Diana Cohn

The Crane Wife CJ Hauser,2023-06-27 A memoir in essays that expands on the viral sensation “The Crane Wife” with a frank and funny look at love, intimacy, and self in the twenty-first century. From friends and lovers to blood family and chosen family, this “elegant masterpiece” (Roxane Gay, New York Times bestselling author of *Hunger*) asks what more expansive definitions of love might offer us all. A BEST BOOK OF THE YEAR: TIME, THE GUARDIAN, GARDEN & GUN Hauser builds their life's inventory out of deconstructed personal narratives, resulting in a reading experience that's rich like a complicated dessert—not for wolfing down but for savoring in small bites. —The New York Times “Hauser’s wry, introspective investigation of their assumptions about love will likely free readers to examine their own personal narratives as well ... ‘The rare happy ending I appreciate is one that makes room for the whole painful fact of the world at the same time it offers the reader some joy,’ they write. The Crane Wife embraces this philosophy again and again as Hauser excavates their past loves and losses, thoughtfully examines them and declares the pain of love to be worth the risk.” —BookPage Ten days after calling off their wedding, CJ Hauser went on an expedition to Texas to study the whooping crane. After a week wading through the gulf, they realized they'd almost signed up to live someone else's life. Hauser releases themselves from traditional narratives of happiness and goes looking for ways of living that leave room for the unexpected, making plenty of mistakes along the way. They kiss Internet strangers and officiate at a wedding. They reread Rebecca in the house their boyfriend once shared with his ex-wife and rewinds Katharine Hepburn in *The Philadelphia Story* to learn how not to lose yourself in a relationship. They think about Florence Nightingale at a robot convention and grief at John Belushi’s rock and roll gravesite, and the difference between those stories we’re asked to hold versus those we choose to carry. Told with the late-night barstool directness of your wisest, most bighearted friend, *The Crane Wife* is a book for everyone whose life doesn't look the way they thought it would; for everyone learning to find joy in the not-knowing; for everyone trying, if sometimes failing, to build a new sort of life story, a new sort of family, a new sort of home, to live in.

The Crane ,2003 In an ever-expanding city, one young man claims the job of his dreams, operator of the tallest crane around. Since others envy his position, he never leaves his crane, always eager for the day—and work—to begin. As the seasons pass, man and machine almost become one. The crane was a giant with iron sinews, and the craneman was its heart. Then people begin to hoard their goods, grinning ravens multiply throughout the land, and war is at hand. But the craneman never falters, remaining at his post even when the land is flooded, ready for reconstruction to begin.

The Complete Story of Sadako Sasaki Masahiro Sasaki,Sue DiCicco,2020-04-07 **Independent Publisher Book Award (IPPY) Winner** **Middle School Book of the Year-- Northern Lights Book Awards** **Skipping Stones Honor Award Winner** For the first time, middle readers can learn the complete story of the courageous girl whose life, which ended through the effects of war, inspired a worldwide call for peace. In this book, author Sue DiCicco and Sadako's older brother Masahiro tell her complete story in English for the first time--how Sadako's courage throughout her illness inspired family and friends, and how she became a symbol of all people, especially children, who suffer from the impact of war. Her life and her death carry a message: we must have a wholehearted desire for peace and be willing to work together to achieve it. Sadako Sasaki was two years old when the atomic bomb was dropped on her city of Hiroshima at the end of World War II. Ten years later, just as life was starting to feel almost normal again, this athletic and enthusiastic girl was fighting a war of a different kind. One of many children affected by the bomb, she had contracted leukemia. Patient and determined, Sadako set herself the task of folding 1000 paper cranes in the hope that her wish to be made well again would be granted. Illustrations and personal family photos give a glimpse into Sadako's life and the horrors of war. Proceeds from this book are shared equally between The Sadako Legacy NPO and The Peace Crane Project.

The Paper Crane Molly Bang,1987-07-15 Business returns to a once prosperous restaurant when a mysterious stranger pays for his meal with a magical paper crane that comes alive and dances.

The Open Boat and Other Stories Stephen Crane,2021-01-05 With two parts and seventeen stories, Stephen Crane’s *The Open Boat and Other Stories* is an eclectic collection that stuns with its use of naturalism and angst. In the first part, titled *Minor Conflicts*, Crane shares eight works of short fiction. Among these is *The Bride Comes to the Yellow Sky*, a tense drama that explores themes of change with the portrayal of a Texas marshal who is saved from gunfight by his bride. *Death and the Child* follows a journalist who, after becoming sympathetic to the Greeks as he acts as a correspondent for the war, decides to join them in their fight. Also featured in part one of *The Open Boat and Other Stories* is the title work. *The Open Boat* follows the emotional journey of four men who have survived a shipwreck as they wrestle with the realization that nature is apathetic to their fate. Titled *Midnight Sketches*, the second part of *The Open Boat and Other Stories* pays special attention to the class struggles of American Society. *An Experiment in Misery* features the wrenching story of a young man who wanders the streets of New York, enduring taunts and cruelty as he searches for affordable food and living accommodations. Similarly, *An Ominous Baby* is a brief, symbolic tale of socioeconomics as it follows a young child exploring a rich neighborhood, becoming fixated on a rich kid’s toy. With themes of romance and coming-of-age, *The Pace of Youth* depicts a young couple who, despite the disapproval of the girl’s father, decides to indulge in their love and elope. With dramatic and wrenching prose, Stephen Crane’s *The Open Boat and Other Stories* examines universal topics and themes that are still relevant to contemporary society. While depicting a vivid variety of settings, including both exotic and American landscapes, and with the depiction of complex protagonists ranging from innocent children, to journalist-turned soldiers, *The Open Boat and Other Stories* celebrates and features some of Stephen Crane’s best work. Now presented in an easy-to-read font and redesigned with an eye-catching cover, this edition of *The Open Boat and Other Stories* by Stephen Crane is catered to a modern audience.

The Children of the Paper Crane: The Story of Sadako Sasaki and Her Struggle with the A-Bomb Disease Masamoto Nasu,Elizabeth W. Baldwin,2016-04-08 First Published in 2015. Routledge is an imprint of Taylor & Francis, an Informa company.

Detour Cheryl Crane,Cliff Jahr,1989

The Crane Wife ,2002 A retelling of the traditional Japanese tale about a poor sail maker who gains a beautiful but mysterious wife skilled at weaving magical sails.

Crane Boy Diana Cohn,2015-09-28 Every year, Kinga and his classmates wait for the black-necked cranes to return to the kingdom of Bhutan. The birds fly south over the highest mountains in the world to winter in the valley where Kinga lives, deep in the Himalayas. The cranes have been visiting the valley since ancient times, but every year, fewer cranes return. Kinga is concerned. What can he do?, he wonders. He and his classmates approach the monks for permission to create and perform a dance to honor the cranes and to remind the Bhutanese people of their duty to care for them. The monks caution them to first watch the cranes to see how they move and learn from them. The children watch and practice. And practice some more until the big day when they perform before the king of Bhutan. Diana Cohn is an educator and writer with an active commitment to social justice work. She has published six picture books for children. *Crane Boy* was inspired by two visits to Bhutan and by her interest in how cultural traditions evolve and adapt over time. Youme is an author, illustrator, and community-based artist who has worked internationally in Asia, Africa, and the Caribbean. Her first book *Selavi: That is Life* won the 2005 Jane Addams Peace Award. *Pitch Black: Don't Be Skerd*, a graphic novel she co-authored with Anthony Horton, was named one of YALSA's Top Ten Great Graphic Novels in 2009.

The Complete Short Stories and Sketches of Stephen Crane Stephen Crane,2013-04-03 For the first time all 112 of Stephen Crane’s short stories and sketches—including several that have not been included in any previous collection and two that are now in print for the first time—have been brought together in one volume. Critics call Stephen Crane, who is best known for his Civil War novel, *The Red Badge of Courage*, the first “modern” American writer. Crane was only twenty-eight when he died, but his work had a profound influence on American letters. He helped to kill sentimentality in American writing, giving this country’s fiction renewed strength and dignity as an art form. Crane is considered the American counterpart of such European Nationalists as Zola, Tolstoy, and Flaubert. He refused to bow to the conventions of the day or to popular taste, but wrote about life as he saw it in the closing years of the nineteenth century. And “honest vision of life” was the foundation stone of his artistic aims, and so he sought first-hand experiences and personal involvement in his

themes. He lived the life of “The Open Boat” before he wrote the story. His stories of war and conflict, such as “A Mystery of Heroism” and “Virtue in War,” reflect his experiences as a war correspondent. Crane strove for originality in his writing; “his style—tense, darting, abrupt, ironic—blends perfectly with an impressionistic technique to give emotional, psychological, and symbolic significance to a series of astutely observed and richly colored episodes.” The stories and sketches that were a product of his one-man literary revolution are as “modern” today as ever. This collection includes an authoritative introduction by the editor, in which he evaluates the artistic significance of Crane’s work. The stories and sketches are presented in chronological order and have been carefully edited to ensure that they are in their original form.

Sadako and the Thousand Paper Cranes (Puffin Modern Classics) Eleanor Coerr, 2004-04-12 “An extraordinary book, one no reader will fail to find compelling and unforgettable.” —Booklist, starred review The star of her school’s running team, Sadako is lively and athletic...until the dizzy spells start. Then she must face the hardest race of her life—the race against time. Based on a true story, Sadako and the Thousand Paper Cranes celebrates the courage that makes one young woman a heroine in Japan. [The] story speaks directly to young readers of the tragedy of Sadako's death and, in its simplicity, makes a universal statement for 'peace in the world.’’ —The Horn Book The story is told tenderly but with neither a morbid nor a sentimental tone: it is direct and touching. —BCCB

7 best short stories by Stephen Crane Stephen Crane, August Nemo, 2020-05-14 American novelist, short story writer, and poet Stephen Crane was born November 1st, 1871; six years after the American Civil War had ended. Yet his fame and fortune were interwoven with that war. Though he never fought in battle himself, he created stories about the battlefield that were so realistic that veterans reading his work thirty years after the war had ended praised it for its realism and ability to capture the true feelings and images of combat. A Dark Brown Dog An Experiment in Misery The Veteran Four Men in a Cave A Tent in Agony The Snake Upturned Face

The Open Boat Stephen Crane, 2013-09-20 This carefully crafted ebook: The Open Boat is formatted for your eReader with a functional and detailed table of contents. The Open Boat is a short story by American author Stephen Crane. First published in 1897, it was based on Crane's experience of surviving a shipwreck off the coast of Florida earlier that year while traveling to Cuba to work as a newspaper correspondent. Crane was stranded at sea for thirty hours when his ship sank after hitting a sandbar. He and three other men were forced to navigate their way to shore in a small boat. Crane's personal account of the shipwreck and the men's survival, titled Stephen Crane's Own Story, was first published a few days after his rescue. Stephen Crane (1871-1900) was an American novelist, short-story writer, and poet who is often called the first modern American writer. Crane was a correspondent in the Greek-Turkish War and the Spanish American War, penning numerous articles, war reports and sketches. In addition to six novels, Crane wrote over a hundred short stories including The Blue Hotel, The Bride Comes to Yellow Sky, and The Open Boat.

NORFOLK CRANE STORY JOHN BUXTON, 2019-05-31

The Children of the Paper Crane: The Story of Sadako Sasaki and Her Struggle with the A-Bomb Disease Masamoto Nasu, Elizabeth W. Baldwin, 2016-04-08 First Published in 2015. Routledge is an imprint of Taylor & Francis, an Informa company.

The Man Who Saved the Whooping Crane Kathleen Kaska, 2012-09-16 Millions of people know a little bit about efforts to save the whooping crane, thanks to the movie Fly Away Home and annual news stories about ultralight planes leading migratory flocks. But few realize that in the spring of 1941, the population of these magnificent birds--pure white with black wingtips, standing five feet tall with a seven-foot wingspan--had reached an all-time low of fifteen. Written off as a species destined for extinction, the whooping crane has made a slow but unbelievable comeback over the last seven decades. This recovery would have been impossible if not for the efforts of Robert Porter Allen, an ornithologist with the National Audubon Society, whose courageous eight-year crusade to find the only remaining whooping crane nesting site in North America garnered nationwide media coverage. His search and his impassioned lectures about overdevelopment, habitat loss, and unregulated hunting triggered a media blitz that had thousands of citizens on the lookout for the birds during their migratory trips. Allen's tireless efforts changed the course of U.S. environmental history and helped lead to the passage of the Endangered Species Act in 1973. Though few people remember him today, his life reads like an Indiana Jones story, full of danger and adventure, failure and success. His amazing story deserves to be told.

This Story Will Change Elizabeth Crane, 2023-08-15 Rachel Cusk meets Nora Ephron in this intimate and evolving portrait about the end of a marriage and how life can fall apart and be rebuilt in wonderful and surprising ways Thrilling. —The New York Times Book Review One minute Elizabeth Crane and her husband of fifteen years are fixing up their old house in Upstate New York, finally setting down roots after stints in Chicago, Texas, and Brooklyn, when his unexpected admission—I’m not happy—changes everything. Suddenly she finds herself separated and in couples therapy, living in an apartment in the city with an old friend and his kid. It’s understood that the apartment and bonus family are temporary, but the situation brings unexpected comfort and much-needed healing for wounds even older than her marriage. Crafting the story as the very events chronicled are unfolding, Crane writes from a place of guarded possibility, capturing through vignettes and collected moments a semblance of the real-time practice of healing. At turns funny and dark, with moments of poignancy, This Story Will Change is an unexpected and moving portrait of a woman in transformation, a chronicle of how even the stories we tell ourselves about ourselves are bound to change.

Yellow Bird Sierra Crane Murdoch, 2021-02-16 PULITZER PRIZE FINALIST • The gripping true story of a murder on an Indian reservation, and the unforgettable Arikara woman who becomes obsessed with solving it—an urgent work of literary journalism. “I don’t know a more complicated, original protagonist in literature than Lissa Yellow Bird, or a more dogged reporter in American journalism than Sierra Crane Murdoch.”—William Finnegan, Pulitzer Prize-winning author of Barbarian Days In development as a Paramount+ original series WINNER OF THE OREGON BOOK AWARD • NOMINATED FOR THE EDGAR® AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Publishers Weekly When Lissa Yellow Bird was released from prison in 2009, she found her home, the Fort Berthold Indian Reservation in North Dakota, transformed by the Bakken oil boom. In her absence, the landscape had been altered beyond recognition, her tribal government swayed by corporate interests, and her community burdened by a surge in violence and addiction. Three years later, when Lissa learned that a young white oil worker, Kristopher “KC” Clarke, had disappeared from his reservation worksite, she became particularly concerned. No one knew where Clarke had gone, and few people were actively looking for him. Yellow Bird traces Lissa’s steps as she obsessively hunts for clues to Clarke’s disappearance. She navigates two worlds—that of her own tribe, changed by its newfound wealth, and that of the non-Native oilmen, down on their luck, who have come to find work on the heels of the economic recession. Her pursuit of Clarke is also a pursuit of redemption, as Lissa atones for her own crimes and reckons with generations of trauma. Yellow Bird is an exquisitely written, masterfully reported story about a search for justice and a remarkable portrait of a complex woman who is smart, funny, eloquent, compassionate, and—when it serves her cause—manipulative. Drawing on eight years of immersive investigation, Sierra Crane Murdoch has produced a profound examination of the legacy of systematic violence inflicted on a tribal nation and a tale of extraordinary healing.

One Thousand Paper Cranes Takayuki Ishii, 2012-01-25 The inspirational story of the Japanese national campaign to build the Children's Peace Statue honoring Sadako and hundreds of other children who died as a result of the bombing of Hiroshima. Ten years after the atomic bomb was dropped on Hiroshima, Sadako Sasaki died as a result of atomic bomb disease. Sadako's determination to fold one thousand paper cranes and her courageous struggle with her illness inspired her classmates. After her death, they started a national campaign to build the Children's Peace Statue to remember Sadako and the many other children who were victims of the Hiroshima bombing. On top of the statue is a girl holding a large crane in her outstretched arms. Today in Hiroshima Peace Memorial Park, this statue of Sadako is beautifully decorated with thousands of paper cranes given by people throughout the world.

An Episode of War Stephen Crane, 2009-04-28 Though best known for The Red Badge of Courage, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them The Monster, The Upturned Face, The Open Boat, and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of

unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

Crane&sorty Introduction

In the digital age, access to information has become easier than ever before. The ability to download Crane&sorty has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Crane&sorty has opened up a world of possibilities. Downloading Crane&sorty provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Crane&sorty has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Crane&sorty. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting

readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Crane&sorty. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Crane&sorty, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Crane&sorty has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Crane&sorty Books

- 1. Where can I buy Crane&sorty books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
- 2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Crane&sorty book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Crane&sorty books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Crane&sorty audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
