FBI Undercover Joe Deadpool Partizan, 2020-06-20 This is a tale of an undercover FBI informant. Authorization to Commit Otherwise Illegal Activity (OIA). I basically could go over the speed limit and stuff with getting a ticket. They assigned me the name Deadpool. I would have preferred Batman or something, but I guess those were already taken. I'm better looking than Ryan Reynolds, but not Christian Bale, so I guess got lumped into the secondary Marvel category. The FBI agents who threatened to incarcerate me for publishing this highly suggested that I list it as Fiction. So, I listed it as fiction. The main setting is Colorado and the surrounding school districts. It incorporates entities like Denver Public Schools as well as most of the highly renowned politicians in the state. A High School Counselor, turned into a spy. I caused and continue to cause the bad guys quite a bit of anguish. They keep trying to kill me, but I just pop back up like a brand new shiny penny. I hope you like the series of Books. I'm writing them in short, easily palatable, doses. There will be at least 4 up to now. Who knows what happens next though as the story is still being written as I type this. Joe = Average

Citizen.PartiZan = a member of an armed group formed to fight secretly against an occupying force.
