As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? A Theory of Craft Howard Risatti, 2009-09-15 What is craft? How is it different from fine art or design? In *A Theory of Craft*, Howard Risatti examines these issues by comparing handmade ceramics, glass, metalwork, weaving, and furniture to painting, sculpture, photography, and machine-made design from Bauhaus to the Memphis Group. He describes craft as uniquely blending function with a deeper expression of human values that transcend culture, time, and space. Craft must articulate a role for itself in contemporary society, says Risatti; otherwise it will be absorbed by

fine art or design, and its singular approach to understanding the world will be lost.

Craft Moves Stacey Shubitz, 2023-10-10 How do you choose mentor texts for your students? How do you mine them for the craft lessons you want your students to learn? In *Craft Moves: Lesson Sets for Teaching Writing with Mentor Texts*, Stacey Shubitz, co-founder of the Two Writing Teachers website, uses twenty recently published picture books to create more than 180 lessons to teach various craft moves that will help your students become better writers. Each of the 184 lessons in the book includes a publisher's summary, a rationale or explanation of the craft move demonstrated in the book, and a procedure that takes teachers and students back into the mentor text to deepen their understanding of the selected craft move. A step-by-step guide demonstrates how to analyze a picture book for multiple craft moves. Shubitz introduces picture books as teaching tools and offers ways to integrate them into your curriculum and classroom discussions. She then shares different routines and classroom procedures designed to help students focus on their writing during the writer's workshop as well as focusing how teachers can prepare for small group instruction. Using picture books as mentor texts will help your students not only read as writers and write with joy but also become writers who can effectively communicate meaning, structure their writing, write with detail, and give their writing their own unique voice.
