Lolita - The Story of a Cover Girl John Bertram, Yuri Leving, 2013-07-19 What should Lolita look like? The question has dogged book-cover designers since 1955, when Lolita was first published in a plain green wrapper. The heroine of Vladimir Nabokov's classic novel has often been shown as a teenage seductress in heart-shaped glasses--a deceptive image that misreads the book but has seeped deep into our cultural life, from fashion to film. *Lolita - The Story of a Cover Girl: Vladimir Nabokov's Novel in Art and Design* reconsiders the cover of Lolita. Eighty renowned graphic designers and illustrators (including Paula Scher, Jessica Hische, Jessica Helfand, and Peter Mendelsund) offer their own takes on the book's jacket, while graphic-design critics and Nabokov scholars survey more than half a century of Lolita covers. You'll also find thoughtful essays from such design luminaries as Mary Gaitskill, Debbie Millman, Michael Bierut, Peter Mendelsund, Jessica Helfand, Alice Twemlow, Johanna Drucker, Leland de la Durantaye, Ellen Pifer, and Stephen Blackwell. Through the lenses of design and literature, *Lolita - The Story of a Cover Girl* tells the strange design history of one of the most important novels of the 20th century--and offers a new way for thinking visually about difficult books. You'll never look at Lolita the same way again.

The Storm-Tossed Family Russell D. Moore, 2018-09-15 Christianity Today Beautiful Orthodoxy Book of the Year in 2019. Why do our families have so much power over us? In *The Storm-Tossed Family*, bestselling author Russell Moore (Onward, Christianity Today's 2016 Book of the Year Award Winner) teaches readers whether you are married or single, whether you long for a child or shepherding a full house, you are part of a family. Family is

difficult because family—every family—is an echo of the gospel. Family can be the source of some of the most transcendent human joy, and family can leave us crumpled up on the side of the road. Family can make us who we are, and family can break our hearts. Why would this social arrangement have that much power, for good or for ill, over us?

Missing: Half the Story Kalpana Sharma, 2012-12-31 Toilets, trees and gender? Can there be a connection? Is there a gender angle to a business story? Is gender in politics only about how many women get elected to parliament? Is osteoporosis a women's disease? Why do more women die in natural disasters? These are not the questions journalists usually ask when they set out to do their jobs as reporters, sub-editors, photographers or editors. Yet, by not asking, are they missing out on something, perhaps half the story? This is the question this book, edited and written by journalists, for journalists and the lay public interested in media, raises. Through examples from the media, and from their own experience, the contributors explain the concept of gender-sensitive journalism and look at a series of subjects that journalists have to cover - sexual assault, environment, development, business, politics, health, disasters, conflict - and set out a simple way of integrating a gendered lens into day-to-day journalism. Written

in a non-academic, accessible style, this book is possibly the first of its kind in India - one that attempts to inject a gender perspective into journalism. Published by Zubaan.
