Dari Grammar and Phrase Book Ehsan M. Entezar, 2010 Dari Grammar and Phrasebook is the result of many years of research and teaching. It has two parts. Part one (grammar) is a systematic presentation of Dari sound system (phonology, word formation (morphology) and sentence structure (syntax). Each chapter begins with an introduction. This is followed by analysis of the new concepts providing plenty of examples and illustrations. Next comes the chapter summary. Each chapter in part one ends with exercises. Part two (phrasebook) is about how to communicate with Afghans on a variety of situations (topics). This part first discusses language functions such as asking, ordering, requesting, apologizing, persuading, and so on. The second part is about topics or situations involving shopping, health, transportation, security, government and so on. The relevant vocabulary under each topic is listed into nouns, verbs and adjectives. The topics also include cross-cultural notes and proverbs.

The Pearl of Dari Zuzanna Olszewska,2015-11-16 The Pearl of Dari takes us into the heart of Afghan refugee life in the Islamic Republic of Iran through a rich ethnographic portrait of the circle of poets and intellectuals who make up the Pearl of Dari cultural organization. Dari is the name by which the Persian language is known in Afghanistan. Afghan immigrants in Iran, refugees from the Soviet war in Afghanistan, are marginalized and restricted to menial jobs and lower-income neighborhoods. Ambitious and creative refugee youth have taken to writing poetry to tell their story as a group and to improve their prospects for a better life. At the same time, they are altering the ancient tradition of Persian love poetry by promoting greater individualism in realms such as gender and marriage.

Zuzanna Olszewska offers compelling insights into the social life of poetry in an urban, Middle Eastern setting largely unknown in the West.

The complaint against Ms Taylor, by Mr James Wharton of Stockton South Conservatives, concerned the possible misuse of stationery and postage provided by Parliament, for letters sent between August and October 2007. In total, six letters were sent, with the Parliamentary Commissioner reaching a separate conclusion for each letter, as to whether the letters represented an allowable use of Incidental Expenses Provision and of House of

Commons stationery and postage. The case against two letters was dismissed. The Commissioner concluded that in three cases, official House of Commons stationery provided by the House and pre-paid envelopes were misused, and that in a fourth case, official House of Commons stationery purchased by Ms Taylor was misused. The Committee therefore agrees with the Commissioner's conclusions. The Committee further concluded, that they strongly deprecated the continued misuse by Ms Taylor of House stationery for political purposes and also expresses regret that Ms Taylor has continued to dispute parts of the Commissioner's findings and has offered no apology. In conclusion, the Committee states Ms Taylor should pay the House authorities the sum of £500 and submit an unequivocal written apology.

Jika kau bingung menemukan di mana bahu dan telinga terbaik untuk tiap keluhan kesahmu, aku pun tak punya petanya. Ke sinilah sebentar, kita teguk dua gelas teh hangat ini, di atas lantai merpati.
