Cooking Up A Storm Marcelle Bienvenu, Judy Walker, 2015-08-18 After Hurricane Katrina tore through New Orleans in 2005, *Cooking Up a Storm* was published to tell the story—recipe by recipe—of one of the great food cities of the world and the determination of its citizens to preserve and safeguard their culinary legacy. Cooking up a Storm Emma Holly, 2010-03-30 The Coates Inn restaurant in Cape Cod is about to go out of business when its striking owner, Abby, jumps at a stranger's offer of help - both in her kitchen and her bedroom. Storm, a handsome chef, claims to have a secret weapon: an aphrodisiac menu that her patrons won't be able to resist. It certainly works on Abby - who gives in to the passions she has denied herself for years. But can

this playboy chef really be Abby's hero if her body means more to him than her heart, and his initial plan was to steal the restaurant from under her nose? Storm soon turns the restaurant around, but Abby's insatiable desires have taken over her life. She's never known a guy into crazy sex like him before, and she wants to spend every spare moment getting as much intense erotic pleasure as she can. Meanwhile, her best friend Marissa becomes suspicious of the new wonder-boy in the kitchen. Before things get really out of control, someone has to assume responsibility. But can Abby tear herself away from the object of her lustful attention long enough to see what's really going on?

Lying Up a Storm Julia Cook, 2015-01-15 A storm is brewing... Whenever Levi doesn't like the truth, he kinda, sorta makes up other stuff to say. One day his mother explains to him that telling lies will damage the trust of his friends and make him very sad. Whenever you tell a lie, your inside sun goes away. Then a lying cloud forms, and glooms up your day. Each time you tell a lie, another cloud starts to form, and before you can stop it from happening, your insides start to storm. This book is a great resource to help children understand not only the consequences of telling a lie, but also how one lie can often lead to telling several more. It will help parents and teachers understand that lying can be a normal and sometimes healthy response for a child and offers tools to help guide children toward truthfulness.
