10 Corso Como Carla Sozzani,2014-06-26 Carla Sozzani opened Galleria Carla Sozzani in September 1990 as a space for art, photography, and design housed in a converted garage at 10 Corso Como in Milan. Along with American artist Kris Ruhs, Sozzani created a space like no other. Rejecting ordinary retail norms, this concept store has always promoted a different philosophy—that of slow shopping, a succession of spaces and events that prioritize lifestyle over object acquisition. In this book, Sozzani describes her world: her style, personal taste, and opinions on fashion, travel, design, and lifestyle. The Galleria now incorporates a bookshop, a fashion and design store, and a garden café, and it is one of Milan’s hippest and most exquisitely curated spaces—a destination in itself. 10 Corso Como has become the nexus of a global network of cultural exchange through fashion, food, art, and photography that continues to inspire fashion and design. In recent years, two additional locations have been added: 10 Corso Como-Comme des Garçons in Tokyo in 2002 and a Seoul branch in 2008.

Perry Como Malcolm Macfarlane,Ken Crossland,2015-05-07 Perry Como put aside his career as a barber to become one of the top American crooners of the 20th century and also one of the first multimedia stars. His record sales exceeded 100 million. In 1948, Como was the first popular singer to cross over to television and The Perry Como Show became the benchmark for a broadcast music and variety show. Como’s career illuminates developments in the music and television business in the middle of the last century. This biography features 73 photographs, a complete discography, a listing of all television appearances, and a year by year chronology of Perry Como’s life from 1912 to 2001.

Lake Como Enrico Massetti,2018-07-02 2019 edition ‘Lake Como’ is a name you will often hear from friends or read in travel blogs if you are planning a vacation in Italy. The third largest lake in Italy is a hit amongst vacationers, and there are plenty of reasons behind it. So, let’s underline everything that you would like to know about the area before reaching a vacation decision. Where exactly is it? Lake Como has a glacial origin and is in the region of Lombardy, Italy. Considered as one of the most beautiful lakes in Italy, Como is located between Milan and the border of Switzerland. Why is it so famous? Those who are unfamiliar with the charm of Lake Como often wonder why it garners so much attention. Why people fly from all around the world to see just a lake? Well, the answer the query is that Lake Como is not just any lake; it is marked by one of the best properties, natural beauty, mountains, picturesque villages, adventure sports options and, last but not the least, pure luxury of Lake Como holiday villas. Apart from the cultural heritage of historic villas and waterfront cottages, Lake Como area also offers plenty of scope for outdoor activities like hiking, trekking, and biking. The lake itself provides avenues of kite surfing, sailing, yachting, windsurfing, and fishing. Ladies especially fall in love with the boutiques that mark the place, and men with golfing in Lake Como area. Who visits Lake Como? The hot holiday spot is frequented by vacationers from all around the world that crave a quaint, peaceful holiday in the lap of nature. The rich and famous too chose Lake Como to spend time away from the flashlights. Celebrities like Madonna, George Clooney, Gianni Versace, Ronaldinho, Sylvester Stallone, and Richard Branson maintain holiday homes near the shores of the lake. If you too are looking forward to the similar experience, then, Lake Como Villas for rent are readily available. This guide covers the Lake Como, and the towns of Como, Bellagio, Menaggio, and Varenna, in addition to the one-day trips you can make from one of these towns to Piona, Villa Carlotta, and Villa del Balbianello. There are extensive descriptions and photos of the attractions. This guide contains links to the websites of train and navigation companies, so you can check the latest schedule and buy the tickets.

Traducción, competencia plurilingüe y español como lengua de herencia (ELH) Laura Gasca Jiménez,2021-12-29 Traducción, competencia plurilingüe y español como lengua de herencia (ELH) explora las conexiones entre la enseñanza del ELH y la competencia traductora. En el libro se identifican estrategias para que las experiencias y practicas linguisticas de los estudiantes del espanol como lengua de herencia se vean representadas en el contexto de la formacion profesional de traduccion e interpretacion. Basado en un estudio empirico con estudiantes universitarios, esta monografia ofrece pautas para fomentar el desarrollo de habilidades de traduccion a partir de tres dimensiones principales: como estrategia plurilingue, actividad pedagogica y destreza profesional. Por su caracter introductorio, este libro es de particular interes para profesores e investigadores del ELH que buscan integrar de manera sistematica la practica de la traduccion en sus actividades docentes. Asimismo, los profesores de traduccion e interpretacion que deseen aprender como potenciar la mediacion como componente de aprendizaje en las habilidades de traduccion e interpretacion encontraran en esta obra numerosas sugerencias para conseguirlo. Traducción, competencia plurilingüe y español como lengua de herencia (ELH) explores the connections between Spanish heritage language (SHL) education and translation competence. The volume identifies strategies to represent the linguistic experiences and practices of SHL students in the context of professional translation and interpreting training. Based on an empirical study with undergraduate students, this monograph provides insight on how to develop translation skills in three ways: as a plurilingual strategy, a pedagogical activity, and a professional skill. Because of its introductory nature, this book is of particular interest to SHL teachers and researchers seeking to systematically integrate translation practice into their teaching. Likewise, teachers of translation and interpreting who wish to learn how to enhance mediation as a learning component in translation and interpreting skills will find numerous suggestions on how to do so in this volume.

Lake Como & Its Surroundings Catherine Richards,2011-02-01 Franz Liszt lived on Lake Como, Pliny and Virgil lived here in Roman times, and they called it the most beautiful place in the world. It hasn't changed. From the hills above the lake, you can see the Matterhorn in the distance. This is based on our larger book, Milan & the Italian Lakes. Here we zero in on the most popular of the, with abundant extra illustrations showing all the sights, hotels and attractions. We travel to grow - our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise - sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. The guide provides everything you'll ever need to know for planning a trip to this stunning holiday destination, from places to stay and eat, and practical travel advice, to what to pack and when to go. It also features up-to-date information on all the exciting activities and adventures just waiting to be enjoyed - from visiting the stunning lake with its fabulous Roman villas and beautiful vistas, to discovering the hidden treasures of the region's unforgettable palaces, churches and museums. I bought this after reading the author's piece on Lake Como on the GoNomad site. I wasn't disappointed - there's masses of extra information here that many other guidebooks just don't have, and all of the lakes are covered, plus day trips to nearby towns, etc. Good variety of hotel and restaurants - not just for those with big budgets. I particularly like the listing and addresses for the "adventures" - which include anything from diving schools, bike and boat hire to art courses. The book doesn't seem quite as glossy as some other titles but the content is great - and clearly written by somebody who knows the region well. Maps are good too - including Milan metro map! -- Amazon reviewer

Metabolismo Cultural Como Estrategia Para Preservar La Identidad Cultural y Ecologica Reinhard Senkowski,2012-09 Estamos proyectando el análisis de una metamorfosis global en la actualidad, como los cambios de identidades en el proceso de transformación cultural. En consecuencia, buscamos un concepto de intercambio cultural, como una síntesis de diferentes factores y dimensiones en el mundo multi e intercultural. Igualmente, queremos enfocar los elementos etnoecológicos, tanto regionales como globales, para el establecimiento de una visión holística y armoniosa. Además, planeamos desarrollar criterios para una Didáctica de la Cosmovisión con paradigmas nuevos del Metabolismo Cultural como una opción frente al camino actual en el marco de la globalización, concebido como unidimensional y unidireccional, que conduce a un callejón sin

salida por la realización de cierta monocultura, una tendencia central, monopólica, racional, fragmentada y material que cosifica el mundo. Lograrlo implica investigar horizontes hacia una concientización y la búsqueda de una convivencia integrativa, armónica e interrelacionada, complementaria que sirva de inspiración en el sentido de un Metabolismo Cultural, como una fórmula y síntesis para convivir en un marco globalizante, sin perder la heterogeneidad de las singularidades del regionalismo biológico y cultural, algo propio de las unidades, que da sentido y función de la sustentabilidad contundente en una totalidad (Holón) continua.
