Jim Carrier

The Ship and the Storm: Hurricane Mitch and the Loss of the Fantome Jim Carrier,2000-11-20

Utterly compulsive and unputdownable--the most exciting, authentic, and humanly moving of all the recent Storm books. Brilliantly paced and perfectly balanced. . . . Carrier is a marvelously trustworthy narrator. . . . A terrific book.--Jonathan Raban, author of Passage to Juneau: A Sea and Its Meanings and Bad Land: An American Romance A wonderful story. An extremely well-written account of the events as I knew them. I commend Jim Carrier for a magnificent job.--Jerry D. Jarrell, Director, National Hurricane Center In October 1998, the majestic schooner Fantome came face-to-face with one of the most savage storms in Atlantic history. The last days of the Fantome are reconstructed in vivid and heartbreaking detail through Jim Carrier's extensive research and hundreds of personal interviews. What emerges is a story of courage, hubris, the agony of command, the weight of lives versus wealth, and the advances of science versus the terrible power and unpredictability of nature.

Ship and the Storm: Hurricane Mitch and the Loss of the Fantome Jim Carrier,2002-06-01 Captain

Guyan March had spent his entire professional career aboard Windjammer Barefoot Cruises' fleet of extravagant tall ships that carry passengers on weeklong fantasy cruises spiced with rum and sun. When he agreed to command the Fantome, Windjammer's marquee ship, a beautiful 282-foot schooner that sailed like a pig in the Gulf of Honduras, he knew that a storm would leave him little space to run. In the southern reaches of the Caribbean, Tropical Storm Mitch whirled to life like a nebula and became Captain March's worst nightmare--a category five storm with 180-mile-per-hour winds and fifty-foot seas. After discharging his passengers in Belize, Captain March and his crew, most of them West Indians, took the \$20 million uninsured tall ship out to sea to dodge the approaching storm. What ensued was a deadly game of cat and mouse that confounded experts' predictions and cornered the Fantome with eerie precision. Based on journalist Jim Carrier's exhaustive research and hundreds of interviews, *The Ship and the Storm* explores the story of the Fantome and Hurricane Mitch from every angle. From the deck of the ship, to the research planes flying into the eye of the hurricane, to islanders and coastal villagers in a desperate battle for survival,

The Ship and the Storm is the heartbreaking and horrifying story of the most destructive hurricane in Western Hemisphere history.

Sunshine and Storm in the East Annie Baroness Brassey, 2014-03 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Cruise the Storm David Chilcott, 2018-10-31 The Helena, an upmarket cruise ship sets sail for the Med. It is already in the Solent before the owners realise there are several members of a far right group aboard, and they might be aiming to hijack the ship, but they are sure that due to stringent security there can be no weapons aboard. They discuss matters with MI5, and one of their operatives agrees to board the ship in Spain, to monitor the situation, and to prevent weapons being taken on board. John McBride is aboard, encouraged by his agent to act as art tutor. When the Captain learns that McBride used to be in the SAS, he thinks he might be useful if things get out of hand. But it is not just a hijack that takes place, but also a rebellion by the passengers loathe to have their holiday ruined. A hurricane, rare, but not unknown in the Mediterranean engulfs the ship, which is holed by a collision with a container washed off a watching container ship. When the Captain thinks life couldn't get worse on this, his last voyage before retirement, it does. With the last hijacker roaming the ship in disguise, will he kill the captain? A fast, pacy read and it draws you in. . . A tale of deception, intrigue and crime. . .

Cruise Tourism in the Caribbean Martha Honey, 2019-06-17 This book explores the lessons learned from half a century of Caribbean cruise tourism; one of the most popular and profitable sectors of the tourism industry. The modern-day cruise industry dates from the 1960s when the three major cruise lines, Carnival, Royal Caribbean, and Norwegian, set up shop in Florida and began selling winter cruises to the Caribbean targeting American retirees. For geopolitical reasons, the US initially excluded cruises to Cuba. This changed in 2016, following the historic Obama-Castro agreement to move towards diplomatic, trade and travel normalization. Cuba quickly became the Caribbean's fastest growing cruise destination. This book considers the limited economic benefits of cruise tourism, its environmental and social impacts, and the effects of climate change, and overtourism. Based on this analysis and case studies of key Caribbean and Mediterranean destinations, this book cautions against overdependence on cruise tourism and outlines reforms needed to bring more benefits and equity to Caribbean countries. It will be valuable to professionals, businesses, development agencies, NGOs, and academics interested in a sustainable cruise industry and the economic well-being of Caribbean

island nations.

Sea Storm Andrew Mayne, 2022-03-29 A Wall Street Journal bestselling series. An explosive conspiracy sets the ocean roiling for a deep-diving investigator in a riveting thriller by the author of the Amazon Charts bestseller *The Girl Beneath the Sea*. A distress call draws rescuers Sloan McPherson and the Underwater Investigation Unit to a cruise ship off the coast of Fort Lauderdale that's sinking from a mysterious explosion. When it appears to be the work of an ecoterrorist and other ships are threatened, it becomes a race against time. More clues are discovered, and evidence is in danger of being washed away by a coming tropical storm. Sloan grows concerned that key details are being ignored, and a strange lack of urgency by authorities sets off alarms. As the troubling questions compound, Sloan is determined to chase down every lead she has. Her persistence is getting her closer to the truth: that there's something far more troubling at play than the official explanation. It's also putting Sloan on a collision course with an enemy more powerful than she realizes, in a case so complex and deadly it may be impossible to prove. Now cracking the case is a matter of staying one

step ahead of someone with every resource imaginable to bury Sloan and everything she knows.

Sunshine and Storm in the East, Or Cruises to Cyprus and Constantinople Annie Brassey, 2005

This diary records two voyages to Constantinople, made by Lady Annie Brassey, and demonstrates her keen eye for human interest and narrative detail. The modern reader will glimpse natural wonders and cultural distinctions of Portugal, Spain, Morocco, Italy, Greece, and Turkey, during the mid-1870s.

The Complete Guide to Caribbean Cruises, 2nd Edition Linda Coffman, 2007-09-04 What's really included in your cruise fare? What cabins are the best--and the worst? What cruise line has the largest standard cabins, even at the lowest price levels? Which cruise line's ships have rock-climbing walls?--Fodor's *The Complete Guide to Caribbean Cruises, 2nd Edition* answers all these questions and many more Linda Coffman, our resident Cruise Diva, has been dishing out cruise-travel advice for more than a decade and has the answers to all your cruise questions. An avid cruiser, she spends most of her time cruising in the Caribbean and knows all the inside info on all the ships and even the best things to do while ashore The San Francisco Chronicle sums it up best --Fodor's guides are saturated with

information. - We make every effort to bring you the most accurate and thorough book possible. Plus we provide timely updates about cruising and the Caribbean at Fodors.com. - You know you're getting the real scoop on Caribbean cruising because unlike other guidebooks, Fodor's relies heavily on a cruising expert who knows the industry inside and out - We give you the planning tools you need to tailor your trip. We give options for all budgets. You make the choices. ----- With Fodor's you get much more than a guidebook-we make it easy for you to customize your dream vacation. Visit www.fodors.com to find up-to-date travel bargains, mini-guides to worldwide destinations, information on local festivals, dazzling drives, maps, vacation planning tips and much more And, for more insider secrets, visit Travel Talk and Rants and Raves online at www.fodors.com/forums to get advice from other travelers like you.

Storm Front Leo J. Maloney, 2022-01-25 The second installment in acclaimed Black-Ops thriller author Leo J. Maloney's spin-off series featuring Alex Morgan, daughter of Zeta operative Dan Morgan. STORM FRONT Ares, an insidious challenger to the Zeta group, is sowing conflict around the

world, orchestrating an explosive endgame. Identifying the next target as a cruise ship on the Coral Sea, Zeta sends undercover operatives Alex Morgan and Alicia Schmitt to avert catastrophe. Infiltrating the crew and passengers is easy for the skilled agents—but also for the fortified and highly trained extremists, who topple security and gain control of the ship. The attackers’ demands: inconceivable. Their threats: immediate. As a massive storm bears down off the Australian coast, Alex and Alicia are outnumbered, outgunned, and out to sea. In full chaos mode, Alex shores up her last defenses, unaware that someone close to her could shift the odds in her favor—or against her. Ares has every advantage in this operation, but they have overlooked one key thing. Never underestimate a Zeta agent . . . especially one whose last name is Morgan. Praise for Leo J. Maloney and His Novels “Utterly compelling.” —Jeffery Deaver “Fine writing and real insider knowledge.” —Lee Child “Rings with authenticity.” —John Gilstrap “A ripping story!” —Meg Gardiner “The new master of the modern spy game.” —Mark Sullivan
