Based on the popular blog of the same name, this guide focuses on creating a homemade atmosphere that reflects your family, without spending a fortune. The book is divided into four seasonal chapters, with designs that reflect different holidays and the changing seasons, allowing you to update your home according to the weather outside. Many projects are portable or perfect to do during a family movie night, making the Wise Craft lifestyle an easy one to attain. Sixty projects include May Day cones and recycled floral mirror frames—perfect for a teenager's room—plus throw pillow updates, a picnic blanket made from a pile of men's shirts, spooky Halloween dishes, advent calendars, and recycled gift jars. Beautiful photography and illustrations make each project a snap, no matter your crafting background.
