Life of the Prince Consort Edward Walford,1862

The Man behind the Queen C. Beem,M. Taylor,2014-12-16 From the 14th-century king consorts of Navarre to the modern European prince consorts of the 20th century, the male consort has been a peculiar yet recurrent historical figure. In this impressively broad collection, leading historians of monarchy analyze how male partners of female rulers have negotiated their unique roles throughout history.

Queens Consort, Cultural Transfer and European Politics, c.1500-1800 Helen Watanabe-O'Kelly, Adam Morton, 2016-11-03 *Queens Consort, Cultural Transfer and European Politics* examines the roles that queens consort played in dynastic politics and cultural transfer between their natal and marital courts during the sixteenth, seventeenth, and eighteenth centuries. This collection of essays analyses the part that these queens played in European politics, showing how hard and soft power, high politics and cultural influences, cannot be strictly separated. It shows that the root of these consorts' power lay in their dynastic networks and the extent to which they cultivated them. The consorts studied in this book come from territories such as Austria, Braunschweig, Hanover, Poland, Portugal, Prussia and Saxony and travel to, among other places, Britain, Naples, Russia, Spain and Sweden. The various chapters address different types of cultural manifestation, among them collecting, portraiture, panegyric poetry, libraries, theatre and festivals, learning, genealogical literature and architecture. The volume significantly shifts the direction of scholarship by moving beyond a focus on individual historical women to consider 'queens consort' as a category, making it valuable reading for students and scholars of early modern gender and political history.

Imperial Consort P. A. Moore, 2021-11-24 Cinderellas live happily ever after. Unless they have a powerful courtiers out to get them. Not that it's hard to frame Casio Westfall, the Emperor's consort, for an attempted assassination. In fact, it's fun. She's a perfect mark. Who's going to complain? She's of a humble and scandalous background and has no friends outside of the Imperial bedroom. But, then again, maybe she doesn't need any. _____

Three years after Casio Westfall, the Emperor's Consort, helps save the Emperor from assassination, the Imperial Guards find new evidence that implicates her in that attempted murder. Only the proof indicates that it wasn't a botched assassination. It was a successful plot designed to throw Casie into the Emperor's path. Beautiful Casie, who, at the time, was reeking of enough pheromones to put a small village into a state of lust. Casie, whose psych profile shows a 99% compatibility index with Emperor Lister Klanthro. That's just too much of a coincident for the Guards. It's too much coincidence for the Emperor, too; who exiles her. In fact, it's too much coincidence for Casie! But why her? Why then? Why not tell her of the plan if she was part of it? And why, after going to all of the trouble of bringing her to the Emperor's attention, would someone arrange to kick her out three years later? A few questions like that can narrow the field of inimical courtiers significantly.

A Ruler's Consort in Early Modern Germany Dr Judith P Aikin,2014-06-28 In exploring the exceptionally well-documented activities of Aemilia Juliana of Schwarzburg-Rudolstadt (1637-1706), this study confirms and expands on recent attempts to characterize the roles

played by the wives of rulers in the many small principalities of early modern Germany. Judith Aikin analyzes a wide range of texts and cultural artifacts in order to disclose the scope of the contributions of this ruler's consort as full partner in the ruling couple.

Abandoned Consort Is A Ruthless Role Zhao Ran,2020-01-13 In this lifetime, we shall never meet again! A piece of paper stopped her from writing and she was locked in the side courtyard. She cried to the wind and sighed to Yue Chang; he sat with his concubine and drank and talked merrily! He was a prince of the Southern Dynasties, but he did not specialize in emotions. She was a consort who had been humiliated to her heart, and her love was deep! He hated her for her luck, she hated him for his ruthlessness! When the army came to the city, he abandoned her and she became a prisoner. The prince of the Northern Dynasty, however, fell in love with her at first sight. The war resumed. When the two countries were fighting, he astonishingly discovered that the princess of the northern imperial court, who was sitting on the chariot with a cold smile on her face, was actually his concubine?!

Medical Consort Raises the Hell Lian Yu,2019-11-27 Give me a little sunshine, I can be brilliant, binding an empty hold, I can give the world a new sky! His right hand held the scalpel, his left hand held the high-tech, cutting through thorns and thorns, reneging on the marriage with the crown prince, reviving the house of the Marquis, holding hands with lovers, blocking people's path to murder, killing gods and gods! The Consort Conspiracy Kaye D. Schmitz,2017-06-27 For almost two hundred years an ancient cemetery, deep in the lowlands of Georgia, has protected the identity of an infamous, brutal murderer, whose act of betrayal changed the course of the town's history. Now, eight generations later, MIDWAY CEMETERY conceals the activities of international conspirators engaged in a fast moving counterfeiting ring operating right under the noses of the slow-paced Midway residents. Thirty-one-year old Bostonian KATE COVINGTON travels to Midway to film a documentary intended to increase the favorability ratings for the current United States President, WILFORD PENNINGTON, who was born in Midway and descended from the murdered victim from two hundred years earlier. As she becomes enthralled with the town's history, Kate uncovers the truth about the murder of the President's ancestor. Her discovery also leads to her learning the truth behind her own mother's death and eventually changes not only the town's history, but Kate's future as well.

The Legends of Consort De A Suo,2019-11-26 When she first entered the palace, Lan Qi was just an unremarkable little palace maid who had always been meticulously serving her master. She had never thought that there would be a day when she would fly onto a branch.Xuan Ye's sad figure for his dead wife had remained in her heart during that heavy rain.Many times, many things had their own arrangements.In order to protect her master, Wu Yayanqi did not hesitate to frame him.The young Emperor only wanted to scare this young palace maid who didn't know the limits of the heavens and earth. Unexpectedly, that pair of eyes that were filled with kindness and gentleness deeply pierced his heart.Your servant wants to ... On the dragon bed, Wu Yalan Qi could not help but stare at the emperor closely, as if she wanted to carve him into her eyes. You can even shoulder the burden of the river and the mountains. It's nothing to bear the blame for once.
