**Bobby George**

*To the Point* Dan William Peek, 2001

*Bellies and Bullseyes* Sid Waddell, 2009-11-10 *Bellies and Bullseyes* is simply the greatest account there will ever be about the sport of darts - as told by one of its most legendary characters - Sid Waddell. It mixes Sid's own personal journey from the coalfields of the North East with the entire history of the sport. What is revealed is a hilarious yet epic Darts Babylon, covering every significant event and every character to walk the oche from Eric 'The Crafty Cockney' Bristow to Phil 'The Power' Taylor. In words as ripe as his commentaries, Sid brings an authentic whiff of fags, hard drink, hot tungsten and moist polyester to the whole cabaret. Sid has been friend and confidante to most of darts' stars over the years as well as being instrumental in the game's progress himself. Nobody is equipped to tell the story quite like he is. From the early days of hustling in bars and the 1960s money-race pub competitions that spawned the likes of John Lowe and Leighton Rees, to ITV's brilliantly daft *The Indoor League* and the glory days of BBC's coverage; from the bling of Bobby George and the belly of Jocky Wilson to the awesome professionalism of Phil Taylor; from smoky Northern working men's clubs to the Houses of Parliament; this is the complete, incredible story of darts.

**Game On!: In The Zone – My Darts Story** Johnny Cree,

*Bobby Dazzler* Bobby George, 2008-09-18 The autobiography of one of the most

charismatic figures in darts history, who has so much more to tell... When Bobby George first appeared on the darts scene, he immediately caught the eye: well built (he was the only darts player ever to be approached to take part in TV's Superstars), good looking and with plenty of bling, he was a natural showman. He could play a bit too, as he showed by reaching the final of the world championship in both 1980 and 1994. But that is only the beginning of the story. Before the darts came his time as a doorman at various East End pubs and bars just after the era of the Krays and Richardsons, when baseball bats and knuckle dusters would often come in handy. He also helped build the Victoria line. Since he retired from full-time darts, he has appeared in gangster films such as Dog, on TV programmes such as Celebrity Fit Club, and in videos with The Streets. Now best known as a commentator on the BBC, George relives the excitement of the last thirty years of the world of darts, with plenty of insider gossip and stories about all the most famous players in the TV era of the sport.

**The Outrageous and Completely Untrue History of the Sport of Darts** Paul Seigel, 2010-07-06 This is Dartoid's most recent and tiniest work of darts fiction and we should indeed be grateful for the latter. I can solemnly attest that it is, in my very humble opinion, quite the most historically inaccurate and stupid thing that anyone has ever put to paper. Despite his advanced apologies to his God, and many others, I am certain that they are insufficient to prevent him from being cast into Hades when the Grim Reaper

eventually comes to call. Having said that, IT IS FUN!!!

*Everybody Gets Fifteen Quid: The True Story of Darts Champion, Shayne Burgess* Shayne Burgess, 2019-08-07 Shayne Burgess was born near Hastings in 1964. All he ever wanted to do was play darts. At the peak of his career, he went on to become World Number Three. Like many in his era, he found himself embroiled in The Split, which rocked the darts world in 1993 and changed the game forever. His story, however, is like nobody else's. From smuggling cigarettes to eating roadkill, life on the road meant living in the back of a campervan. Mixing it with the greats of the game, but often down to his last penny, this is the true story of what it is like to play professional darts. What goes on tour no longer stays on tour...

**To the Point** Dan William Peek, 2001-01-01

*Darts in England, 1900-39* Patrick Chaplin, 2018-09-30 Drawing on an eclectic range of primary and secondary sources Chaplin examines the development of darts in the context of English society in the early twentieth century. He reveals how darts was transformed during the interwar years to become one of the most popular recreations in England, not just amongst working class men and, to a lesser extent, working class women but even (to some extent) among the middle and upper classes. This book assesses the social, economic and cultural forces behind this transformation. This work also considers the growth of the darts manufacturing industry and assesses the overall effect the growing popularity of darts had on interwar society and popular culture,

with particular reference to the changing culture and form of the English public house. This original study will be of interest to sports historians, social historians, business historians, sociologists and sports scientists.

**The Way Eye See the Game** Jamie Caven, David Kirby, 2013

**Blunt Darts** Jeremiah Healy, 2012-04-17 This "outstanding" novel featuring a Boston detective searching for a judge's missing son is a Shamus Award finalist and the first in a series (The New York Times). John Cuddy's heart is buried in a cemetery overlooking Boston harbor. His wife, Beth, fought her cancer for nearly a year, and when she died Cuddy gave up his morning runs in favor of nightly benders. Two months after her death, he is forced out of his job as an insurance investigator for refusing to sign his name to a phony claim. Now he is filing for unemployment, cutting back on his drinking, and attempting to become a private eye. His first real case comes in the form of Valerie Jacobs, a junior high teacher who was friends with Beth. Her star pupil, the son of a Massachusetts judge, has vanished, and the local police have no leads. To make his name as a detective, Cuddy searches for a boy who's too smart to be found, and whose father would prefer his son never return.

The Dart League King: A Novel Keith Lee Morris, 2008-10-01 An intriguing tale of darts, drugs, and death. Russell Harmon is the self-proclaimed king of his small-town Idaho dart league, but all is not well in his kingdom. In the midst of the league championship match, the intertwining stories of those

gathered at the 411 club reveal Russell's dangerous debt to a local drug dealer, his teammate Tristan Mackey's involvement in the disappearance of a college student, and a love triangle with a former classmate. The characters in Keith Lee Morris's second novel struggle to find the balance between accepting and controlling their destinies, but their fates are threaded together more closely than they realize.

**Golden Girl - The Autobiography of the Greatest Ever Ladies' Darts Player**  
Trina Gulliver, 2008-01-07 Trina Gulliver is indisputably the finest ladies' darts player in the world. With an amazing seven consecutive Lakeside Ladies' World Championship titles under her belt, this inspirational woman can lay claim to being the most phenomenal player of all time. But it hasn't always been a victorious check-outs for this Warwickshire girl. Qualifying as a joiner at the age of nineteen, Trina soon set up her own business and had her first taste of making it in what has traditionally been a man's world. Her calm head, keen eye and steady hand proved to be useful skills in this trade - and would prove priceless when stepped up to the oche as a professional player. Always a lover of the game, Trina held her first 'arrow' at the age of two, and after some success later in the Warwickshire County side she went full-time as a professional player. Without any sponsorship in her first year, she struggled to make ends meet as she drove all over Europe to play. But her determination to get to the top saw her make it to number ten in the world, and she finally hit the bullseye in the form of a sponsor. Twelve

months later she was number one - where she remains to this day. Fiercely passionate about her sport, Trina has long been an outspoken critic of the prize money in the women's game compared to the men's, and has done sterling work in helping to raise the profile of the ladies' game. Professional to the core, Trina works as hard as the top male players on her game, and is a role model to women in the sport. Golden Girl is the story of a woman whose talent, grit and determination saw her realise her dream. Heart-warming and inspirational, this book will appeal to darts lovers and anyone interested in a story of success against the odds.

**Kushiel's Dart** Jacqueline Carey, 2002-03-15 The lush epic fantasy that inspired a generation with a single precept: Love As Thou Wilt The first book in the Kushiel's Legacy series is a novel of grandeur, luxuriance, sacrifice, betrayal, and deeply laid conspiracies. A world of cunning poets, deadly courtiers, deposed rulers and a besieged Queen, a warrior-priest, the Prince of Travelers, barbarian warlords, heroic traitors, and a truly Machiavellian villainess...all seen through the unflinching eyes of an unforgettable heroine. A nation born of angels, vast and intricate and surrounded by

danger... a woman born to servitude, unknowingly given access to the secrets of the realm... Born with a scarlet mote in her left eye, Phédre nó Delaunay is sold into indentured servitude as a child. When her bond is purchased by an enigmatic nobleman, she is trained in history, theology, politics, foreign languages, the arts of pleasure. And above all, the ability to observe, remember, and analyze. Exquisite courtesan, talented spy...and unlikely heroine. But when Phédre stumbles upon a plot that threatens her homeland, Terre d'Ange, she has no choice. Betrayed into captivity in the barbarous northland of Skaldia and accompanied only by a disdainful young warrior-priest, Phédre makes a harrowing escape and an even more harrowing journey to return to her people and deliver a warning of the impending invasion. And that proves only the first step in a quest that will take her to the edge of despair and beyond. Phédre nó Delaunay is the woman who holds the keys to her realm's deadly secrets, and whose courage will decide the very future of her world.
