Catherine's Story Genevieve Moore, 2010-07-29 What makes Catherine so

special? She can't talk, she can't walk like her cousin Frances can. But Catherine listens very hard (hardly anyone does that), and she can walk in her special shoes, but when Frances tries, she just falls over! And her claps are so quiet that hardly anyone can hear them. These are the things that make Catherine special and, because her family knows how special she is, this makes them feel special too. This is the story of a child born with severe additional needs that focusses on the special nature of her abilities. Written from first-hand experience of the author's niece, this is a thoroughly researched and heart-warming book that will enlighten all who read it. Foreword by Jacqueline Wilson.

Mapping Cultural Identities and Intersections Mustafa Kirca, 2019-09-26 This volume investigates identity discourses and self-constructions/de-constructions in various texts through imagological readings of films, narratives, and art works, examining different layers of cultural identities, on the one hand, and measuring the literary reception of ethnic identity constitution to reveal both the self and hetero images, on the other. The book features theoretical and analytical approaches with insights borrowed from multiple disciplines, and mainly focuses on the application of imagological perspectives in the fields of literature and translation, and specifically in literary works "carried over" from one culture to another. It will be of interest for scholars and researchers working in the fields of literature, translation, cultural studies, and imagology, as well as for

students studying in these fields.

Click, Click. Joyce Kavanagh, June Kavanagh, Paula Kavanagh, 2012-04-12 A true story of abuse. Three sisters. A shattered Irish childhood. Joyce, June and Paula Kavanagh were three sisters born to a family of ten in Ballyfermot, Dublin in the 1960s. Their father abused all three of them in the family home throughout their childhood. In 1989, the sisters made the brave decision to bring charges against their father and, in 1990, the state took a successful case against him. He was convicted and imprisoned. Click, Click is the story of their abuse; the exposure of a man prolific in his paedophilia; and an Irish childhood lost in a dysfunctional, abusive and torturous environment. Importantly, however, it is also the story of three women's healing; their coming to terms with their abuse, and their forgiveness of themselves and others. The Kavanagh sisters have refused to allow their abuse to define them. With fierce humour, insight and honesty, they now share their story and show that with love and determination, you can indeed conquer all.

Kendall Olivia Shin,2019-09-14 Meet Kendall. He's seven years old and he has a mom, a dad, one older sister, and a fuzzy dog. He was born with autism and that makes him experience the world differently than other kids do. But don't take my word for it. Let him tell you in his own words.

Bangkok Boy Chai Pinit,2015-01-07 Bangkok Boy is a heart-rending account of a childhood lost to sexual abuse. Chai was a normal boy until he was molested by a school teacher, an event which led him into the hidden world of male prostitution. His story is not only unique but also offers a shocking insight into the red-light districts of Bangkok and Pattaya. As his story unfolds you'll become privy to the distorted logic which Chai used false justification for his horrible life choices for so long. But paradoxically, it was on the streets that Chai found redemption and decided to recount his dark past in order to move on in hope that, by sharing his story, his life would become something of a lesson to anyone. Beneath all the emotional torment and despair, lies a story of redemption and struggle to rebuild one's life. Bangkok Boy is no ordinary book; it is a story of hope and triumph in the face of adversity.

My Fathers Prostitute: Story of a Stolen Childhood Steven

Whitacre,2015-05-16 Powerful, Compelling, A story well worth writing - this is what people are saying about this honest, and sometimes brutal, true story of one man's struggle growing up in the shadow of childhood sexual abuse. From his difficulties growing up, to his drug addiction, failed relationships, and struggles with parenthood, the author takes us through the ups and downs of a life spent in the shadows, trying to make sense of the events that formed the basis of his being. Sometimes tragic, sometimes hopeful, but never sugar coated, *My Father's Prostitute: Story of a Stolen Childhood* takes the reader on an emotional ride which reminds us that the human spirit is more powerful than the demons that haunt us.

Kathy's Story Kathy O'Beirne,2005 Kathy O'Beirne's earliest memories are of being battered and sexually abused. Unable to confide in anyone about the beatings she regularly received from her father or about the boys who made her play dirty games, she became withdrawn and self-destructive, leading a psychiatrist to diagnose her as 'a child with a troublesome mind'. As a result, aged only eight, Kathy was removed from the family home and incarcerated in a series of institutions. In the first, a reformatory school run by a holy order on behalf of the Irish State, she was raped by a visiting priest. When she tried to get help, she was transferred to a psychiatric hospital, where the abuse continued, along with the administration of large

amounts of drugs and electric shock treatment. At the age of twelve, Kathy was sent to a Magdalen laundry. These notorious workhouses operated in Ireland throughout the twentieth century and during that time thousands of young girls, some orphans, some pregnant and some considered 'at risk' in the community, were forced to slave in horrendous conditions. Locked away from their families and the outside world, many of the girls were cruelly punished and sexually abused by the staff or lay visitors. Kathy fell victim to one of these predators and gave birth to baby Annie just weeks before her fourteenth birthday. The little girl had a serious bowel condition but lived to the age of ten, providing the only light in Kathy's blighted life. After all that she has suffered, Kathy has now come forward to tell her harrowing story in the hope that more will be done to help survivors of institutional abuse. She recounts her tragic experiences in unflinching detail but what is most remarkable is the strength of character that shines through such a dark tale. It is this strength that has enabled her to survive and fired her continuing struggle for justice.
