**Tormenta en Los Corazones** Kim Lawrence, 2018-08-07 KIM LAWRENCE TORMENTA EN LOS CORAZONES Las revistas del corazón llamaban a Neve McLeod la viuda escarlata, pero, en realidad, el suyo había sido un matrimonio de conveniencia. Seguía siendo virgen, pero eso era algo que nadie creería nunca. Hasta que se encontró perdida y atrapada bajo una tormenta de nieve con el imponente magnate Severo Constanza, un salvador inesperado. Cuando el magnífico italiano acudió a rescatarla, no sabía nada de su pasado, solo que Neve era la mujer más seductora que había conocido nunca.

*Mi María: Surviving the Storm* Ricia Anne Chansky, Marci Denesiuk, 2021-09-04 When Hurricane María made landfall in Puerto Rico in September 2017, it left no part of the archipelago unscathed. The hurricane triggered floods and mudslides, washed out roads, destroyed tens of thousands of homes, farms, and businesses, caused the largest blackout in US history, knocked out communications, led to widespread food, drinking water, and gasoline shortages, and caused thousands of deaths. The seventeen oral histories collected in *Mi María: Surviving the Storm* share stories of surviving the storm and its long aftermath as people waited for relief and aid that rarely arrived. Zaira and her husband floated on a patched air mattress for sixteen hours while floodwaters rose around them. The road washed out in front of Emmanuel as he desperately tried to drive his pregnant wife who had begun labor to the hospital. Luis and his father anxiously counted the days that the dialysis clinic remained closed and lifesaving treatment was unavailable, while Miliana's mother was sent home from the hospital –undiagnosed– only to fall critically ill in her own home. Weaving together long-form oral histories and shorter testimonios, the book offers a multivocal peoples' history of disaster that fosters a greater understanding of the failures of governmental disaster response and the correlating perseverance of the people impacted by these failures, highlighting the colonial relationship between Puerto Rico and the United States. Ultimately, the ways in which these oral histories demonstrate the strength of community response to disaster in Puerto Rico are pertinent to other parts of the world that are being impacted by our current climate emergency.

Corazon Puro Currie Burris, 2022-01-28 *Corazon Puro* is a memoir of a lifetime in ministry in the Christian faith. Currie Burris reviews his life experience from his initial profession of faith as a seven-year-old Baptist in a revival service, through his education in the academic study of religion, seminary studies in systematic theology, ordination to a ministry of peace and justice activism, to thirty years of pastoral ministry in the Presbyterian Church. Throughout this faith journey, the author struggles with the character, identity, and purpose of God in the light of pervasive human experience of pain, suffering, and death. Where is a loving God in the face of devastating suffering and horror universally lived by every human being? What is the role of a pastor in the midst of suffering and loss?

**Corazon de mi Angel** Gloria Pitts, 2013-04-03 In the beginning, there was Dolores (The Mother), Alejandro (The Father), and the first-born child, Gloria. Joyce came two years later, and then, two years after that, came Julius. Dolores and Alejandro were very much in love. Their love produced the three children, whom they adored. Alejandro worked very hard to support his family, while Dolores, it seemed to him, was the best homemaker in the world. Alejandro was a talented house builder – a trade taught to him by his father. He had begun as a construction worker and later, through his many hours of hard work and through learned techniques, had become an excellent brick layer, proficient in adobe work, actually making his own sun-baked mud and straw bricks! Soon his work became known throughout all of Albuquerque, and it wasn't long afterward, that he organized his own company, hiring the best workers – those whom he had come to respect as hardworking, capable men. He soon had a very

thriving business. Dolores was a loving wife and mother. Rising early every morning, she had breakfast ready for Alejandro and the children, as well as their sack lunches. Dolores' mornings were spent reading and studying the European Home Decorating books which she would check out of the library. From these, she would draw her own ideas by which to adorn their home, always staying within a certain budget. In the afternoons, Dolores studied bookkeeping from a family friend who was a C.P.A. (Now that Alejandro's business was really taking off, she was to become his company's bookkeeper.) As Gloria, Joyce, and Julius returned from school, they started on their homework, while Dolores prepared supper. Alejandro arrived from work, as everyone washed up before sitting at the table. After supper, everyone helped out clearing the table, washing and drying, and putting the dishes away. Alejandro and Dolores took turns in the evenings, looking over everyone's homework. The routine was a good one - everyone knew and understood the plan, and adhered to it!. (Gloria is born to Alejandro and Dolores; is nurtured with love, religion, and guidance; and is raised in a very structured life.)

*Corazon Contento* Madeline Gallego Thorpe,Mary Tate Engels,2001-04-30 This delightful book is filled with the distinctive regional recipes, family stories and dichos (sayings) that Callego Thorpe grew up with. It contains recipes for the herbal remedios her grandmother used for healing, as well as more widely known foods such as tamales, enchiladas, and posole. It is a fascinating record of a way of life and a way of cooking that can enrich the historical and cultural awareness of all Americans.

Sopa de Viejo  
Old Man's Soup  
6 flour tortillas, cut into 1 inch pieces  
1 large cheese onion, diced  
2 cloves garlic, minced  
1/2 cup fresh roasted green chiles, cut into strips  
1 cup Monterrey Jack cheese  
1/2 qt. chicken broth  
1/2 qt. milk  
1 Tbsp. oil  
salt to taste

Heat oil in a 2-quart pan. Add tortilla pieces and brown lightly, about 4 minutes. Add onion and garlic; cook 3 more minutes. Then add the chicken broth and milk, and cook over medium heat for 30 minutes. Add green chiles and cheese. Cook 3 more minutes. Serves 4 to 6. This was one of Abuelito's favorite soups.

Abuelito was a great storyteller, and he especially loved keeping us up with ghost stories on hot summer nights, when we kids were sleeping outside on cots. He told us about La Llorona (The Crying One), a woman whose children died in a fire when she left them alone to go to a party, and the story called Dancing with the Devil at Elysean Groves, about a girl who disobeyed her parents and went dancing, only to discover that her partner was the devil. There are a variety of versions of these stories. Abuelito kept us in anticipation for days, as he told little bits of Aladino y la Lamparita Maravillosa (Aladdin and the Magic Lamp) each night until it was finished.

After I graduated from high school, my cousin Elaine, a friend, and I went to California to make our fortunes. We returned home after three months, flat broke, and willing to seek our fortunes in Tucson, instead. On the night of our return, Elaine and I decided to go to a local dance to catch up on everything we'd missed that summer. When we got home that night, Abuelito unlocked the door for us, and then hid around the corner with a sheet over his head to scare us, like he had done when we were kids. Later that night, he passed away, leaving us with sweet memories of the loving, tender man that he was.

Review  
BOOKLIST, JULY 1999  
Other authors have documented the foods of America's Southwest, but none have so lovingly drawn the intimate connections between this kind of cooking and the society from which it springs. Thorpe and Engels have organized their recipes by seasons to show how the people, the land, and the food come together to bring life to the area's inhabitants. Their cuisine is a simple one, lacking the sophistication of cooking south of the border. For example, their mole sauce for chicken calls for just peanuts and chili powder instead of the long inventory of nuts, seeds, and chiles required in Oaxaca. Many of the recipes include a note on herbal

medicine; others have short reflections on the recipe's significance in the family; still others conclude with an apothegm of local folk wisdom.--Mark Knoblauch

The Spirit Glass Roshani Chokshi,2023-09-05 Corazon yearns to finally start training as a babaylan (a mystical healer and spirit guide) under her powerful guardian, Aunt Tina. As soon as her magic awakens, Corazon plans to bring her parents back from the dead and no longer have to rely on a soul key to allow visits with their ghosts for a few hours every Saturday night. But when a vengeful ghost steals Corazon's precious key, the fragile balance between the human world and the spirit world is thrown out of whack. Aunt Tina reveals that if Corazon wants her magic to awaken, then she just lay the ghost to rest by fashioning a new soul key. With her rather bloodthirsty gecko companion, Saso, Corazon embarks on a quest through the spirit realms. But they must move quickly, for if the ghost gets through the spirit glass, all hope will be lost. Roshani Chokshi pays tribute to her Filipino heritage in this book that has all the magic, sparkle, and heart that made her Aru Shah series a fantasy classic.
