Millie, Daisy, and the Scary Storm Danny Robertshaw,Ron Danta,Crystal Velasquez,2022-07-12 Best friends Millie and Daisy worry about being separated during a dog adoption event.

The Daisy That Stood the Storm B J Miller,2006-10 This book is about a flower that lives in a desert. This flower has gone through many ups and downs in her life. It is a poetry book about fiction or non-fiction events that have happened or not happened, ranging from love to sorrow. It will make you laugh and cry and ask about the questions who, what, when, where, and why. Even though some of the poems are not true, they do come from pure emotion. You will find that the greatest thing about life is life itself. It will show you that even though she is a little flower in a big world, she will stand through any storm and not wilt. Even though there are a lot of emotions in this book, I feel that whoever reads it will relate somehow. So grab a snack, relax, and read these words.

Millie, Daisy, and the Scary Storm Danny Robertshaw,Ron Danta,Crystal Velasquez,2022-07-12 Inspired by real dogs from Danny & Ron’s Rescue from the popular documentary, Life in the Doghouse, this third book in a sweet chapter book series follows a pair of pups hoping to find a new home together. Millie and Daisy are two bonded dogs who’ve been through a lifetime of ups and downs together. Finally finding safety at Danny & Ron’s Rescue, Millie settles in easily, while Daisy still feels anxious, especially during thunderstorms. A big adoption event for the rescue dogs is coming up, and Millie can’t wait. She wants to convince a family to take both her and Daisy together, so she comes up with a plan to make them stand out. Daisy’s not so sure she wants to be adopted though and thinks that while adoption may be right for Millie, living at the rescue is what’s right for her. But Daisy doesn’t like the thought of being apart from Millie, and she doesn’t want to ruin Millie’s dreams. As the big day arrives, will Millie and Daisy be able to find the right solution for both of them? Or does finding their perfect forever homes mean saying goodbye to each other?
