 **LEARN FRENCH BEADING: BEGINNER COURSE** LAUREN HARPSTER,2020-02-12 French beading is a bead-and-wire art from the Renaissance used primarily to make flowers. Learn the art from designer Lauren Harpster in this new publication made specifically for beginners who've never touched beads or wire, but is also an excellent resource for experienced French beading artists. This title is a hard copy of my Learn French Beading: Beginner Course video series on YouTube. Instructions for accessing the videos are included inside the book (Videos will be available after Feb 29th). *Part 1 is the Getting Started guide. Before making French beaded flowers it is very important to understand the materials needed to make them. This section explores tools, beads, wire, and other supplies in detail, though not all of them will be necessary for this course. *Part 2 is the Technique Guide, which contains six lessons that teach the techniques included in this course - Continuous loops, Continuous crossover loops, Continuous wraparound loops, fringe, basic frame, and lacing. These lessons are important for learning French beading terms and abbreviations, and how to read French beading patterns. I like to teach techniques separately from flower patterns because there's so much more I can teach you about an individual technique than what I can cover in a single flower pattern. There are also some variations of the techniques that are not used in the practice patterns, but are included for education and reference. This section is also intended to be a one-stop technique reference so you can quickly look up specific techniques while working with other flower patterns. Each lesson has a video demonstration so you can see the techniques in action, but they also contain picture and written instructions for the techniques. *Part 3 contains four wildflower patterns that I've developed specifically for helping you practice the base techniques learned in Part 2 - Lavender, Dame's Rocket, Blue Virgin's Bower, and Black-eyed Susan. The patterns have been written with beginners in mind and contain a high level of detail, so they're a great way to dip your toes into the art. This section is important for seeing practical application of the techniques, reinforcing the ability to

READ PATTERNS, AND LEARNING HOW TO ASSEMBLE AND SHAPE A VARIETY OF FLOWERS. I HAVE ALSO MADE VIDEO DEMONSTRATIONS OF EACH OF THE FLOWERS. WHILE I DEMONSTRATE FLOWER PARTS FULLY IN THE VIDEOS, I ONLY SHOW TECHNIQUES AS THEY ARE USED IN THAT PARTICULAR FLOWER. SO YOU CAN START WITH PART 3 IF YOU USE THE VIDEOS, BUT I DO RECOMMEND THAT YOU GO BACK THROUGH THE LESSONS IN PART 2. *PART 4 WILL DEMONSTRATE HOW TO ARRANGE THE FLOWERS FROM PART 3 TO MAKE A WILDFLOWER ARRANGEMENT. I AM NOT A PROFESSIONAL FLORIST, BUT I'D LIKE TO SHARE WHAT I'VE LEARNED ABOUT ARRANGING BEADED FLOWERS. THIS SECTION IS INCLUDED ONLY IN THE BOOK VERSION OF THE COURSE.

Necessary People Anna Pitoniak, 2019-05-21 A propulsive, chilling novel exploring the dangerous fault lines of female friendships (Lee Child), Necessary People deftly plumbs the limits of ambition, loyalty, and love. One of them has it all. One of them wants it all. But they can't both win. Stella and Violet are best friends, and from the moment they met in college, they knew their roles. Beautiful, privileged, and reckless Stella lives in the spotlight. Hardworking, laser-focused Violet stays behind the scenes, always ready to clean up the mess that Stella inevitably leaves in her wake. After graduation, Violet moves to New York and lands a job in cable news, where she works her way up from intern to assistant to producer, and to a life where she's finally free from Stella's shadow. In this fast-paced world, Violet thrives, and her ambitions grow -- but everything is jeopardized when Stella, envious of Violet's new life, uses her connections, beauty, and charisma to get hired at the same network. Stella soon moves in front of the camera, becoming the public face of the stories that Violet has worked tirelessly to produce -- and taking all the credit. Stella might be the one with the rich family and the right friends, but Violet isn't giving up so easily. As she and Stella strive for success, each reveals just how far she'll go to get what she wants -- even if it means destroying the other person along the way. I literally couldn't stop reading. -- Stephen KingI love a book that is smart as hell and impossible to put down and this is it. -- Jessica KnollNamed one of the Best Books of May by Marie Claire, Town & Country, Refinery29, Cosmopolitan, Woman's Day, Bustle, CrimeReads, and O, the Oprah Magazine
