

# Crane

Paul A. Johnsgard

**The Paper Crane** Molly Bang, 1987-07-15 Business returns to a once prosperous restaurant when a mysterious stranger pays for his meal with a magical paper crane that comes alive and dances.

**The Crane** , 2003 In an ever-expanding city, one young man claims the job of his dreams, operator of the tallest crane around. Since others envy his position, he never leaves his crane, always eager for the day-and work-to begin. As the seasons pass, man and machine almost become one. The crane was a giant with iron sinews, and the craneman was its heart. Then people begin to hoard their goods, grinning ravens multiply throughout the land, and war is at hand. But the craneman never falters, remaining at his post even when the land is flooded, ready for reconstruction to begin.

**A Chorus of Cranes** Paul A. Johnsgard, 2020-01-27 A look at the natural history, biology, and conservation issues faced by cranes in North America, featuring beautiful photos. Accompanied by the stunning photography of Thomas D. Mangelsen, *A Chorus of Cranes* details the natural history, biology, and conservation issues surrounding the abundant sandhill crane and the endangered whooping crane in North America. Author Paul A. Johnsgard, one of the leading authorities on cranes and crane biology, describes the fascinating social behaviors, beautiful natural habitats, and grueling seasonal migrations that have stirred the hearts of people as far back as medieval times and garnered the crane a place in folklore and mythology across continents. Johnsgard has substantially updated and significantly expanded his 1991 work *Crane Music*, incorporating new information on the biology and status of these two North American cranes and providing abbreviated summaries on the other thirteen crane species of the world. The stories of these birds and their contrasting fates provide an instructive and moving history of bird conservation in North America. *A Chorus of Cranes* is a gorgeous and invaluable resource for crane enthusiasts, birders, natural historians, and conservationists alike. The University Press of Colorado gratefully acknowledges the generous support of the Iain Nicholson Audubon Center at Rowe Sanctuary, Audubon Nebraska, Ron and Judy Parks, Wagon Tongue Creek Farm, and the Trull Foundation toward the publication of this book. "In this glorious book, Paul Johnsgard and Tom Mangelsen have captured the very essence of these ancient birds—their beauty, grace of movement, and fascinating lives. It is a must for crane lovers, birders, and all who love the natural world." —Jane Goodall "Johnsgard is the world's leading synthesizer of our knowledge of birds and the presenter of such varied and complex information to both professional and lay audiences. He has made an enormous contribution to our planet . . . In his latest book, *A Chorus of Cranes*, the splendor of Johnsgard's lyrical style is matched by incomparable images from one of the world's best-known photographers, and fellow Nebraskan, Tom Mangelsen." —George Archibald, Co-Founder and Senior Conservationist, International Crane Foundation

**Crane Music** Paul A. Johnsgard, 1998-02-01 Graced with illustrations by the author, *Crane Music* introduces the two North American crane species. The sandhill, most often seen, is within easy reach of bird-watchers in the center of the continent. Less visible is the whooping crane, struggling back from near extinction. Paul Johnsgard follows these elegant birds through a year's cycle, describing their seasonal migrations, natural habitats, breeding biology, call patterns—angelic to the bird-lover's ear—and fascinating dancing. The largest and most spectacular migratory concentration of cranes happens each spring when the Platte River valley becomes the staging ground for an amazing gathering of four hundred thousand to five hundred thousand sandhills en route from the South to the Arctic tundra. Johnsgard describes this incredible event as well as memorable personal encounters with the cranes. His knowledge of them transcends natural history, covering their importance in religion and mythology.

*Crane Valve World* , 1911

**The Work of Stephen Crane** Stephen Crane,1926

**Stephen Crane** Kevin J. Hayes,2004 This work overviews Crane's achievement as an author, examining the many literary genres in which Crane wrote: newspaper journalism, novel, poetry, sketch, and short story.

The Crane Wife ,2002 A retelling of the traditional Japanese tale about a poor sail maker who gains a beautiful but mysterious wife skilled at weaving magical sails.

**The Hanging of the Crane** Henry Wadsworth Longfellow,2024-03-19 Reprint of the original, first published in 1875.

**Stephen Crane** Stephen Crane,1952 This book contains a collection of Stephen Crane's writings for the average reader.

**Can You Dance Like John?** Jeff Kurrus,2018 Mary and John Crane's flight back toward their nesting grounds in Alaska was starting differently than most years. It wasn't that they had lost each other again, like they did the year before in Nebraska, but this spring John wasn't his normal self. So begins *Can You Dance Like John?*, Jeff Kurrus's fictional account of one sandhill crane learning to cope with the loss of her mate. Set on the crane's migration path, this bittersweet story of love, loss, and healing will appeal to all ages. Michael Forsberg's beautiful color photographs also help entertain and educate readers about sandhill cranes.

The Crane Wife CJ Hauser,2023-06-27 A memoir in essays that expands on the viral sensation "The Crane Wife" with a frank and funny look at love, intimacy, and self in the twenty-first century. From friends and lovers to blood family and chosen family, this "elegant masterpiece" (Roxane Gay, New York Times bestselling author of *Hunger*) asks what more expansive definitions of love might offer us all. A BEST BOOK OF THE YEAR: TIME, THE GUARDIAN, GARDEN & GUN Hauser builds their life's inventory out of deconstructed personal narratives, resulting in a reading experience that's rich like a complicated dessert—not for wolfing down but for savoring in small bites. —The New York Times "Hauser's wry, introspective investigation of their assumptions about love will likely free readers to examine their own personal narratives as well ... 'The rare happy ending I appreciate is one that makes room for the whole painful fact of the world at the same time it offers the reader some joy,' they write. The Crane Wife embraces this philosophy again and again as Hauser excavates their past loves and losses, thoughtfully examines them and declares the pain of love to be worth the risk." —BookPage Ten days after calling off their wedding, CJ Hauser went on an expedition to Texas to study the whooping crane. After a week wading through the gulf, they realized they'd almost signed up to live someone else's life. Hauser releases themselves from traditional narratives of happiness and goes looking for ways of living that leave room for the unexpected, making plenty of mistakes along the way. They kiss Internet strangers and officiates at a wedding. They reread Rebecca in the house their boyfriend once shared with his ex-wife and rewinds Katharine Hepburn in *The Philadelphia Story* to learn how not to lose yourself in a relationship. They think about Florence Nightingale at a robot convention and grief at John Belushi's rock and roll gravesite, and the difference between those stories we're asked to hold versus those we choose to carry. Told with the late-night barstool directness of your wisest, most bighearted friend, *The Crane Wife* is a book for everyone whose life doesn't look the way they thought it would; for everyone learning to find joy in the not-knowing; for everyone trying, if sometimes failing, to build a new sort of life story, a new sort of family, a new sort of home, to live in.

**Stephen Crane** John Berryman,1977 This is the most penetrating study available about the life and specifically the writing of Stephen Crane.

Genealogy of the Crane family Ellery Bicknell Crane,1895-01-01

Crane Jeff Stone,2007 In China in the mid-seventeenth century, twelve-year-old Hok, disguised as a boy for most of her life, must now assume her proper identity as a girl and try to save her brothers' lives by entering the notorious Jinan City Fight Club.

*The Stephen Crane Reader* Stephen Crane, 1972

The Crane Log Stanley Wertheim, Paul Sorrentino, 1994 Contains primary source material.

Stephen Crane: The Blue Hotel, The Bride Comes to Yellow Sky & The Open Boat (3 Titles in One Edition) Stephen Crane, 2017-12-06 This omnibus contains the 3 famous stories by Stephen Crane: The Blue Hotel The Bride Comes to Yellow Sky The Open Boat Stephen Crane (1871-1900) was an American novelist, short-story writer, and poet who is often called the first modern American writer. Crane was a correspondent in the Greek-Turkish War and the Spanish American War, penning numerous articles, war reports and sketches.

*Genealogy of the Crane Family: Descendants of Henry Crane, of Wetherfield and Guilford, Conn., with sketch of the family in England* Ellery Bicknell Crane, 1895

**Crane Handbook** D. E. Dickie, 2013-10-22 Crane Handbook offers extensive advice on how to properly handle a crane. The handbook highlights various safety requirements and rules. The aim of the book is to improve the readers' crane operating skills, which could eventually make the book a standard working guide for training operators. The handbook first reminds the readers that the machine should be carefully tested by a regulatory board before use. The text then notes that choosing the right crane for a particular job is vital and explains why this is the case. It then discusses how well-equipped and durable the crane should be. The next chapters talk about the crane's operating controls; each control is identified and explained. The book lists the requirements that the crane must meet, while the final chapters explore proper set-up, maintenance, and precautions. The text is a very helpful reference for crane operators, owners, and contractors and could be of interest to casual readers as well.

## **Crane Book Review: Unveiling the Power of Words**

In a global driven by information and connectivity, the energy of words has be more evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **Crane**, a literary masterpiece that delves deep in to the significance of words and their impact on our lives.
