Dr. Gill A. Thompson

The Monster's Corner Christopher Golden,2011-09-27 An all original anthology from some of today's hottest supernatural writers, featuring stories of monsters from the monster's point of view. In most stories we get the perspective of the hero, the ordinary, the everyman, but we are all the hero of our own tale, and so it must be true for legions of monsters, from Lucifer to Mordred, from child-thieving fairies to Frankenstein's monster and the Wicked Witch of the West. From our point of view, they may very well be horrible, terrifying monstrosities, but of course they won't see themselves in the same light, and their point of view is what concerns us in these tales. Demons and goblins, dark gods and aliens, creatures of myth and legend, lurkers in darkness and beasts in human clothing...these are the subjects of The Monster's Corner. With contributions by Lauren Groff, Chelsea Cain, Simon R. Green, Sharyn McCrumb, Kelley Armstrong, David Liss, Kevin J. Anderson, Jonathan Maberry, and many others.

Sweep Jonathan Auxier,2018-09-25 For nearly a century, Victorian London relied on “climbing boys”—orphans owned by chimney sweeps—to clean flues and protect homes from fire. The work was hard, thankless, and brutally dangerous. Eleven-year-old Nan Sparrow is quite possibly the best climber who ever lived—and a girl. With her wits and will, she’s managed to beat the deadly odds time and time again. But when Nan gets stuck in a deadly chimney fire, she fears her time has come. Instead, she wakes to find herself in an abandoned attic. And she is not alone. Huddled in the corner is a mysterious creature—a golem—made from ash and coal. This is the creature that saved her from the fire. Sweep is the story of a girl and her monster. Together, these two outcasts carve out a life-saving one another in the process. By one of today’s most powerful storytellers, Sweep is a heartrending adventure about the everlasting gifts of friendship and hope.

A Trumpet Around the Corner Samuel Charters,2008 Samuel Charters has been studying and writing about New Orleans music for more than fifty years. A Trumpet around the Corner: The Story of New Orleans Jazz is the first book to tell the entire story of a century of jazz in New Orleans. Although there is still controversy over the racial origins and cultural sources of New Orleans jazz, Charters provides a balanced assessment of the role played by all three of the city's musical lineages--African American, white, and Creole--in jazz's formative years. Charters also maps the inroads blazed by the city's Italian immigrant musicians, who left their own imprint on the emerging styles. The study is based on the author's own interviews, begun in the 1950s, on the extensive material gathered by the Oral History Project in New Orleans, on the recent scholarship of a new generation of writers, and on an exhaustive examination of related newspaper files from the jazz era. The book extends the study area of his earlier book Jazz: New Orleans, 1885-1957, and breaks new ground with its in-depth discussion of the earliest New Orleans recordings. A Trumpet around the Corner for the first time brings the story up to the present, describing the worldwide interest in the New Orleans jazz revival of the 1950s and 1960s, and the exciting resurgence of the brass bands of the last decades. The book discusses the renewed concern over New Orleans's musical heritage, which is at great risk after the catastrophe of Hurricane Katrina's floodwaters. Samuel Charters, eminent historian of jazz and blues music, is author of the award-winning The Roots of the Blues and numerous other titles. A resident of Storrs, Connecticut, and Stockholm, Sweden, he is also a Grammy-winning record producer, musician, poet, and fiction writer and was inducted into the Blues Hall of Fame in 1994.

A Place to Land Barry Wittenstein,2019-09-24 As a new generation of activists demands an end to racism, A Place to Land reflects on Martin Luther King, Jr.'s I Have a Dream speech and the movement that it galvanized. Winner of the Orbis Pictus Award for Outstanding Nonfiction for Children Selected for the Texas Bluebonnet Master List Much has been written about Martin Luther King, Jr. and the 1963 March on Washington. But there's little on his legendary speech and how he came to write it. Martin Luther King, Jr. was once asked if the hardest part of preaching was knowing where to begin. No, he said. The hardest part is knowing where to end. It's terrible to be circling up there without a place to land. Finding this place to land was what Martin Luther King, Jr. struggled with, alongside advisors and fellow speech writers, in the Willard Hotel the night before the March on Washington, where he gave his historic I Have a Dream speech. But those famous words were never intended to be heard on that day, not even written down for that day, not even once. Barry Wittenstein teams up with legendary illustrator Jerry Pinkney to tell the

story of how, against all odds, Martin found his place to land. The Corner Shop in Cockleberry Bay Nicola May,2018 Rosa Larkin is down on her luck in London, so when she inherits a near-derelect corner shop in a quaint Devon village, her first thought is to sell it for cash and sort out her life. But nothing is straightforward about this legacy. While the identity of her benefactor remains a mystery, he – or she – has left one important legal proviso: that the shop cannot be sold, only passed on to somebody who really deserves it. Rosa makes up her mind to give it a go: to put everything she has into getting the shop up and running again in the small seaside community of Cockleberry Bay. But can she do it all on her own? And if not, who will help her succeed – and who among the following will work secretly to see her fail? There is a handsome rugby player, a sexy plumber, a charlatan reporter and a selection of meddling locals. Add in a hit and run incident and the disappearance of a valuable engraved necklace – and what you get is a journey of self-discovery and unpredictable events. With surprising and heartfelt results, Rosa, accompanied at all times by her little sausage dog Hot, will slowly unravel the shadowy secrets of the inheritance, and also bring her own, long-hidden heritage into the light.--Publisher description.
