The Complete Guide to the Cane Corso Vanessa Richie, 2020-02-18 Also known as the Italian Mastiff, the Cane Corso is a large dog with a lot of love and affection for the family. However, they are also one of the best guard dog breeds. Like other guard dogs, their appearance is part of what makes the Cane Corso so intimidating. Its regal appearance hides the fact that this is a breed that can be incredibly playful. They are also loath to be away from their family. There is no doubt that they make great guardians, but proper training and socialization makes them a perfect family dog that can go with you anywhere – which will make everyone happy. Cane Corsos can be great guardians, but the vast majority of the time, they are goofy pups that consider themselves lap dogs – you need to let them know that isn't the case early if you don't want a 110-pound dog trying to claim your lap. Unlike other mastiffs, the Cane Corso is easy to train as they are real people pleasers. They are not a good breed if you have not had a dog before or if you don't have time for regular training and exercise. However, you really could not ask for a better breed when it comes to protection, playing, and affection.

Elegiac Feelings American: Poetry Gregory Corso, 1970-01-17 A collection of poems by the renowned Beat poet, Gregory Corso. Gregory Corso's collection of poems contains works of major proportions. The title poem is a tribute to Jack Kerouac, fusing a memorial to the poet's dead friend with a bitter lament for the present state of America. The second major work, *The Geometric Poem*, published previously in a limited edition by Fernanda Pivano in Italy, is a complex visionary restatement of themes from ancient Egyptian religion. Reproduced in facsimile from Corso's handwritten sheets, his marginal decorations, drawings and glyphs are included. The balance of the book is drawn from his shorter poems. Corso's reputation as a leading poet and co-founder of the Beat movement is clearly upheld in these poems. His instinct for integrated lyrical statement, his special contribution to Beat poetry, is as strong as ever; his sense of humor and sexuality have not diminished. But he has added a wider-ranging moral urgency and a new depth of humane solicitude that hold even his strangest visions close to the heart of contemporary feeling.

The Corso Pete Bonet, 2020-11-11 *The Corso: The Real Nuyorican Salsa Story* is a must-read book not just because it's a fantastic and incredible story of success but also it's a historic legacy of how it was at the beginning of the salsa movement. It is narrated firsthand by someone who was there and was an important part of it, if not the most important. Pete Bonet was born in a very humble, extremely poor part of the island of Puerto Rico. Even the police would not go in there. It was too

dangerous. It is a place called El Fanguito, “the Muddy.” His mother, Olga, was abandoned there with her six children, ages fifteen down to a newborn baby. Pedrito, as he was called, was the fourth child; he was six years old when his father left for good. Olga was left alone with no money, no food, no man to protect the family, no government help, no nothing, not even shoes for the kids to go to school. The neighbors would say, “Poor Olga, she’s going to die along with all the six kids.” Pedrito left that part of the world at the age of fifteen to go to New York City, not knowing how to say no in English. At the age of twenty-one, Pedro graduated from Central Commercial High School with honors in bookkeeping and business law, typing sixty words a minute without errors. He then took the test in order to enter the United States Air Force and qualified in administration and thus entered the United States Air Force. Upon returning home with an honorable discharge, Pedro went to work for different construction companies as a timekeeper onsite—Marshall Const. Co., Arc Electric Co., Turner Const. Co., Melnick Const. Co., among others. He would go dancing on weekends to different nightclubs in New York City, from the world-famous Palladium Ballroom called the home of the mambo and cha-cha-cha, located on Broadway and Fifty-Third Street, the Manhattan Center on Thirty-Fourth Street, the Hunts Point Palace in the Bronx, and this was where Pete met the love of his life, Margie. They fell in love at first sight while dancing to the wonderful music of Tito Rodriguez and his big band orchestra. They got married six months later and still together today, in the year 2019, fifty-seven years and still counting. Pete Bonet, as he got to be known, got into music by mere chance. He started singing with Alfredito Valdez and his charanga, then Ray Barretto and his charanga, La Moderna. Then he went with Mongo Santamaria and his orchestra under the musical direction of trumpet player Marty Sheller. He formed his own big band together with the great Louie Ramirez as his arranger and musical director. After a couple of years, he got a call from Tito Rodriguez and went

on to sing with the one and only Tito Rodriguez and his big band. Upon Tito Rodriguez's death, he joined the Joe Cuba Sextet. He also sang with the king of Latin music, Tito Puente and his big band, and over forty other Latin orchestras in New York, Hollywood, and Puerto Rico. By reading this book, you will get to appreciate that great era, an extraordinary moment in time, the very beginning when the term "salsa" was born and started to be used instead of all the different names of all that great Cuban music. You will feel all the excitement of non-Latins dancing in clubs like the Corso that most likely will never be repeated again.

Herald of the Autochthonic Spirit Gregory Corso, 1981 *Corso, Herald of Autoc. Spirit. Poetry heralding the ivory applectart of tyrannical values*

Brooklyn Story Suzanne Corso, 2010-12-28 Perfectly evoking the sights and sounds of the summer of 1978 in Brooklyn, Suzanne Corso makes an acclaimed fiction debut with this powerful coming-of-age tale, told from an adult perspective, of family, best friends, first loves, and big dreams waiting to come true. Samantha Bonti is fifteen years old, half Jewish and half Italian, and hesitantly edging toward pure Brooklyn. She lives in Bensonhurst with her mother, Joan, a woman poisoned with cynicism and shackled by addictions; and with her Grandma Ruth, Samantha's loudest and most opinionated source of encouragement. As flawed as they are, they are family. And this is home—a tight-knit community of ancestors and traditions, of controlling mobsters, compliant wives, and

charismatic young guys willing to engage in anything illegal to get a shot at playing with the big boys. Yet Samantha has something that even her most simpatico girlfriend, Janice Caputo, doesn't share—a desire to become a writer and to escape their insular, overcrowded little world and the destiny that is assumed for all of them. Then comes Tony Kroon. He's a gorgeous mobster wannabe, a Bensonhurst Adonis whose seductive charms Samantha finds irresistible—even when she knows she's too smart to fall this deep . . . but Samantha soon finds herself swallowed up by dangerous circumstances that threaten to jeopardize more than her dreams. Grandma Ruth's advice: Samantha had better write herself out of this story and into a new one, fast.

The Happy Birthday of Death Gregory Corso,1960

Cane Corso The Best Alessandro Ferri,2017-06-13 This book is an apology of a breed, not a technical manual for aspiring friends of the Cane Corso, but a rational celebration of a superb breed. It would be the same if we wished to talk about the wonders of tennis and therefore wrote a monograph on Roger Federer, or on Mozart, if we wanted to explain how the word genius can be paired with music. Those who love a breed are inclined to glorify it. If you write a book that is also an exaltation of a breed, you will need to at least try to give all the reasons. These pages represent an effort to combine the subjectivity of a passion with the objectivity of the technical data regarding the breed, without using the language of the World Canine Organization Standard (however fundamental), but rather words that stem from the direct observation of the historical evolution and of the progressive fixation of specific peculiar characteristics.

Giovanna's 86 Circles Paola Corso,2007-01-26 These ten magical stories are primarily set in Pittsburgh-area river towns, where Italian American women and girls draw from their culture and folklore to bring life and a sense of wonder to a seemingly barren region of the Rust Belt. Each story

catapults the ordinary into something original and unpredictable. A skeptical journalist scopes out the bar where the town mayor, in seemingly perfect health, is drinking with his buddies and celebrating what he claims is the last day of his life. A woman donates her dead mother's clothes to a thrift shop but learns that their destiny is not what she expected. A ten-year-old girl wrestles with the facts of life as she watches her neighbor struggle to get pregnant while her teenage sister finds it all too easy. A high school girl hallucinates in a steamy hospital laundry room and discovers she can see her coworkers' futures. A developer's wrecking ball is no match for the legend of Giovanna's green thumb in the title story "Giovanna's 86 Circles." Quirky and profound, Corso's magical leaps uncover the everyday poetry of these women's lives. 10 Corso Como Carla Sozzani, 2014-06-26 Carla Sozzani opened Galleria Carla Sozzani in September 1990 as a space for art, photography, and design housed in a converted garage at 10 Corso Como in Milan. Along with American artist Kris Ruhs, Sozzani created a space like no other. Rejecting ordinary retail norms, this concept store has always promoted a different philosophy—that of slow shopping, a succession of spaces and events that prioritize lifestyle over object acquisition. In this book, Sozzani describes her world: her style, personal taste, and opinions on fashion, travel, design, and lifestyle. The Galleria now incorporates a bookshop, a fashion and design store, and a garden café, and it is one of Milan's hippest and most exquisitely curated spaces—a destination in itself. 10 Corso Como has become the nexus of a global network of cultural exchange through fashion, food, art, and photography that continues to inspire fashion and design. In recent years, two

additional locations have been added: 10 Corso Como-Comme des Garçons in Tokyo in 2002 and a Seoul branch in 2008.

Tantrum Stella Corso, 2017 Poetry. Like the most formidable silver-screen comediennes, Stella Corso's debut collection TANTRUM is at once incisive and generous, candid and performative, full of coos and barbed truths. I like that I can be a little dumb with you, one poem murmurs before delivering a shattering assessment of a woman undermined by her lover. Wry and deliberately feminine, TANTRUM makes a riposte to many things: capitalism, chauvinism, even William Carlos Williams. (Reading this book is a bit like watching Corso teasingly feed Williams the plums pilfered from the icebox, pits and all.) Self-possessed, self-indicting, Corso's speakers unflinchingly explore the complex of rights and wrongs undergirding contemporary first-world femininity: I turned away from my ambivalence / toward my proof, my receipt // I said I'm sorry / I am just a woman on vacation // I knew all events had led up to this. Corso's lively eye also inspects the mesh of nature and performance, art and decadence, ideas and things: I go out into the field in my bikini / though there is no one there to see me, I put on my sleep mask / and see stars. TANTRUM is sure to incite and delight. Before she tells you William Carlos Williams got into her head, you'll see him. Stella Corso prods at his charge regarding ideas and things to reckon with the thingness of being a woman. To this end, the speakers in TANTRUM are frank about their disappointments--how intimacy can't guarantee understanding. How experience can't promise wisdom. Throughout, Corso wields precision without stinginess, and remains possessed of a wit too lively to be deadpan while too grim to be breezy, producing a bracing collection of intelligence and audacity. Seriously, this is a debut iconoclastic enough to find a slant rhyme between certain famous plums and blueballs. Williams had no idea... -- Douglas Kearney The magic of Stella Corso's poems is in the space she leaves for us between the

intoxicating strength of her lines. One of the most captivating books, a poetry page-turner that takes us to the end of the long body displayed on the table, leaving us altered, disturbed, aiming ourselves into life anew. --CA Conrad The humor and intimacy of Corso's poems do not explain so much what it means to be a woman amongst lovers--past, future, imagined, ghostly--but feel like it.--Melissa Broder There is a great deal of menace in Stella Corso's startling new book. In TANTRUM we find laughter, heartbreak, and the necessary darkness around us but her true and uncanny voice persists as she writes: 'it is cold cold / I am poor poor / still I am.'--Peter Gizzi

The American Express Gregory Corso, 2014-03-28 Beat poet Corso's only novel. Inspired by his days in Europe, anxiously waiting for royalty checks and advances that were slow to appear, this freewheeling and farcical tale is the account of a birth in AmEx, and what came of it. With illustrations by the author. First published 1961 as No. 85 in the Traveller's Companion Series. Never reprinted.

The Cane Corso: A Complete and Comprehensive Owners Guide To: Buying, Owning, Health, Grooming, Training, Obedience, Understanding and Michael Stonewood, 2019-03-27 The Cane Corso is a breed of companion, hunting, catch and guard dog from Italy. The breed's name translates from the Italian words Cane, meaning 'dog', and Corso, meaning 'courtyard or guard.' The breed is also commonly referred to as the 'Italian Mastiff' and the 'Italian Corso.' The Cane Corso is a distant descendant of the Canis Pugnax, which was a breed used by the Romans as attack dogs during war time. Traditionally the Cane Corso was used to hunt and catch large prey such as boar,

deer and bears as well as used by farmers to guard cattle. The breed was quickly employed as night watchdogs, keepers and bodyguards due to their high levels of intelligence, trainability and loyalty. In modern times the breed is mainly kept as a domesticated companion dog but also is still used for its original farming purposes. The Cane Corso has a similar appearance to the Italian Molosser, but has a much larger build. The Cane Corso is muscular but is less bulky than other breeds within the Mastiff typing. It is important to note that the Cane Corso is not a breed recommended for novice dog owners! As previously mentioned the Cane Corso is both loyal, trainable and intelligent but it is also incredibly head strong. A Cane Corso puppy needs strong leadership and consistent training to ensure that it is a well behaved dog. It is also important to socialize your Cane Corso at an early age to encourage a more relaxed nature. Although not an aggressive breed, the Cane Corso is known to become highly protective over their family unit during serious threats. Before purchasing any pet it is important to understand that as a pet owner you are responsible for the care and wellbeing of your pet. It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle, household and financial status are suited to provide your pet with the best possible care. This guide has been designed to provide you with both precise and concise information about a Cane Corso's basic needs to help you provide your pet with the best quality care practices. This guide will give an in-depth explanation on training your Cane Corso, raising your Cane Corso from a puppy, grooming, health care and everything in between!
