Dare me Victory Storm,2023-04-26 Jake: "You will want me so badly that you will beg me to fuck you. You'll be so desperate that you'll do anything to have me." Edith: "You'll want me so badly that you'll beg me to love you. You will be so desperate that you will do anything to forget me when you realise you can never have me." A single summer threatens to burn Edith and Jake's souls from the moment they first met. Edith is ready to start college and realise her dream of becoming a lawyer. She has given her all to be admitted to one of the best universities in the country. Jake is graduating law school with flying colours, despite his unruly and rebellious life. Two different ways of life but a common goal: unacceptable for Edith, intriguing for Jake. The clash is inevitable and that holiday will soon become the scene of a war to the death. Two stinging tongues challenge each other, ready to tear each other to shreds, in a game of provocative glances and covert insults. However, one has to be careful, because if you play with fire, you risk getting burnt. Translator: LRizzi-Erneste PUBLISHER: TEKTIME

Lord of the Storm Justine Davis,2014-06-20 Her every wish is his command. He lives only to serve her desires. A warrior. A sex slave from a conquered world. What will he do to her if she sets him free? Shaylah Graymist, ace fighter pilot for a brutal intergalactic Coalition, is given a slave as a reward for heroism in battle. The incredibly virile slave named Wolf wears a collar which controls him completely, allowing her to make him do anything she wants. Yet Shaylah has an old-fashioned belief in love and refuses to take advantage of him. A tense friendship grows between her and Wolf, along with deep desires he refuses to admit. The Coalition destroyed his people. He won't betray their memory. When Shaylah returns to battle, Wolf rebels and is sold to a prison colony. She frees him, and together they journey to his home planet. As she learns more about Wolf, she begins to question her loyalty to the Coalition, and the passions between them burn out of control.

To love her would be to curse her to a fate worse than death... The second he saw her, Sirius knew her for his fated mate. But Malin is a nobody in the dreki court and her very presence is a threat to the queen's ambitions for him. Forced to hide the truth and accept the match his queen has made for him—to mate with the princess Malin serves—he dares not reveal his heart. Emotional Storm Michael Eigen,2005-05-19 Penetrating look at human relatedness by one of the field's most innovative thinkers. When two personalities meet, an emotional storm is created. This provocative quote by renowned psychoanalyst W.R. Bion is the point of departure for Eigen's new work. In the tradition of Martin Buber, Eigen explores the broad spectrum of emotions we experience in our relatedness to others, from feelings of longing, plenitude, and fulfillment to starvation, suffocation, and blind rage. Unlike authors of easy self-help books, Eigen embraces the storms of life as a critical aspect of our human bond. For Eigen, the emotional storm is not pathological, but rather integral to our humanity and instrumental to our growth and development. For this reason, he looks critically at our attempts to blunt our emotional response to the world around us. Like Eigen's other work, Emotional Storm weaves case studies, literary references, and psychoanalytic theory into an integrated, complex understanding.
