The worst is Jonathan St. Andrews. Harsh. Judging. Like he can see right through her. His brother, Finn, is her one light in the darkness. The shock of waking one day with both brothers at her bedside is quickly eclipsed by two horrifying revelations: she was gravely injured in a fall she doesn't remember, and a crippling storm has shut down the island. Her magic can't help her. Not even her family, the powerful Deschanel witches of New Orleans, can reach her. While Ana heals, riding out the storm with the brothers, she battles confusing feelings for the enigmatic men who risked their lives to save hers. But her feelings will have to wait. Because someone is coming for her. Someone Jon and Finn have known all their lives. Someone who won't stop until they take back what the brothers have stolen. CLOUDY SKIES: Taken By Storm Dorothy Callahan, 2018-04-23 In one family, generation after generation relied on the magic of one Norse ring to lead them to their destined match. For those who heed its advice, only joy and health follow. But the ring has also been known to foreshadow impending doom. Ignore its truth at your peril.... For former boxing contender, Q'orian "Storm" Jones, running a gym might not have been his first choice, but with a partial vision loss, his career options are limited. His new goal is to train professional boxers and get kids off the streets. Bonus: focusing long hours training clients in his men-only gym means that any chance of getting involved with another back-stabber like his conniving ex-girlfriend are nil. Until the day Celeste Warner walks into his gym. She claims she needs his help. But he doesn't turn her away because she's a dark-haired version of the woman he once loved. No. He turns her away because she's a woman. A woman messed up his past; he certainly isn't going to let another one ruin his future. Growing up with the story of a magic ring, Celeste rebuffs the signs when her late mother's ring appears before her. She doesn't want a mate; she's known nothing but pain from her last boyfriend. But that stupid ring leads her to Storm's Corner, a gym where Celeste decides that maybe learning how to punch certain ex-boyfriends might be beneficial. But the self-righteous owner, Storm, wants nothing to do with her. When Celeste's ex gets released from prison, she knows she must follow the ring back to Storm's Corner and plead her case. But the bruise on her arm is all the proof Storm needs to realize he must help Celeste, regardless of his mixed emotions. His bottom line is failing, even though he's succeeding in getting kids off the streets. And with a felon breaking Celeste's restraining order, Storm doesn't know if she will even survive until her court date. Storm knows he can't let anything happen to Celeste. But protecting someone who feels no self-worth is probably the hardest battle he's ever fought.

I Found Comfort in the Storm Valerie Y. Keita, 2002 At an age when most young girls from the south are preparing for the challenges of adolescence, Iidely is preparing for the worst storm in a young girls life... It was time for Iidely to go live with her mom. Something that she hadn't done since she was a baby. But, exactly who her mom was the mystery. She knew who the woman was, had talked to the woman, hell, she even looked like the woman...a little bit (well, actually Iidely looked more like Mr. Check from the corner store, except Mr. Check had a different shaped nose all together, and his hair was thinning...but that is a whole different subject).

The Storm Dan Jolley, 2020-10 The darkest secrets just won't stay buried. Red Springs. A tiny town in Georgia's northwest corner - 95 percent white. Five percent black. Utterly unprepared for the devastating tornado that rips and smashes through it one dark August day. Sheriff Zandra Seagraves already faced an uphill battle. Elected by a fluke, Red Springs' first-ever Black female sheriff leads the recovery efforts, despite knowing how much the townspeople - and her own department - loathe her. But Zandra has no idea just how hellish things are about to get. Because one of the relief workers stumbles across a ghastly secret: The tornado tore a long-abandoned house off its foundations, revealing a grisly, recently-used torture dungeon below it. A monster has been dwelling in Red Springs. Undetected for years. Preying on the unsuspecting populace. His atrocities only brought to light because of the storm. Now, amid the tornado's wreckage and surrounded by people who want her gone, Zandra has to hunt this monster down before he disappears again. And to do it, she'll have to peel back all of Red Springs' dark, corrupted layers. One vile secret at a time. The Storm is a new thriller from Dan Jolley, international bestselling author of The Gray Widow series, House of Teeth, and co-creator of DC Comics' Firestorm.

Into the Storm Suzanne Brockmann,2007-07-31 Bestselling author Suzanne Brockmann blends high adventure, harrowing drama, and heart-racing passion into thrilling novels of suspense. Whether tackling danger or wrestling with desire, her elite heroes and heroines never fail to give their all, in stories that soar above and beyond expectations. Now, in this electrifying novel, Brockmann takes us Into the Storm. In a remote, frozen corner of New Hampshire, a Navy SEAL team and the elite security experts of Troubleshooters, Incorporated are going head-to-head as fierce but friendly rivals in a raid-and-rescue training exercise. Despite the frigid winter temperatures, tension smolders between veteran SEAL Petty Officer Mark “Jenk” Jenkins and former cop turned Troubleshooter Lindsey Fontaine after an impulsive night goes awry. And then, suddenly, Tracy Shapiro, the Troubleshooters’ new receptionist, vanishes while playing the role of hostage during a mock rescue operation. Teaming up with the FBI to launch a manhunt in the treacherous wilderness, Jenk and Lindsey must put aside their feelings as a record snowstorm approaches, dramatically reducing any hope of finding Tracy alive. The trail is colder than the biting New England climate until a lucky break leads to a horrifying discovery– a brutally murdered young woman wearing the jacket Tracy wore when she disappeared. Suddenly there is a chilling certainty that Tracy has fallen prey to a serial killer– one who knows the backwoods terrain and who doesn’t play by the rules of engagement. In a race against time, a raging blizzard, and a cunning opponent, Jenk and Lindsey are put to the ultimate test. Rising everything, they must finally come together in a desperate attempt to save Tracy–and each other.
