Birthday Wishes, Sympathy Sentiments, Get Well Messages, Congratulations, Mother's and Father's Day Greetings Madeleine Mayfair ,2016-02-04 Do you freeze up every time a greeting card gets passed around the office? Everybody else seems to know exactly what to write, but your mind goes blank. What do you do? Consult this book! It contains more than 600 sentiments you can write

in greeting cards for friends, family members or co-workers. You'll find everything from brief sentiments to personal expressions from the heart, from thoughtful to silly to casual. No matter what kind of card crosses your path, you'll be able to handle it no sweat. Kick your fear of "Blank Inside" cards to the curb. Or put your artistic skills to use and make your own! No need to worry about what you'll write inside. You can add thoughtful sentiments to any card with "What Should I Write? Birthday Wishes, Sympathy Sentiments, Get Well Messages, Congratulations, Mother's and Father's Day Greetings."

Bulletin Hobart College, 1913

Inauguration of Daniel L. Marsh, D.D., LL. D., as Fourth President of Boston University Boston University, 1926

Take the Lead Shelley Shepard Gray, 2020-09-08 Growing up in foster care, Officer Traci Lucky had a rough start to life, but things are looking up now that she's found a place in Bridgeport with two sisters she never knew she had. One night while on the job Traci finds Gwen, a pregnant teen caught up in a dangerous world of drugs, and takes her straight to the hospital. There Traci encounters the oh-so-charming Dr. Matt Rossi, who surprises Traci with his compassion—and his movie-star good looks. A busy ob-gyn with a huge, meddling Italian family, Matt Rossi hasn't had much time for love in his life. All that changes when he meets the beautiful Officer Lucky. He's intrigued by her strength and the kind heart she tries to hide beneath her tough exterior. When Matt confides that he needs to learn to waltz for his brother's wedding, Traci reveals that her sister happens to be a ballroom dance teacher. Next thing they know, Matt and Traci are juggling busy careers, helping young Gwen with her pregnancy and personal safety, and learning to waltz together. But when Gwen's escalating problems threaten to put all of them in danger, they wonder if they'll ever find time for a little romance too. Shelley Shepard Gray takes us back to Bridgeport, Ohio, a town where family comes in all different shapes and sizes, love has no limits, and community means everyone deserves a little help when they're lost.

Semantics Igor? Aleksandrovi? Mel'uk, Igor A. Mel'cuk, 2012 This book presents an innovative and novel approach to linguistic semantics, beginning with the idea that language can be described as a system for the expression of linguistic Meanings as particular surface forms or Texts. Semantics is specifically that system of rules that ensures a correct transition from a Semantic Representation of the Meaning of a family of synonymous sentences to the Deep Syntactic Representation of a particular sentence. Framed in the terms of Meaning-Text linguistics, this volume discusses in detail the problems of Semantic Representation—including the semantic structure of utterances, the semantics of Causation in English, and communicative, or information, structure. Based on the author's life-long dedication to the study of the semantics and syntax of natural language, this book is a paradigm-shifting contribution to the language sciences whose originality and daring will make it essential reading for linguists, anthropologists, semioticians, and computational linguists.
