All except for Lucy the giraffe, who hasn't been able to sleep with all the noise. Determined to help her friend, Ellie tries to tone down the ruckus and organizes the animals into an orchestra. But is it possible to conduct the cacophony of the zoo into beautiful music? **In Concert** Carl Vigeland,2016-07-05 An intimate, moving, dramatic story about the musicians in

a great orchestra who make music come alive in performance and recording. The musicians here are members of the fabled Boston Symphony Orchestra, led by conductor Seiji Ozawa, during a season highlighted by Mahler's Second Symphony, The Resurrection.

**Film Music in Concert** Emilio Audissino, 2021-12-16 The Boston Pops Orchestra was the first orchestra of its kind in the USA: founded in 1885 from the ranks of the Boston Symphony Orchestra, its remit was to offer concerts of light symphonic music. Over the years, and in particular during the fifty-year tenure of its most famous conductor, Arthur Fiedler, the Pops established itself as the premier US orchestra specialising in bridging the fields of 'art music' and 'popular music'. When the Hollywood composer John Williams was assigned the conductorship of the orchestra in 1980, he energetically advocated for the inclusion of film-music repertoire, changing Fiedler's approach significantly. This Element offers a historical survey of the pioneering agency that the Boston Pops had under Williams's tenure in the legitimisation of film music as a viable repertoire for concert programmes. The case study is complemented with more general discussions on the aesthetic of film music in concert.

**There's a Rock Concert in My Bedroom** Kevin Jonas, Danielle Jonas, 2022-03-29 A rip-roarin', rock 'n' roll picture book by international music star Kevin Jonas and his wife, Danielle Jonas, about the joy of music, the power of family, and facing your fears. Emma loves music. She loves the boom boom boom of a good bass beat. She loves the stomp stomp stomp her feet make when she dances. She loves to rock out with her mom, her dad, and her little sister. And she loves to twang, strum, and thrum on her guitar. So when the sign-up sheet for the school talent show is posted, she adds her name right away! But the more Emma hears about the amazing talents her classmates will bring, the

more nervous she gets. What if her guitar playing is more of a plink, plonk, squeak? She's suffering from a bad case of stage fright, and it's up to her family to show her that performing can be fun too, and that she's already a star.

The Last Holiday Concert Andrew Clements,2012-06-12 A moving holiday story from New York Times bestselling author Andrew Clements. For Hart Evans, being the most popular kid in sixth grade has its advantages. Kids look up to him, and all the teachers let him get away with anything -- all the teachers except the chorus director, Mr. Meinert. When Hart's errant rubber band hits Mr. Meinert on the neck during chorus practice, it's the last straw for the chorus director, who's just learned he's about to lose his job due to budget cuts. So he tells the class they can produce the big holiday concert on their own. Or not. It's all up to them. And who gets elected to run the show? The popular Mr. Hart Evans. Hart soon discovers there's a big difference between popularity and leadership, and to his surprise, discovers something else as well -- it's really important to him that this be the best holiday concert ever, and even more important, that it not be the last.

The Concert Ticket Olga Grushin,2010 On any given morning, on the street corners of a Russian city, little kiosks suddenly appear. As soon as their shutters open, a queue forms, men and women lining up in the hope of a little bit of luxury- a pair of silk stockings or a box of chocolates. One

morning news spreads that the exiled composer, Selinsky, will be returning to the city for one concert only, and there is one kiosk, somewhere, selling tickets to this most magical event of the year. So begins the story of a family, in which a ticket to Selinsky's concert means everything- for Sergei, the father, it holds the promise of an affair with another woman; for his wife, Anna, it offers the hope of winning back her faithless husband; for their son, Alexander, it means the possibility of escaping to the West. The Concert Ticket is a fabulously told story of love, longing and escape, of beauty in a world of repression, and of a family at the mercy of each other and the times in which they live. 'Olga Grushin has a gift for conveying Russian imagination.' The Independent 'Olga Grushin is one of those rare writers that you want to keep as your own, golden secret, but will be compelled to share.' The Lady magazine 'A strange, haunting fable about the longing for beauty and self-expression in a world that has had all the colour bled out of it.' The Times 'a masterpiece of storytelling..... aside from the wonderful plot and deeply drawn characters, there is a richness in Grushin's writing that contains all the senses.' Russian Life 'Grushin's strength lies in spinning vibrant dreamscapes which lift this quietly moving fable about the power of hope.' Amber Pearson, Daily Mail

*African American Concert Singers Before 1950* Darryl Glenn Nettles, 2003-03-06 Marian Roberts, Roland Hayes, and Paul Robeson were among the most visible early African American concert singers, but they were not the only ones. Many others were involved in the arts as concert singers and, given the times in which they lived, achieved tremendous results in the face of great adversity and helped pave the way for the post-1950 African American vocal artist. Drawn from articles, reviews, programs, biographical sources, and interviews, this work is a survey of the unknown early African American concert singers. Much of the information from periodicals was taken from The New York Amsterdam News, The Chicago Defender, and The New York Age. The book covers the African Americans who

came before Roberts, Hayes, and Robeson, and details the opportunities available in Europe for black concert singers.

*Classical Concert Studies* Martin Tröndle, 2020-09-01 *Classical Concert Studies: A Companion to Contemporary Research and Performance* is a landmark publication that maps out a new interdisciplinary field of Concert Studies, offering fresh ways of understanding the classical music concert in the twenty-first century. It brings together essays, research articles, and case studies from scholars and music professionals including musicians, music managers, and concert designers. Gathering both historical and contemporary cases, the contributors draw on approaches from sociology, ethnology, musicology, cultural studies, and other disciplines to create a rich portrait of the classical concert's past, present, and future. Based on two earlier volumes published in German under the title *Das Konzert* (The Concert), and with a selection of new chapters written for the English edition, this companion enables students, researchers, and practitioners in the classical and contemporary music fields to understand this emerging field of research, go beyond traditional disciplinary boundaries and methodologies, and spark a renaissance for the classical concert.

**The Beatles At Shea Stadium** Dave Schwensen, 2013 The Beatles' performance at New York's Shea Stadium on August 15, 1965 is one of the most exciting and important concert events in the history of popular music. Produced by Sid Bernstein and introduced on stage by television legend Ed Sullivan, John, Paul, George and Ringo played, sang, sweated and laughed for a record crowd of 55,600 fans. It was the height of Beatlemania and launched the modern era of outdoor stadium shows. *The Beatles At Shea Stadium* tells the story of this concert through researched commentary and exclusive interviews with Beatles insiders, friends and fans. The story begins in 1963 with Bernstein scheduling the then-unknown group for two concerts at Carnegie Hall and the first wave of U.S. Beatlemania. Follow events leading up to the concert as the Beatles arrive in New York, tape *The Ed Sullivan Show* and attend a never-before revealed dinner at Rockefeller Center. Then go backstage as they nervously prepare to face their largest live audience. The concert and excitement surrounding their performance are described in detail based on unedited live recordings and eyewitness accounts, and gives new insights into making the television special, secret recording session to overdub the live audio for network broadcast, and subsequent restoration of the classic film.
