**Congratulations, by the Way** George Saunders, 2014-01-01 An inspiring message from the inaugural Folio Prize winner, George Saunders, one of today's most influential and original writers

Congratulations! Now What? Bill Cosby, 1999-05-05 Just as a spoonful of sugar helps the medicine go down, so a spoonful of humor helps the wisdom go down. In *Congratulations! Now What* America's funnyman Bill Cosby gently ribs college graduates about their time spent--or lost--in the hallowed halls of the university and postulates what four years of higher education have suited them for: [If no job offer] ever turns up with a four-day week, a three-hour lunch, and a holiday for Count Basie's birthday, you still might be able to make a few dollars on Jeopardy. But he also assures graduates that their studies were not in vain and bestows advice to job seekers. Those who acquired several piercings while in school are cautioned to make sure the studs and hoops are shined before going to an interview. Those who are buffing their first professional r+sum+ are advised to strike a tone somewhere between lyrical lying and fanciful fraud. Cosby, whose successful career as a humorist has always turned on his affection for kids, is a regular speaker at college commencements--in the chapter *As I Look Out at Your Foggy Faces*, he says it's a hobby of his--and this 130-page book collects bons mots and sage advice from speeches given because he has a feeling for anesthesiology. Graduates--and their now-broke parents--will find a reason to smile on every page. --Brenda Pittsley

Congratulations on Your Martyrdom! Zachary Tyler Vickers, 2016-06-01 Searing, troubling, and funny, these revolutionary, linked stories flit and dart among the shadows of small town life, and the touching and heartbreaking characters that occupy it. Employees use roadkill instead of faux pelts during a build-a-critter battle for mall supremacy. Former band geeks are harassed with mutilated musical instruments and then murdered. The collection is haunted by allusions to a fatal cannonball jump that crescendos in the explosive final story. An extraordinary addition to the canon of gonzo fiction, *Congratulations on Your Martyrdom!* introduces Zachary Tyler Vickers as an exciting new author whose unflinching prose grabs you and won't let go.

Congratulations Darrin Lowery, 2010 When she accompanies her friend Alicia to a wedding, full-figured Tiffany Garner, who has always been self-conscious about her weight, is stunned when she discovers that the groom is none other than her boyfriend Thomas. Original.

*Congratulations: You Did It!* Ariel Books, 1998-10 This Little Book applauds accomplishments with quotes on determination, hard work, and dreams.

**Congratulations, by the way** George Saunders, 2014-04-22 NEW YORK TIMES BESTSELLER • This inspiring meditation on kindness from the author of *Lincoln in the Bardo* is based on his popular commencement address. Three months after George Saunders gave a graduation address at Syracuse University, a transcript of that speech was posted on the website of The New York Times, where its simple, uplifting message struck a deep chord. Within days, it had been shared more than one million times. Why? Because Saunders’s words tap into a desire in all of us to lead kinder, more fulfilling lives. Powerful, funny, and wise, *Congratulations, by the way* is an inspiring message from one of today’s most influential and original writers. Praise for *Congratulations, by the way* “As slender as a psalm, and as heavy.”—The New York Times “The graduating college senior in your life probably just wants money. But if you want to impart some heartfelt, plainspoken wisdom in addition to a check, you can’t do much better than [*Congratulations, by the way*].”—Entertainment Weekly “The loving selflessness that [George Saunders] advises and the interconnectedness that he recognizes couldn’t be purer or simpler—or more challenging.”—Kirkus Reviews “Warm and tender.”—Publishers Weekly

**Congratulations, Rhododendrons** Mary Germaine, 2021-04-06 In her debut collection, *Congratulations, Rhododendrons*, award-winning poet Mary Germaine offers love poems to an insistently unlovely world. Through poems that speak to plastic bags and drones as much as they admire roses and the moon, Germaine surfs the confluence of artificial and natural environments, technology, and our small but consequential feelings about them. At turns devotional and suspicious, these poems toe the boundaries of intimacy, responsibility, and reason. In anxious times, anything can be taken as a sign; a crow, a talking coin, and a news report are all sources of information whose truth (or “fake-ness”) demand investigation. Germaine’s poems scroll from a shrine in Lourdes to an augmented-reality sandbox, from a mall filled with loitering ex-love interests to a fairy-tale ending where all the men turn out to be chairs. Funny, provocative, sly, and melancholic, *Congratulations, Rhododendrons* makes a case for the hope that every apparent disaster of social investment might in the end be redeemed as meaningful, genuine, or at least in some way helpful.

*Congratulations On Your Graduation* Evelyn Beilenson, 1999

**Congratulations, Who Are You Again?** Harrison Scott Key, 2018-11-06 “Consistently funny...*Congratulations, Who Are You Again?* will have readers looking for more from this talented author. — Kirkus Reviews “A keenly observed account of the publishing process...Hilarious and illuminating.” — Booklist “In his second act, he takes you through his process of realizing

that dream with charm and wit, offering entertainment and practical insight for anyone with a seemingly pie-in-the-sky wish list.” – Good Housekeeping

Congratulations On Everything Nathan Whitlock, 2016-05-01 A dark and comic novel, *Congratulations On Everything* tracks the struggles, frailties and cruelly pyrrhic victories of the middle-aged owner of a bar-restaurant and a 30ish lunch shift waitress. Jeremy has bought into the teachings of an empowerment and success guru, hook, line and sinker. A Toronto service industry lifer, he's risen through the ranks until he finally takes the keys to his destiny and opens his own place, The Ice Shack. Everyone assumes Ice Shack daytime waitress Charlene is innocent and empathetic, but in reality she's desperately unhappy and looking for a way out of her marriage to her high-school sweetheart. A drunken encounter between Charlene and her boss Jeremy sends them both careening. The Ice Shack stops being an oasis of sanity and, as Jeremy struggles to keep his business afloat, he'll stop at nothing to maintain his successful, good guy self-image. In an era when foodies rule and chefs become superstars, *Congratulations On Everything* is a hilarious and occasionally uncomfortable dose of anti-foodie reality that reveals what goes on when the customers and Instagrammers aren't around – and even sometimes when they are.
