuban Missile Crisis look like a fist fight. Praise for Marc Cameron's Open Carry "Cameron, who has nearly three decades in law enforcement and a stint as a U.S. Marshal, keeps all the plot points delicately balanced and at the same time creates sympathetic heroes, depraved

villains, and nail-biting action. Readers will eagerly await his next.” –Publishers Weekly,STARRED REVIEW “Cameron effectively combines investigation and straight-ahead action . . . a compelling, never-give-an-inch hero who will appeal to Jack Reacher fans.” –Booklist

Ebony ,2003-07 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

I Have a Nick Story Book 3 Sunny Armstrong,2020-10-09 Sunny used her counseling experience to handle the grief from the sudden death of her son, Nick, at age twenty-six, by writing in a journal. Numerous unexplainable incidents immediately occurred following Nick’s death, not only to Sunny, but to family members and friends. *I Have a Nick Story* became the mantra for those incidents when shared with one another. God has allowed Nick to communicate through various astonishing means. Sunny believes she should not be the only one receiving such examples of God’s goodness. She decided to share Nick’s stories of his love for her, for his family, and for his friends with interested readers.

British Columbia-Yukon Sternwheel Days Art Downs,1992 Over 300 sternwheelers plied the BC-Yukon waters, a record in North America. In icy northern lakes, rivers and the open sea, these flat-bottomed steamers served for 100 years. Ripped open by rapids, gutted by fire, crushed by ice, they left a memorable wake that altered history forever. This book includes portraits of flamboyant captains and crews, details on how the vessels were constructed and operated, historical background of the communities they served and more.

This Engaging World of E-book Books: A Comprehensive Guide Revealing the Pros of E-book Books: A World of Convenience and Flexibility Kindle books, with their inherent portability and simplicity of availability, have freed readers from the constraints of hardcopy books. Done are the days of lugging bulky novels or carefully searching for specific titles in shops.
