White Magic Elissa Washuta,2021-04-27 Finalist for the PEN Open Book Award Longlisted for the PEN/Jean Stein Award A TIME, NPR, New York Public Library, Lit Hub, Book Riot, and Entropy Best Book of the Year Beguiling and haunting. . . . Washuta's voice sears itself onto the skin. —The New York Times Book Review Bracingly honest and powerfully affecting, *White Magic* establishes Elissa Washuta as one of our best living essayists. Throughout her life, Elissa Washuta has been surrounded by cheap facsimiles of Native spiritual tools and occult trends, “starter witch kits” of sage, rose quartz, and tarot cards packaged together in paper and plastic. Following a decade of abuse, addiction, PTSD, and heavy-duty drug treatment for a misdiagnosis of bipolar disorder, she felt drawn to the real spirits and powers her dispossessed and discarded ancestors knew, while she undertook necessary work to find love and meaning. In this collection of intertwined essays, she writes about land, heartbreak, and colonization, about life without the escape hatch of intoxication, and about how she became a powerful witch. She interlaces stories from her forebears with cultural artifacts from her own life—Twin Peaks, the Oregon Trail II video game, a Claymation Satan, a YouTube video of Stevie Nicks and Lindsey Buckingham—to explore questions of cultural inheritance and the particular danger, as a Native woman, of relaxing into romantic love under colonial rule.

Money Matters: Get Your Life and \$\$\$ Sorted Amanda Morrall,2013-01-30 My philosophy towards personal finance is that you need to give as much care and attention to your inner wealth and well-being as you do to your budget, spending habits, savings account and net worth. Tort Law in the Jurisprudence of the European Court of Human Rights Attila Fenyves,Ernst Karner,Helmut Koziol,Elisabeth Steiner,2011-11-30 The goal of this study is to provide a general overview and thorough analysis of how the European Court of Human Rights deals with tort law issues such as damage, causation, wrongfulness and fault, the protective purpose of rules, remedies and the reduction of damages when applying art 41 of the European Convention on Human Rights (ECHR). These issues have been examined on the basis of a comprehensive selection and detailed analysis of the Court’s judgments and the results compared with different European legal systems (Austria, Belgium, England and Wales, France, Germany, Hungary, Ireland, Italy, Poland, Romania, Scandinavia, Spain, Switzerland and Turkey), EC Tort Law and the Principles of European Tort Law. The introduction of art 41 (ex art 50) ECHR in 1950 as a compromise and the issues it raises now, the methodological approaches to the tort law of the ECHR, the perspectives of human rights and tort law and public international law as well as the question of whether the reparation awarded to victims of ECHR violations can be considered real ‘just’ satisfaction are addressed in five special reports (two of which are also available in German). Concluding remarks try to summarise the outcome.

Seriously Rich Richard Pidgley,2010-09-01 Teenager Richard Pidgley's life had already reached rock bottom and the only way out seemed to be suicide...Following his parents' marriage break-up when he was a toddler, Richard spent his early years in a succession of foster and children's homes. Bullied severely and deprived of the love and stability of a normal family, it wasn't long before Richard slid into the criminal world, dabbling in the occult, alcohol abuse, sex and drugs. A conviction for burglary resulted in a term in Dorchester Prison, where suicide seemed to be the only option. Miraculously he survived, but that was only the beginning. What happened next was truly incredible...

Upfront Theatre Claire Dowie,2017-05-04 An anthology bringing together a selection of Claire Dowie's plays for young people, which are ideal for performance with a large cast. The anthology includes the following plays and an introduction by the author. *Why Is John Lennon Wearing A Skirt?* (Stage2 version, large cast) portrays a 14-year-old girl who dresses like a boy and would rather play football than anything else. This version can be performed by a cast of up to 100. *Arsehammers* (Stage2 version, large cast) is about a boy's relationship with his grandfather, who is suffering from Alzheimer's (or Arsehammers, as the boy hears it). He believes his grandad to have superpowers on account of his routine disappearances. A brilliant tale of living with, and understanding, mental illness. It has been reimaged for a cast of around 20. *The Year of the Monkey* (Stage2 version, large cast) shows a mother dreaming of injecting some excitement into her humdrum life. The play has been revised the play for around 25 young people. *Hard Working Families* (original version, large cast), which hasn't previously been published, is a satirical play with music that exposes the true impact that earning a living has on young people in modern-day society. It is a response to politicians' visions of 'ordinary people', set against the reality of earning a living and the way this impacts on young people's lives. It can be performed by a cast of up to 50.

I'm Just Me Jonny Church,2022-10-18 Meet Alex. Alex is a boy who doesn't believe being a boy or a girl should determine how you think; he is just Alex. He lives near Midtown and travels over the bus network having adventures in some very unusual surrounding towns with his dog Blink, whose main aim in life is to sniff everything in the world and who dreams of being RocketDog. At the ends of the bus lines, they meet people who live in closed towns, they are either all black or white, gay or straight, religious or atheist, rich or poor, old or young, or very differently able. Alex can't understand why they should live like this. He tries to get them to travel to Midtown, where they might be surprised by how people of all kinds can live together equally. Blink thinks they are all equally sniffable. If Alex is just Alex, perhaps they might realise they can just be themselves too, just equal individuals, with equally important mixtures of properties. I'm Just Me looks at how we all tend to label people, to place them in boxes, usually because of one main property: colour, gender, sexuality, mental or physical ability, wealth, religion, politics, class or age. BUT each property is a line and we are all a dot on every one of those lines somewhere. Where all the lines cross for us, we find our own point of individuality. If each point is equal, then WE MUST ALL BE EQUAL.

The Krays Win Michael Coleman,2019-07-25 It's London, 1969 and the Old Bailey sees the end of what was the longest and most expensive trial ever held, dubbed 'The trial of the century?': starring notorious Kray Twins, Ron and Reg. Unlike the real verdict, in this fictional story, the verdict is 'Not Guilty?' and Ron and Reg, still in their prime and mid-30s, walk free. This book is an alternative outcome at what could have happened had this been the case. After years of relentless microscopic research in many fields down to their personalities, ambitions, likes, mannerisms and much more, this aims to do justice to their legacy had they not been incarcerated and had they continued as free men. Regrouping, settling scores, making up for lost time and overall settling sights high as they always did.

Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Covered N Money&sortm : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
