The Man behind the Queen C. Beem,M. Taylor,2014-12-16

From the 14th-century king consorts of Navarre to the modern European prince consorts of the 20th century, the male consort has been a peculiar yet recurrent historical figure. In this impressively broad collection, leading historians of monarchy analyze how male partners of female rulers have negotiated their unique roles throughout history.

Queens Consort, Cultural Transfer and European Politics,

c.1500-1800 Helen Watanabe-O'Kelly,Adam Morton,2016-11-03

Queens Consort, Cultural Transfer and European Politics examines

the roles that queens consort played in dynastic politics and cultural transfer between their natal and marital courts during the sixteenth, seventeenth, and eighteenth centuries. This collection of essays analyses the part that these queens played in European politics, showing how hard and soft power, high politics and cultural influences, cannot be strictly separated. It shows that the root of these consorts' power lay in their dynastic networks and the extent to which they cultivated them. The consorts studied in this book come from territories such as Austria, Braunschweig, Hanover, Poland, Portugal, Prussia and Saxony and travel to, among other places, Britain, Naples, Russia, Spain and Sweden. The various chapters address different types of cultural manifestation, among them collecting, portraiture, panegyric poetry, libraries, theatre and festivals, learning, genealogical literature and architecture. The volume significantly shifts the direction of scholarship by moving beyond a focus on individual historical women to consider 'queens consort' as a category, making it valuable reading for students and scholars of early modern gender and political history.

Agent Consort Jiuzhuan Chengdan, 2020-09-01 She had

transmigrated to the eldest daughter, who was raised and crippled by her stepmother. She had faced the father who only cared for profit, the false stepmother, and the selfish and insidious younger sister ... Hehe, if you want to fight, let me do it! Top scholar, we have already annulled the marriage, don't pester me. Young master, marriage between close relatives is not good. Your Highness, you will ascend the throne tomorrow. Let's hurry back to the palace. Also, that 'prince' or 'prince', conspiring against others is a very mind-blowing work, so don't waste your time on me!

Queens Consort Lisa Hilton,2021-11-15 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Imperial Consort P. A. Moore,2021-11-24 Cinderellas live happily ever after. Unless they have a powerful courtiers out to get them. Not that it's hard to frame Casio Westfall, the Emperor's consort, for an attempted assassination. In fact, it's fun. She's a perfect mark. Who's going to complain? She's of a humble and

scandalous background and has no friends outside of the Imperial bedroom. But, then again, maybe she doesn't need any. _____

Three years after Casio Westfall, the Emperor's Consort, helps save the Emperor from assassination, the Imperial Guards find new evidence that implicates her in that attempted murder. Only the proof indicates that it wasn't a botched assassination. It was a successful plot designed to throw Casie into the Emperor's path.

Beautiful Casie, who, at the time, was reeking of enough pheromones to put a small village into a state of lust. Casie, whose psych profile shows a 99% compatibility index with Emperor Lister Klantro. That's just too much of a coincidence for the Guards. It's too much coincidence for the Emperor, too; who exiles her. In fact, it's too much coincidence for Casie! But why her? Why then? Why not tell her of the plan if she was part of it? And why, after going to all of the trouble of bringing her to the Emperor's attention, would someone arrange to kick her out three years later? A few questions like that can narrow the field of inimical courtiers significantly.

The Consort Conspiracy Kaye D. Schmitz, 2017-06-27 For almost two hundred years an ancient cemetery, deep in the lowlands of Georgia, has protected the identity of an infamous, brutal murderer, whose act of betrayal changed the course of the

town's history. Now, eight generations later, MIDWAY CEMETERY conceals the activities of international conspirators engaged in a fast moving counterfeiting ring operating right under the noses of the slow-paced Midway residents. Thirty-one-year old Bostonian KATE COVINGTON travels to Midway to film a documentary intended to increase the favorability ratings for the current United States President, WILFORD PENNINGTON, who was born in Midway and descended from the murdered victim from two hundred years earlier. As she becomes enthralled with the town's history, Kate uncovers the truth about the murder of the President's ancestor. Her discovery also leads to her learning the truth behind her own mother's death and eventually changes not only the town's history, but Kate's future as well.

Abandoned Consort Is A Ruthless Role Zhao Ran,2020-01-13

In this lifetime, we shall never meet again! A piece of paper stopped her from writing and she was locked in the side courtyard. She cried to the wind and sighed to Yue Chang; he sat with his concubine and drank and talked merrily! He was a prince of the Southern Dynasties, but he did not specialize in emotions. She was a consort who had been humiliated to her heart, and her love was deep! He hated her for her luck, she hated him for his

ruthlessness! When the army came to the city, he abandoned her and she became a prisoner. The prince of the Northern Dynasty, however, fell in love with her at first sight. The war resumed. When the two countries were fighting, he astonishingly discovered that the princess of the northern imperial court, who was sitting on the chariot with a cold smile on her face, was actually his concubine?!

A Ruler's Consort in Early Modern Germany Dr Judith P Aikin,2014-06-28 In exploring the exceptionally well-documented activities of Aemilia Juliana of Schwarzburg-Rudolstadt (1637-1706), this study confirms and expands on recent attempts to characterize the roles played by the wives of rulers in the many small principalities of early modern Germany. Judith Aikin analyzes a wide range of texts and cultural artifacts in order to disclose the scope of the contributions of this ruler's consort as full partner in the ruling couple.

Consort of Secrets Eva Chase, 2020-04-10 Every witch knows the rules: Stick to your own kind. Never reveal your powers to outsiders. Take a consort from the witching families or kiss your magic good-bye forever. For years I've been quiet, obedient Rose Hallowell. I accepted the man my stepmother chose for me. But I never stopped missing my long-ago friends: brilliant Kyler, stoic Seth, passionate Jin, daredevil Damon, and Gabriel, whose self-assured warmth brought us all together. Now we're back on my childhood estate to arrange my marriage. The boys I grew up with? They're still in town--and they haven't forgotten me either. And damn if they haven't grown up well. They've got no magic, no place in my life. But they're charming and sweet and infuriatingly hot, and I can't seem to stay away. The more I try to resist, the more secrets I uncover about my family, my betrothal, and everything I thought was true about the witching world. I've been lied to. I've been betrayed. So to claim my magic and my happiness, I'll break every rule there is--and then some. Don't mess with this witch.
