Parent Child Journey Dan Shapiro M D,2016-11-25 Author, pediatrician, and developmental- behavioral expert Dan Shapiro, MD, divides his new parenting guide, Parent Child Journey, into ten different miles. Each mile represents an interactive session that brings you closer to understanding your child's behavior and learning effective strategies. The first mile includes the Gander, an assessment tool Shapiro developed to help describe your child's developmental profile-and yours too. Respecting the different learning styles of children and parents, he presents the Gander in a variety of ways: as a standard rating scale with explanatory text, but also as a picture, a song, and a map. Then, Shapiro takes parents through nine other sessions, continuing to present his evidence-based training program as a uniquely creative integration of standard discussion, real-life vignettes, richly illustrated fable, worksheets, and homework assignments. Throughout Parent Child Journey, Shapiro emphasizes, Just because your child's behavior may be complicated, does not mean it is incomprehensible. Parent Child Journey combines serious help with whimsical presentation-supporting and teaching parents, even as it engages and entertains. With this comprehensive new guide, Shapiro reassures parents that they are not alone on this journey.

The Art of Raising Significant Children Dan Clark,2022-06-30 As 2012 Utah Father of the Year - Dan teaches why we shouldn't choose our children's friends; the only person they need to be better than is the person they were yesterday; discipline is to teach, not to punish.

Daniel Tyree Danny Rocky Daddy Clarence Uncle Dan Dan Knight,Uncl Dan Edward Knight Sr,2014-06-20 This book is a update on the Knight men in the Family. 2014 is the year and we all are in hot pursuit of our Individual dreams but we have not forgot that we are still a family no matter how far away we are still One.
